## TB Tests

Health and Human Services provides TB tests:

TB tests are available at the Village Hall through Health and Human Services.

**By appointment:** 847-781-4850

There is a fee for this service.

## Adult Immunizations

Hepatitis A, Hepatitis B, Twinrix (Hepatitis A and B combined), Tetanus-Diphtheria, and Tetanus-Diphtheria-Pertussis. Call for more information.

Price varies by shot.

**By appointment:** 847-781-4850

Provided at the Village Hall in the Health and Human Services Department.

## Complete Lipid Profile

Total Cholesterol, HDL, LDL, Triglycerides, Glucose screening, Blood Pressure, and Pulse

Must fast for 9-12 hours before screening. (no food, but please drink plenty of water)

Cost: \$22

**By appointment:** 847-781-4850

Provided at the Village Hall in the Health and

## Adult Flu Shots

Health and Human Services offers Adult Flu Shots each fall. Because Flu vaccine distributors do not guarantee vaccine availability and shipment dates, Health and Human Services does not schedule flu clinic dates until the vaccine has been delivered. Call the Flu Hotline starting in October for information on the flu clinic schedule and prices. Free with Medicare Part B.

**Flu Hotline:** 847-252-5441

## Adult Health Clinics

Health and Human Services offers free and low cost screenings for the community!

- Blood pressure – free
- Pulse checks—free
- Glucose (blood sugar) testing (\$3.00)
- Hemoglobin testing (\$3.00)

Call or Visit Health and Human Services' website (above) for locations and times.

Health and Human Services is located in the Hoffman Estates Village Hall at 1900 Hassell Road. Please use the department entrance on the southeast side of the building that faces Hassell Road.

**Please Note:** Health and Human Services cannot accept payments by credit or debit cards. Cash or check only please.
