

AGENDA
PUBLIC HEALTH AND SAFETY COMMITTEE
Village of Hoffman Estates
January 26, 2015

7:00 p.m. – Board Room

Members: **Michael Gaeta, Chairman**
 Gary Pilafas, Vice Chairman
 Anna Newell, Trustee
 Karen Mills, Trustee
 Gary Stanton, Trustee
 Gayle Vandenberg, Trustee
 William McLeod, Mayor

I. Roll Call

II. Approval of Minutes – December 8, 2014 and Special Meeting on January 5, 2015

III. NEW BUSINESS

1. Request authorization to waive bidding and purchase Motorola Mobile Computer Equipment for the Fire Department from Motorola, Inc., Schaumburg, IL (sole source) in an amount not to exceed \$26,000.
2. Request authorization to waive bidding and purchase eight (8) 2015 Ford Police AWD Interceptor Utility Vehicles in an amount not to exceed \$217,880.00 from Morrow Brothers Ford, Greenfield, IL, through the Illinois State Purchasing contract.
3. Request authorization to extend the existing contract for the provision of Village Towing Service Agreement to Redmon’s Towing, Schaumburg, IL, for a period of one year.
4. Request authorization to award contract to Cops and Fire Testing Services Inc., Schaumburg, IL, for Entry Level Patrol Officer testing at the rate of \$130 per polygraph examination and \$3,105.00 for the testing process.
5. Request acceptance of Police Department Monthly Reports (November and December).
6. Request acceptance of Health & Human Services Monthly Report. (November and December).
7. Request acceptance of Emergency Management Coordinator Monthly Reports (November and December).
8. Request acceptance of Fire Department Monthly Report.

III. President’s Report

Village President William McLeod**

**Management Team Members
in Attendance:**

**Jim Norris, Village Manager
Arthur Janura, Corporation Counsel
Dan O'Malley, Deputy Village Manager
Mark Koplun, Asst. Vlg. Mgr. – Dev. Services
Peter Gugliotta, Director of Planning
Kevin Kramer, Economic Development Coord.
Patrick Seger, Director of HRM
Michael Hankey, Director of Transportation
Gary Salavitch, Director of Engineering
Jeff Jorian, Fire Chief
Ted Bos, Acting Police Chief
Algean Garner, Director of HHS
Joe Nebel, Director of Public Works
Rachel Musiala, Director of Finance
Fred Besenhoffer, Acting Director of IS
Bruce Anderson, CATV Coordinator
Ben Gibbs, GM, Sears Centre
Patti Cross, Asst. Corporation Counsel
Ken Koop, Risk Manager
Ashley Monroe, Asst. to Village Manager**

The Public Health & Safety Committee meeting was called to order at 7:34 p.m.

II. Approval of Minutes

Motion by Trustee Vandenberg, seconded by Trustee Pilafas, to approve the Public Health & Safety Committee meeting minutes of October 27, 2014. Voice vote taken. All ayes. Motion carried.

NEW BUSINESS

- 1. Request approval to enter into an Emergency Medical Services (EMS) Field Training Services Agreement with Northwest Community Hospital's EMS System in cooperation with Harper College's paramedic education program.**

An item summary sheet from Jeff Jorian was presented to Committee.

Trustee Mills inquired about the Village's liability and Mr. Norris indicated that this agreement calls for Northwest Community Hospital to provide liability insurance coverage and indemnity for the Village.

Motion by Trustee Stanton, seconded by Trustee Pilafas, to enter into an Emergency Medical Services (EMS) Field Training Services Agreement with Northwest Community Hospital's EMS System in cooperation with Harper College's paramedic education program. Voice vote taken. All ayes. Motion carried.

- 2. Request approval of a resolution authorizing the Village President to enter into an Intergovernmental Agreement between the Village of Hoffman Estates and School District 54 regarding the School Resource Officer Program.**

An item summary sheet from Ted Bos was presented to Committee.

Motion by Trustee Mills, seconded by Trustee Pilafas, to approve a resolution authorizing the Village President to enter into an Intergovernmental Agreement between the Village of Hoffman Estates and School District 54 regarding the School Resource Office Program. Voice vote taken. All ayes. Motion carried.

- 3. Request acceptance of Police Department Monthly Report.**

The Police Department Monthly Report was presented to Committee.

Motion by Trustee Stanton, seconded by Trustee Pilafas, to accept the Police Department Monthly Report. Voice vote taken. All ayes. Motion carried.

- 4. Request acceptance of Health & Human Services Monthly Report.**

The Health & Human Services Monthly Report was submitted to the Committee.

Motion by Trustee Vandenberg, seconded by Trustee Pilafas, to accept the Health & Human Services Monthly Report. Voice vote taken. All ayes. Motion carried.

- 5. Request acceptance of Emergency Management Coordinator Monthly Report.**

The Emergency Management Coordinator Monthly Report was submitted to the Committee.

Motion by Trustee Mills, seconded by Trustee Vandenberg, to accept the Emergency Management Coordinator Monthly Report. Voice vote taken. All ayes. Motion carried.

- 6. Request acceptance of Fire Department Monthly Report.**

The Fire Department Monthly Report was submitted to the Committee.

Motion by Trustee Stanton, seconded by Trustee Pilafas, to accept the Fire Department Monthly Report. Voice vote taken. All ayes. Motion carried.

III. President's Report

IV. Other

V. Items in Review

VI. Adjournment

Motion by Trustee Stanton,, seconded by Trustee Pilafas,, to adjourn the meeting at 7:40 p.m. Voice vote taken. All ayes. Motion carried.

The Public Health & Safety Committee meeting was called to order at 7:00 p.m.

NEW BUSINESS

- 1. Request Authorization to Waive Bidding and Purchase a 2015 Ford F-350 XL 4X2 for the Fire Department through the Northwest Municipal Conference Suburban Purchasing Cooperative Contract from Currie Motors, Frankfort, Illinois, in the amount of \$26,021.00.**

Fire Chief Jeff Jorian explained the vehicle is being purchased to replace the current 1993 Ford pick-up.

Motion by Trustee Stanton, seconded by Trustee Pilafas to waive the bidding and purchase a 2015 Ford F-350 XL 4X2. Voice vote taken. All ayes. Motion carried.

- 2. Request Authorization to Waive Bidding and Purchase a 2015 Ford utility police Interceptor AWD for the Fire Department through the Northwest Municipal Conference Suburban Purchasing Cooperative Contract from the Currie Motors, Frankfort, Illinois, in the amount of \$27,288.00.**

Fire Chief Jeff Jorian explained that the department is looking to replace one of the reserve staff vehicles which currently has 100,000 miles on it. Mr. Norris stated the department is making a move towards all-wheel drive vehicles for safety reasons.

Motion by Trustee Pilafas, seconded by Trustee Newell to waive the bidding and purchase a 2015 Ford utility police Interceptor AWD. Voice vote taken. All ayes. Motion carried.

VI. Adjournment

Motion by Trustee Pilafas, seconded by Trustee Newell, to adjourn the meeting at 7:05 p.m. Voice vote taken. All ayes. Motion carried.

Minutes submitted by:

Jennifer Djordjevic, Director of Operations

**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: **REQUEST AUTHORIZATION TO WAIVE FORMAL BIDDING AND PURCHASE MOTOROLA MOBILE COMPUTER EQUIPMENT FOR THE FIRE DEPARTMENT FROM MOTOROLA, INC., SCHAUMBURG, IL (SOLE SOURCE) IN AN AMOUNT NOT TO EXCEED \$26,000.00.**

MEETING DATE: **January 26, 2015**

COMMITTEE: **Public Health & Safety Committee**

FROM: **Jeffrey Jorian, Fire Chief**

BACKGROUND: Request authorization to waive formal bidding and purchase Motorola mobile computer equipment, as part of the 2015 annual replacement process for four of our responding apparatus.

DISCUSSION: The Fire Department originally installed Motorola laptop computers in each responding apparatus for dispatch information. In 2007, a switch to a mobile work station was made to allow for updated technology and better function. At that time, we purchased the Motorola MW800 work station. The current purchase request is part of a replacement program that was instituted with the purchase of the previous laptops.

The Motorola MW800 system has been discontinued and replaced by the MW810. The MW810 provides for a more simplified on-screen user interface for the monitor controls. The function keys are backlit allowing better visibility at night. A local wireless network is included. This network allows for automatic updating of preplan information, mapping updates for emergency dispatching and upgrading of computer software when the apparatus is parked in the fire stations.

The Motorola MW810 system has proven to be a more suitable application for the Fire Department for the following reasons:

Compared to the Panasonic laptops, the MW810 display screen provides larger function buttons. These buttons can be depressed by personnel while an apparatus is in motion, which helps to reduce the number of times a message is transmitted incorrectly.

The display screen is the only thing that is mounted in the passenger compartment. This allows the device to be mounted so that it is more visible to the user and less likely to be struck by an airbag during an auto accident.

The Motorola system is powered by the vehicle's electrical system and is not subject to issues associated with rechargeable batteries and battery chargers, as was the case with the previous laptops that were in service.

The Fire Department is requesting to purchase the following:

4 – MW810 R2.0 Mobile workstations:

- Comm & Video I/O Expansion Board
- Intel I7-3610QE, Ivy Bridge Quad Core 17
- WIN 7 PRO 64 BIT OS
- 256GB SOLID STATE HD
- 8GB DDR3, 1066MHZ, Dual Slot
- WLAN 802.11 A/G/N INTEL6300, 3 ANT CONN
- WLAN Antenna, 3x3MIMO, 12Ft
- Color Display 12.1" XGA 1500NIT STD. Touch Screen, 60 PIN
- 16.4 ft. MW810 DISP-CPU CBL, DVI 60/60
- Keyboard, Backlit, US, MW810
- MW810 One (1) Year Extended Repair Service Advantage (For 4 Years Total Warranty)

FINANCIAL IMPACT: The Village's 2015 Information Systems Capital budget contains funding for the purchase of equipment as requested and can be found in the following location:

Information Systems Fund	\$26,000.00
--------------------------	-------------

RECOMMENDATION: Request authorization to waive bidding and purchase Motorola mobile computer equipment for the Fire Department from Motorola, Inc., Schaumburg, IL (sole source) in an amount not to exceed \$26,000.00.

January 5, 2015

Village of Hoffman Estates
Pat Fortunato
1990 Hassell Road
Hoffman Estates, IL 60169

Dear Mr. Fortunato:

Motorola is pleased to provide you specifications and a quotation for the MW810 Mobile Workstation.

The MW810 Release 2.0 Workstation quoted includes Microsoft's Windows 7 Pro 64 Bit operating system and features an Intel i7-3610QE, IVY BRIDGE QUAD CORE I7 processor, 8 GB DDR3 Dual slot RAM, and a 256GB Solid State Disk drive. The MW810 now includes a 3 year standard warranty.

Delivery is quoted at four (4) weeks from receipt of contract and purchase order. Equipment will be delivered FOB destination. Payment terms are net 30 days.

Thank you for the opportunity to quote on these requirements. If you have any questions, please call me at (847) 489-9379. This MW810 quotation shall remain valid for 60 days.

Sincerely,

Chris Chisnell

MOTOROLA, Inc.
Sr. Account Manager

Notes:

1. Installation of above equipment into vehicles is not included.
2. Equipment specifications subject to change without notice.

CONNECTED. POWERFUL. RUGGED.

MW810 MOBILE WORKSTATION R2.0

A police officer receives dispatch information, with audible directions and the incident location clearly marked on a map. An incident commander keeps track of firefighter locations and vitals as they search a burning apartment building. An EMS crew submits a report without leaving their vehicle. Detectives watch streaming video of gang members loitering, while parked discreetly two blocks away. A deputy scans the plates of 300 parked cars in minutes – without slowing down.

More and more first responders and field personnel are using their vehicle as an office. Aided by wireless broadband and motivated by the need to keep up with information and their workload, they perform more tasks in the vehicle, from report writing to video surveillance. This requires more than fast wireless broadband and the latest software – they also

need a connected, powerful, rugged and ergonomic workstation that is designed for the challenges of their work day and the rigors of their environment.

The fully rugged Motorola MW810 Mobile Workstation R2.0 provides reliable, cost-effective wireless connectivity and computing power for mission critical applications.

SPECIFICATIONS

COMPUTER

MW810 R2.0 Central Processing Unit offers powerful computing options so you can support more applications and find answers faster.

	Intel 3rd Generation Core i7-3610QE, Quad Core, 2.3GHz, 6M Cache (Option) Intel 3rd Generation Core i5-3610ME, Dual Core, 2.7GHz, 3M Cache (Standard) Intel Celeron B810, Dual Core, 1.6GHz, 2M Cache (Option)
Chipset and Video Controller	Intel® Panther Point PCH QM77 with integrated video controller
Internal Memory	4GB DDR3 DRAM 1600MTs Single Slot (Standard). Expandable to 8 GB Dual Slot (Total usable memory may be less, depending on configuration)
Mass Storage Options	Heated removable 500GB Hard Drive with 3-dimensional shock absorbers (Standard) 256GB Solid State Drive (Option, instead of Hard Drive) Also: 64GB internal SSD (mSATA) on main board (Option in addition to, or instead of, removable HD or SSD)
Security and Protection	TPM 1.2 (Trusted Platform Module) integrated in CPU Optional internal Smart Card Reader available in 12.1" displays
Operating System	Microsoft Windows® 7 Professional, Service Pack 1 (32 bit and 64-bit versions available)

COMMUNICATION AND EXPANSION PORTS

MW810 R2.0 offers a range of communications modules and expansion ports, supporting both wired and wireless peripherals.

Display Interface	Primary port supports DVI or RGB, Secondary port support DVI/HDMI. Both with ports via 60 pin connector
USB Ports	Up to 2 x USB3.0 (Depends on Expansion type) and up to 4 X USB2.0 (Depends on Expansion type)
Bluetooth®	Optional Bluetooth module V2.1 plus EDR (Enhanced Data Rate). Available only with 12.1" displays.
ExpressCard	1 ExpressCard slot, on front of CPU
Auxiliary Port	26 pin connector. 4 Programmable General Purpose I/Os can be set to input or output, working at 5V or vehicle battery voltage. Ignition sense input, plus vehicle speed and direction inputs (latter two for use with Dead Reckoning GPS). Configurable Output voltage (Battery voltage output to 5V) DC output (1A) for relay contact wetting voltage.
Audio	Line out (non-amplified) for external speaker; external microphone in (non-amplified)

I/O EXPANSION BOARD OPTIONS

MW810 R2.0 offers multiple expansion board options, so you can add more ports for external modems, video cameras, or other vehicle peripherals as needed.

R2.0 Expansion Board Options	CPU without Expansion Board	CPU with ALPR Expansion Board	CPU with Comm and Video Expansion Board	CPU with Serial and USB Expansion Board
Video Out (60 pins; also includes audio, USB 2.0, remote on/off)	1st port DVI/RGB 2nd port - none	1st port DVI/RGB 2nd port - DVI/HDMI	1st port DVI/RGB 2nd port - DVI/HDMI	1st port DVI/RGB None
RS232	1	1	2	3
CPU USB 3.0	2	2	2	2
CPU USB 2.0	0	1	1	2
Ethernet LAN RJ45 1GbE	1	3	3	1
eSATAp	0	0	0	1
Dual Display Interface	No	Yes	Yes	No
Video Input	No	Up to four (4) PIPS Slate™ ALPR digital Cameras	1 Standard Composite Video input	No
WLAN Antenna Conn.	3	3	3	3

DISPLAY OPTIONS

MW810 R2.0 displays feature outstanding touchscreen capabilities, user programmable buttons, emergency button, and setting controls. The MW810 R2.0 CPU with Comm and Video or ALPR expansion board options support the dual display feature.

MW810 R2.0 12.1" Displays	12.1" Standard Brightness (500 NIT) XGA, with RGB or DVI interfaces. Resistive tempered glass touchscreen. Contrast Ratio (CR) 1: 700. Viewing Angles H=160, V=160 at CR ≥10. 8 programmable buttons with backlit insets so you can custom label user functions. Speaker, 1W. 3 USB 2.0 ports (1 keyboard, 2 general use). 12.1" High Brightness (1500 NIT) XGA, with RGB or DVI interfaces. Resistive tempered glass touchscreen. Contrast Ratio (CR) 1: 600. Viewing Angles H=160, V=140 at CR ≥10. 8 programmable buttons with backlit insets so you can custom label user functions. Speaker, 1W. 3 USB 2.0 ports (1 keyboard, 2 general use).
MW810 8.4" Display	8.4" High Brightness (800 NIT) SVGA, with RGB or DVI interfaces. Resistive tempered glass touchscreen. Contrast ratio (CR) 1:450. Viewing Angles H=120, V=100 at CR ≥10. 6 programmable buttons with insets. Speaker, 1W. 2 USB 2.0 ports (1 keyboard, 1 general use).
Smart Card Reader	Optional in 12.1" displays. Integrated FCI Smart Plus B Connector module with OMNIKEY® 3121 Embedded Reader Board USB. FIPS 201 Certified.

PRODUCT SPEC SHEET

MW810 MOBILE WORKSTATION R2.0

INTERNAL RADIO OPTIONS AND COMMUNICATIONS PROTOCOLS

One internal PCI Express Mini Card slot allows for a Wireless Local Area Network option, plus two available wireless Wide Area Network slots, so you can stay in touch with remote applications via multiple networks. Our CPU with any WLAN option ships with three antenna connector ports. Antennae are sold separately, so customers may reuse existing MW antennae with proper connectors.

WLAN Option	Intel® Ultimate N WiFi Link 6300 (Quad-mode 802.11 a/b/g/n). Wi-Fi CERTIFIED®. 3 antenna ports available.
WAN 1 Slot Options	MC7750 LTE Band 13/3G module from Sierra Wireless. Supports either of the following based on firmware load: LTE Band 13, or CDMA IS-856 (1xEV-DO Revision A) and CDMA IS-2000 networks. Two antenna ports available. Additional WAN options will be available, and will vary by country; contact your local Motorola Solutions representative for details.
WAN 2 Slot Options	CPUs support dual-WAN radio board plus internal modem option supporting Band 14 (Public Safety) LTE. Two antenna ports available. Availability of factory option as well as field upgrade kit will vary by country; contact your local Motorola Solutions representative for details.

Choose either the internal GPS receiver or internal Dead Reckoning GPS receiver to help pinpoint your vehicle location. Dead Reckoning option provides vehicle location assistance even where GPS reception is hindered.

GPS Options	SiRF IV Module option: supports NMEA 0183 (National Marine Electronics Association) protocol. Or Trimble Lassen iQ GPS Module option: supports NMEA 0183, TSIP (Trimble Standard Interface Protocol), TAIP (Trimble ASCII Interface Protocol), and DGPS (Differential Global Positioning System) protocols.
Dead Reckoning GPS Option	Sensor-based GPS Receiver, containing the U-Blox LEA 6R GPS positioning engine. Position output in NMEA 0183 (National Marine Electronics Association) and UBX (u-blox proprietary binary) protocols. Requires vehicle sensor signals for speed and direction – order an Auxiliary Cable accessory to connect CPU Aux Port to vehicle sensors.

ELECTRICAL ENVIRONMENT

Fully operating in 12V and 24V car battery systems without converters, so you can install in a wider range of vehicles. Can also be configured to operate using a 9V sustainable power source. Low voltage cranking support. Graceful shutdown at low voltage thresholds.

Input Voltages	Wide input voltage range, 11-33VDC, with no loss of functionality	
Electrical Transients	Meets ISO7637-2 12V 24V	
Current Consumption (CPU)	OFF (main switch ON) 2mA Standby Mode 0.3A (fans OFF) Operation: Typical 3A; Max 7A	OFF (main switch ON) 2mA Standby Mode 0.2A (fans OFF) Operation: Typical 1.7A; Max 4.5A
Current Consumption (CPU + ALPR board with four imaging units)	Operation: Max 9.5A	Operation: Max 6A
Current Consumption (12.1" Displays)	OFF (main switch ON) 10mA 6mA Standby Mode 0.4A	OFF (main switch ON) Standby Mode 0.25A
Std. Brightness	Operation: Typical 1.5A; Max 2A	Operation: Typical 0.8A; Max 1.2A
High Brightness	Operation: Typical 1.5A; Max 2.5A	Operation: Typical 1A; Max 1.5A
Current Consumption (8.4" Display)	OFF: <10 mA Standby Mode: < 100 mA Operation: Typical 1.5A; Max 2.5A	OFF: <6 mA Standby Mode: < 70mA Operation: Typical 1A; Max 1.5A

GENERAL SPECIFICATIONS

MW810 R2.0 system components have been designed to be backwards-compatible with MW810 Series mounts. Mounting trunnion included with CPU purchase. Check existing display mounts to ensure compatibility with optional Smart Card Reader and USB ports on sides of 12.1" displays.

System Component	CPU	12.1 in Displays	8.4 in Display	Keyboard*
Physical Size (H x W x D)	2.8 x 7.4 x 9.4 in 7.2 x 18.9 x 24.0 cm	10.6 x 11.5 x 1.9 in 27.0 x 29.2 x 4.9 cm	7.1 x 9.1 x 1.7 in 18.1 x 23.0 x 4.36 cm	1.26 x 12.6 x 8.0 in 3.2 x 32.0 x 20.3 cm
Weight	8.8 lbs (4.0 kg)	Std. Brightness 6.1 lbs (2.8 kg) (2.75 kg) High Brightness 6.6 lbs (3.0 kg)	3.3 lbs (1.5 kg)	2.2 lbs (1.0 kg)

*USB Backlit 85-Key Full Travel Keyboards (multiple language options)

ACCESSORIES

Contact your Motorola Solutions representative for details on accessories and vehicle mounting options.

WARRANTY

3-Year Warranty is Standard; see User Guide for details. Additional coverage options are available. Contact your local Motorola Solutions representative for details.

PRODUCT SPEC SHEET

MW810 MOBILE WORKSTATION R2.0

ENVIRONMENTAL AND DURABILITY

MW810 R2.0 is tough enough to thrive in extreme environmental conditions. MW810 meets the most robust set of standards of any product in its class, including tests shown below as well as other Motorola-proprietary test methods; summary test reports available upon request.

Altitude: Storage	MIL-STD-810G Method 500.5 Procedure I, Non-Operating
Altitude: Operation	MIL-STD-810G Method 500.5 Procedure II, Operating
High Temperature: Storage	MIL-STD-810G Method 501.5 Procedure I, Climatic Category A1 - Hot Dry (Table 501.5-III), induced (Storage and Transit) conditions, cyclic exposure from 33°C (91.4°F) to 72°C (161.6°F), Non-Operating. Also to 85°C (185°F) per Motorola 12M.
High Temperature: Operation	MIL-STD-810G Method 501.5 Procedure II, Climatic Category A1 - Hot Dry (Table 501.5-III), cyclic exposure from 33°C (91.4°F) to 72°C (161.6°F), Operating
Low Temperature: Storage	MIL-STD-810G Method 501.5 Procedure II, Climatic Category A1 - Hot Dry (Table 501.5-III), cyclic exposure from 33°C (91.4°F) to 72°C (161.6°F), Operating
Low Temperature: Operation	MIL-STD-810G Method 502.5 Procedure II, constant exposure at -30°C (-22°F), Operating
Temperature Shock	MIL-STD-810G Method 503.5 Procedure I-C, multi-cycle shocks from constant extreme temperature, 3 cycles of Figure 503.5-3, from -52°C (-61.6°F) to 94°C (201.2°F), Non-Operating
Solar Radiation (Sunshine)	MIL-STD-810G Method 505.5 Procedure I, Non-Operating
Rain	MIL-STD-810G Method 506.5 Procedure I (Blowing) and Procedure III (Drip), Operating
Humidity	MIL-STD-810G Method 507.5 Procedure II, Aggravated, Periodic Operation per Method. Also per TIA/EIA 603 Para.3.3.3
Salt Fog	MIL-STD-810G Method 509.5, Non-Operating
Sand	MIL-STD-810G Method 510.5 Procedure II, Non-Operating
Dust	MIL-STD-810G Method 510.5 Procedure I, Non-Operating
Vibration: Secured Cargo	MIL-STD-810G Method 514.6 Procedure I Category 4: 10-500 Hz, 1 hour per axis, Operating
Vibration: Loose Cargo	MIL-STD-810G Method 514.6 Procedure II Category 5: 5Hz/300RPM, in package, Non-Operating
Vibration	MIL-STD-810G Method 514.6 Procedure I Category 24: 20-2000 Hz, 7.7 G _{rms} , 1 hour per axis, Non-Operating
Shock: Functional	MIL-STD-810G Method 516.6 Procedure I, Operating. Also per TIA/EIA 603 Para. 3.3.5
Freeze/Thaw	MIL-STD-810G Method 524 Procedure III, Rapid Temperature Change, Operating
ASTM Vibration	ASTM D4169-04 Schedule E, Truck Assurance Level II, Operating
Sealing	IEC IP-54 Rating. "5" = Dust protected. "4" = Protected against splashing water
Flammability	UL94
ESD	IEC EN61000-4-2. Motorola tests to 8 kV contact and 15 kV air, which is above required levels of 4 kV contact and 8 kV air.

REGULATORY ACCEPTANCE NUMBERS AND STANDARDS REFERENCES

MW810 R2.0 is tested for safety as well as optimal performance with multiple wireless networks. MW810 R2.0 components are RoHS compliant.

**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: 2015 Purchase of Ford Police AWD Interceptor Utility Vehicles

MEETING DATE: January 26, 2015

COMMITTEE: Public Health and Safety

FROM: Ted Bos, Acting Chief of Police
Bob Kravetz, Administrative Services Officer

PURPOSE: To request approval to purchase eight (8) 2015 Ford Police AWD Interceptor Utility vehicles.

BACKGROUND: Ford Motor Corporation's 2015 Police AWD Interceptor Utility model can be purchased through the State of Illinois Joint Purchasing program which expires on March 22, 2015, and is currently held by Morrow Brothers Ford, Greenfield, IL, at a cost of \$27,235.00 each.

The Suburban Purchasing Cooperative contract with Currie Motors, Frankfort, IL, has been extended to November 8, 2015, and they offer the Utility at \$27,523.00.

The State of Illinois' contract with Morrow Brothers has been selected for cost with the inclusion of standard safety related lighting items which is an additional benefit over the Suburban Purchasing Cooperative.

Ford Motor Corporation has advised the production cutoff date for this vehicle year is January 30, 2015, whereupon they will begin producing the 2016 Police Interceptors.

DISCUSSION: This request will include the cost of the vehicles and any other factory or dealer related cost. To ensure guaranteed cost and delivery within this FY2015 the order needs to be placed by March 22, 2015.

FINANCIAL IMPACT:

There is sufficient funding in the FY2015 budget to fund this purchase.

RECOMMENDATION:

Request authorization to waive bidding and order eight (8) 2015 Police AWD Ford Interceptor Utility vehicles from Morrow Brothers Ford through the Illinois State Purchasing contract in an amount not to exceed \$217,880.00.

**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: Extension of Redmon's Towing Contract

MEETING DATE: January 26, 2015

COMMITTEE: Public Health and Safety

FROM: Ted Bos, Acting Chief of Police
Michael Raucci, Traffic Section Sergeant

PURPOSE: To request authorization to extend the existing contract for the provision of Village TOWING SERVICE AGREEMENT to Redmon's Towing, for a period of one year.

BACKGROUND: The existing TOWING SERVICE AGREEMENT contract within the Village of Hoffman Estates that was awarded to Redmon's Towing on February 4, 2013, contained a provision for a one-year extension upon agreement of both parties. The existing contract runs from February 4, 2013, through February 3, 2015.

DISCUSSION: Redmon's Towing submitted a letter requesting that the Village Board consider extending their contract for an additional year. During the last two years the Police Department has not received one complaint against Redmon's towing from a citizen or a police officer. Also during the last two years, none of the vehicle owners to arrestees that came to the Administrative Tow Hearings ever complained about Redmon's in any manner.

Redmon's Towing has provided the Village of Hoffman Estates and our citizens quality services. They are professional and helpful with prompt response times and there is no reason the Village should not extend the existing contract for a period of one year.

FINANCIAL IMPACT:
Contract terms will remain the same.

Public Health & Safety
January 26, 2015
Page 2

RECOMMENDATION:

Request authorization to extend the existing contract for the provision of Village TOWING SERVICE AGREEMENT to Redmon's Towing, Schaumburg, Illinois, for a period of one year from February 4, 2015, to February 3, 2016.

**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: Request Approval to Award Contract for entry level patrol officer testing to Cops and Fire Personnel Testing Service.

MEETING DATE: January 26, 2015

COMMITTEE: Public Health and Safety

FROM: Ted Bos, Acting Chief of Police

REQUEST: Request approval to award contract to Cops and Fire Personnel Testing Service for entry level patrol officer testing at the rate of \$3105.00 for the testing process and an additional fee of \$130 per polygraph examination for candidates who successfully pass the written and physical examinations.

BACKGROUND: The rules and regulations of the Fire and Police Commission mandate that testing of applicants be conducted to establish an eligibility list. Among other requirements, part of this mandated testing process includes a written examination and a physical examination. These two portions of the testing process have historically been conducted by an independent outside vendor specializing in the development and delivery of these specific job related tests.

The eligibility list for entry level patrol officer was effective on March 25, 2013 and expires March 25, 2015. The Police Department budgeted for testing in 2015 to produce an updated eligibility list in the anticipation of hiring officers to fill vacancies.

DISCUSSION: In order to develop a current eligibility list for the position of patrol officer, the department must conduct testing as required by the rules and regulations of the Fire and Police Commission. This eligibility list once finalized will be active for a period of two years. To conduct the test we received quotes from 4 different companies which specialize in the development and delivery of the written and physical portion of the testing process. Each company was asked to provide a quote for services encompassing the written and physical test as well as

fees assessed for processing applications and advertising. These quotes are based on those services for 135 candidates and do not include additional fees for polygraph services.

Cops and Fire Personnel Testing Service = Quote \$3105
200 West Higgins Road, Suite 201
Schaumburg, IL 60195
Ph. 847-310-2677

Resource Management Assoc. = Quote \$1200
(This quote does not include application, processing and Advertising. Also requires HEPD to provide proctors for the testing process. Estimated overtime costs for 2015; **\$7,500.**
17037 South Oak Park Ave.
Tinley Park, IL 60477
Ph. 708-444-2326

Standard and Associates = Quote \$4320
309 W. Washington Street Suite #1000
Chicago, IL 60606
Ph. 800-367-6919

Public Safety Recruitment I/O Solutions = Quote \$6170
(Requires at least 3 proctors from HEPD)
1127 S. Manheim Road Suite #203
Westchester, IL 60154
Ph. 800-343-4473

Each of the companies that provided quotes for this process specialize in conducting written and physical/power examinations specifically tailored to the police entry level testing process. It can be expected that each company will provide a testing process that is fair and impartial and the process will provide for every eligible applicant a fair and equal opportunity to demonstrate his or her ability to perform the duties of the position. It can be expected that each company will provide a testing process that is legally defensible and free from any actual or implied adverse impact against any person or group on the basis of age, gender, race, color or creed.

The department has experience working with three of the listed companies. In years past the department worked with Resource Management and Associates, under the supervision of Charles Hale, as well as Public Safety Recruitment I/O Solutions who conducted the promotional testing process in 2011 and has most recently conducted the promotional exams in 2014. Cops and Fire Personnel Testing Service previously conducted the entry level police officer testing which produced the current eligibility list.

The Departments past experience with both Public Safety Recruitment I/O Solutions and Cops and Fire Personnel Testing Service has proven that each of these companies perform in a highly professional and competent way. The department is very satisfied in the testing process from these companies. Past experience with the testing process conducted by Resource Management Associates produced several negative complaints and a number of challenges to the process from officers taking the promotional exams. There are services that Resource Management Associates does not offer in the testing process which will force us to utilize overtime hours from our officers. For example; the police department would have to pay overtime to officers to proctor the written and physical test. When the overtime rate was paid for this purpose in 2006, the cost was approximately \$7000. At today's overtime rate this cost is estimated to be \$7500.

FISCAL IMPACT:

The Department budgeted \$7,000 for the written and physical exam portion of the entry level testing for 2015. The lowest quote, with all factors taken into account, is Cops and Fire Personnel Testing Service at \$3105. In addition, the department budgeted \$13,500 for the polygraph exam which Cops and Fire Personnel Testing Service offers at \$130 per applicant. The other companies did not offer polygraph examinations or had to outsource the examinations.

RECOMMENDATION:

Based on the quality and thoroughness of the work performed in the past by Cops and Fire Personnel Testing Service in 2013 I recommend that the contract for entry level patrol testing be awarded to Cops and Fire Personnel Testing Service in an amount not to exceed \$20,500.00.

POLICE DEPARTMENT MONTHLY REPORT

Report of Activity

November
2014

PATROL DIVISION ACTIVITY REPORT

During the month of November the Patrol Division responded to 1707 calls for service. The following is a brief summary of some of the activities:

On November 6 Officer Bartolone was assigned to the 1400 block of Rebecca Drive for a report of a domestic disturbance. Upon arrival he met the female victim who said that she had gotten into an argument with her husband and ran into the bathroom for safety. The husband kicked in the door on the victim causing minor injuries. The husband fled the scene. Officer Bartolone advised the Bartlett Police Department to check on a possible address for the whereabouts of the husband. He was located by Bartlett PD and turned over to Officer Bartolone. The husband was charged with Domestic Battery after the wife signed complaints.

On November 10 Officer Fairall was assigned to a fight on the 1100 block of Meadow Lane. Upon arrival Officer Fairall met with the persons who had been fighting. The female offender related that the victim had been talking about her on Facebook and other social media. The offender came to the Meadow address to resolve the matter. The offender began yelling at the victim and then punched the victim on the face and stomach. The offender was arrested and charged with Battery.

On November 7 Sergeant Mueller and Officer Kenost were assigned to a suspicious auto on Ash Road. Upon arrival the officers located the vehicle in the parking lot. Upon contact with the occupants the officers smelled the odor of burnt cannabis coming from the vehicle. With help from Officer Marak and K9 Dozer the officers recovered a small amount of cannabis from the vehicle. Two occupants of the vehicle were arrested and transported to HEPD. One female juvenile was charged with Possession of Cannabis and a male passenger was charged with Possession of Alcohol by a Minor. Both subjects were turned over to their parents.

On November 11 Officer Bloss was assigned to the 1100 block of Higgins Road for a report of a Battery. According to witnesses the offender walked up to the victim who was sitting at his desk. The offender began punching the victim in the head until the incident was broken up by a teacher. The offender was taken into custody and charged with Battery. The offender who is a juvenile was turned over to a parent pending juvenile disposition.

On November 11 a resident of the 500 block of Heritage Drive arrived at the police station to report that her daughter had been battered by a neighbor earlier in the day. The resident reported that there has been an ongoing dispute between the two families and that today her daughter was in the hallway of the 500 block of Heritage where she came across the neighbor in which they have been having a problem. According to the daughter the neighbor grabbed the daughter by the arm and twisted. Shortly thereafter

Continued page 2

PATROL DIVISION REPORT CONT...

the daughter reported this to her mom and then the two came to the police station. Officer Kowal and Officer Gessert put together a photo lineup and showed it to the victim. The victim picked out the offender. The officers contacted the offender who turned himself in later that evening. The offender was charged with Battery.

On November 16 Officer LaFrancis and Officer Doherty were assigned to the 1900 block of Huntington Blvd. for a noise complaint. After speaking with the offender, the offender agreed to turn the music down. Shortly thereafter the Officers were reassigned to the address for the same type of complaint. The intoxicated female offender was issued a local ordinance citation. The offender later called HEPD to complain about the citation. Officer LaFrancis and Officer Doherty as well as the shift supervisor arrived to resolve the issue. After leaving the scene the offender repeatedly called 911 for no apparent reason. The Officers again went back to the residence after a total of 14 false 911 calls were made. The offender was taken into custody and charged with Disorderly Conduct Misuse of the 911 System.

On November 23 Officer Jones and Officer Allen responded to the 2500 block of Golf Road for a report of a battery. Upon arrival the officers met with the victim who was bleeding as well as witnesses. The Officers were told that the victim along with his two female friends were approached by two unknown males who began talking with the females. When the victim asked them to leave he was struck repeatedly about the face until security arrived to break up the incident. The two offenders were detained at the scene and later arrested by the Officers. The two offenders were charged with Battery.

On November 30 Officer Brunner was assigned to a report of a battery on the 5300 block of Prairie Stone Parkway. Upon arrival Officer Brunner met the victim who is an usher at the Sears Centre Arena. The victim related that he was monitoring the entry way to the arena floor when he was punched in the face when he refused the offender entry onto the arena floor. Officers responded to the arena and the offender was taken into custody without further incident. The offender was transported to HEPD and charged with Battery.

CANINE UNIT

Officer Marak and K9 Dozer attended one public relation demonstration, conducted seven vehicle K9 searches, one K9 residence search, one K9 track and one K9 business search in the month of November. Of these calls, 5 were for outside department assists. On November 25, 2014 Officer Marak and K9 Dozer attended the DARE Graduation at St. Hubert's School and conducted a K9 demonstration for the students, staff and parents.

Officer Marak and K9 Dozer also attended bi-weekly K9 training.

INVESTIGATIONS DIVISION REPORT

On November 4, Detective Tenuto conducted follow up on a criminal sexual assault report. Detective Tenuto assisted Officer Lynch with the interviews of both the male and female subjects involved. After a brief conversation with the male subject involved, he provided verbal statements admitting to committing the criminal sexual assault. Due to the age difference between the male offender and the female victim, the offender was charged with a misdemeanor Criminal Sexual Assault clearing this case by arrest.

On November 10, Detective Tenuto conducted follow up on two retail theft reports. He was able to identify the offender with the assistance of the owner of the offending vehicle that fled the scene. The owner advised that his daughter uses this vehicle and her current boyfriend matches the description that was provided. The offender was then positively identified out of a photo array by store management. Detective Tenuto was later notified by the Elgin Police Department that they had this subject in custody on arrest warrants. Detective Tenuto traveled to the Elgin Police Department and conducted an interview with the suspect who admitted to driving the offending vehicle and being in Hoffman Estates. The offender was charged with two counts of Retail Theft clearing this case by arrest.

On November 12, Detective Tenuto worked in conjunction with a Liquor Control Special Agent from the Illinois Department of Revenue, Liquor Control Commission on a compliance check for the sale of liquor to minors. Two subjects, one a 19 year old male and another an 18 year old female visited various establishments in Hoffman Estates. Thirteen businesses were visited and passed while three businesses did sell to the minors and were cited under HE 8-3-16 "Sale of Liquor to Minors."

On November 14, Detective Savage concluded follow up on a case of Possession of Child Pornography investigation which began in March. The offender, a Hoffman Estates resident in hiding from police, was taken into custody by the Schaumburg Police Department during an unrelated

incident. The Cook County State's Attorney's Office was contacted for felony review of this case and approved charges of Solicitation of Child Pornography and Possession of Child Pornography clearing this case by arrest.

On November 23, Detective Thomas conducted a presentation at Hoffman Estates High School for parents regarding Cyber Safety and Laws. Our Chief of Police received an appreciation email from a school social worker who attended.

On November 25, Detective Fernandez concluded a retail theft investigation that occurred on the 2800 block of Sutton Road. The suspect is a 26 year old male from Westmont. This suspect had targeted 21 other retail stores in various jurisdictions, stealing approximately \$35,000 worth of Crest White Strips.

He took approximately \$1,089 worth of Crest White Strips from the store on the 2800 block of Sutton Road. Working with various outside agencies, Detective Fernandez was able to obtain a warrant for his arrest. He was later located and taken into custody by the Chicago Police Department clearing this case

by arrest.

On November 26, Detective Fernandez concluded a home invasion investigation that occurred on the 700 block of Hill Drive in October. The suspect was a 36 year old male who is a resident of Chicago. The investigation found that the suspect had climbed up to a second floor apartment and gained access through an open balcony door. He then punched a female resident in the back of the head, and fled after the police was called. He was apprehended with the assistance of several agencies working together on the 2600 block of South Trumbull in Chicago. The Cook County State's Attorney's Office was contacted for felony review of this case and approved charges clearing the Home Invasion case by arrest. The suspect was also charged with Aggravated Fleeing and Eluding and Aggravated Driving While License Revoked after he later returned to the scene in an attempt to get back at the female victim. When police officers arrived on the scene he fled in a vehicle from the officers. This case was also cleared by arrest.

JUVENILE INVESTIGATIONS DIVISION REPORT

On November 6, Detective Donohue was advised by a Conant High School assistant principal and a staff member that a juvenile student appeared to be under the influence of an unknown substance. The juvenile student was brought to the nurse's office to be checked for his safety. Once in the nurse's office, the juvenile admitted to smoking cannabis prior to school. The administrator then began speaking to the juvenile student regarding the matter, and the juvenile admitted that he had cannabis on his person. The school administrator took possession of the cannabis and contacted Detective Donohue. The juvenile, a Schaumburg resident, was charged with Possession of Cannabis clearing this case by arrest.

On November 11, Detective Donohue observed a male student walking with a student supervisor swearing and yelling loudly in the hallways of Conant High School. The student was loud enough to disrupt other students and staff in the building. As the student entered the assistant principal's office, he continued to be belligerent and attempted to run out of the office. Detective Donohue was requested by the assistant principal to stop the student from running off and requested he be arrested for disorderly conduct for his actions. Detective Donohue subsequently placed the juvenile, who resides in Roselle, under arrest for Disorderly Conduct clearing this case by arrest.

On November 18, Detective Golbeck approached a crowd of students at Hoffman Estates High School that began to gather in the hallway and observed two male students begin to fight. Detective Golbeck broke up the fight and subsequently arrested the two students for Disorderly Conduct. One offender resides in Hoffman Estates and the other student resides in Streamwood. This case was cleared by arrest.

On November 20, S.R.O. Turman was contacted by the mother of a student who attends Eisenhower Jr. High School and asked him to speak to her daughter about her lack of attendance. S.R.O. Turman had a discussion with the student about the importance of attending school.

On November 21, S.R.O. Turman was assisting with a traffic problem in front of Eisenhower Jr. High School when a motorist dropping off students refused to follow instructions about illegally parking on Hassell Road. The motorist was eventually stopped and cited for several violations of the Illinois Vehicle Code.

On November 21, S.R.O. Turman attended the Afterschoolapalooza event at Eisenhower Jr. High School. This is a celebratory after school event for students as a result of positive behaviors.

On November 25, a Hoffman Estates High School student reported to Detective Golbeck that her Timberland boots were stolen near the gymnasium. Detective Golbeck proceeded to the area, entered the boy's locker room and observed a suspicious student inside the locker room. Detective Golbeck asked the student what he was doing in the locker room. The student stated he had to get something out of his locker. The student opened his locker and Detective Golbeck observed a pair of Timberland boots inside the student's locker. Detective Golbeck asked the student who the boots belonged to and the student stated he did not know. Detective Golbeck recovered the boots, obtained a confession from the offender and subsequently arrested the student for Theft. The offender resides in Chicago. This case was cleared by arrest.

During the month of November at Hoffman Estates High School, Detective Golbeck recovered 17 cell phones and 37 iPads that were returned to students. He also issued 2 truancy citations.

During the month of November at Conant High School Detective Donohue recovered 3 miscellaneous items, 7 cell phones and 26 iPads that were returned to students. He also conducted 8 parent or student consultations and issued 3 truancy citations, 2 home visits, conducted 1 class lecture on law and issued trespass warnings on 4 subjects.

TACTICAL UNIT REPORT

On November 08, Tactical Officer Cawley and Tactical Officer Stoy observed a suspicious vehicle in the Barrington Square Mall near the bowling alley. Upon seeing the police car, the vehicle attempted to leave the area. The vehicle was subsequently stopped at which time the tactical officers discovered one of the occupants in the vehicle was in possession of cannabis and drug paraphernalia. The subject was arrested then transported to the police station where he was processed accordingly.

On November 14, Tactical Officer Cawley and Tactical Officer Stoy initiated a traffic stop on a vehicle on an Area 5 roadway after observing an equipment violation. Investigation revealed the juvenile driver was in possession of cannabis and drug paraphernalia. The juvenile was placed under arrest then transported to the police station where he was subsequently turned over to his parent who was advised of the juvenile procedures.

On November 18, Tactical Officer Stoy and Tactical Officer Cawley, acting on information provided by the Streamwood Police Department, conducted surveillance and subsequently located a local gang member wanted for questioning in a felony criminal damage to property and battery to a police officer by Streamwood PD. The subject was transported and turned over to Streamwood Police Department Officers.

On November 21, the Tactical Unit provided information to the Arlington Heights Police Department Investigation Division identifying a suspect in a robbery in which \$20,000 in jewelry was taken.

On November 22, Tactical Officer Cawley and Tactical Officer Stoy assisted Patrol with a traffic arrest in an Area 2 shopping center. During the investigation Tactical Officers discovered the subject was in possession of cannabis. The subject was processed, charged accordingly with the license and cannabis violation.

On November 23, Tactical Officer Teipel located two subjects sitting in a vehicle in an Area 7 apartment complex smoking cannabis. After initiating an investigation, one of the subjects produced a container of cannabis and turned it over to Officer Teipel. The subject was placed under arrest and transported to the police station where he was processed accordingly.

On November 25, the Tactical Unit located a local gang member who had an active warrant for his arrest at his place of employment. The subject was placed under arrest and transported to the police station where he was processed accordingly.

On November 29, Tactical Officer Teipel initiated a traffic stop on an Area 8 residential street. A subsequent investigation led to the juvenile passenger of the vehicle being charged with Possession of a Controlled Substance (6 grams Psilocybin mushrooms). The juvenile was placed under arrest and transported to the police station where he was processed accordingly and turned over to a guardian.

The Tactical unit is currently working on three ongoing controlled substances investigations.

The Tactical unit is working an ongoing surveillance regarding a possible code violation in reference to an unlicensed residential restaurant.

This month a total of 17 arrests were made.

TRAFFIC SECTION REPORT

The following is a summary of activities for the Traffic Section for the month of November 2014:

On November 4 Officer Lynch made a Criminal Sexual Abuse arrest following an investigation into a suspicious auto parked at Twinbrook Elementary School. A 20 year old male was with a 16 year old female.

On November 13 Sergeant Raucci and Officers Wondolkowski and Wiegert assisted Sergeant Crimmins by taking part in an Infant Abduction Drill at SAMC.

On November 21 Officer Lynch made an Aggravated DWLR arrest. The driver was stopped for speeding on Hassell Road. The driver had a previous conviction for a reckless homicide which lead to his driving privileges being revoked.

On November 29 while investigating a make your own case DUI, Officer Wondolkowski was able to locate the suspect vehicle traveling eastbound on Hassell Road. The vehicle was observed weaving across the center line of the roadway on several occasions. Prior to initiating a traffic stop, the

suspect vehicle rear ended another vehicle at Hassell Road and Kensington Lane. The driver of the vehicle was highly intoxicated and had open liquor in the vehicle. There were also two young children and an infant in the backseat. The driver was arrested for DUI and submitted to a chemical test producing a B.A.C of .244. The driver was also charged with three counts of Child Endangerment.

During the month of November 2014, ASO Dianovsky initiated 4 abandoned vehicle cases and investigated many other cases that did not rise to the level of initiating a report. ASO Dianovsky issued a total of 32 parking citations with the following breakdown: 30 - Parking, 1 - Handicapped; 1 - Fire lane.

During the month of November 2014, the Traffic Section followed up on 24 hit and run or incomplete crashes and 4 stop arm violations.

The Traffic Section made a total of 25 arrests in November 2014. Our YTD total arrests are 290. The Traffic Section made 1 DUI arrest in November, 2014. Our YTD DUI'S are 13.

	NOV 2014	Year-to-Date 2014	Year to Date November 2013
Trucks Investigated: Traffic Section	80	860	854
Truck Fines: Traffic Section	\$1,355	\$42,399	\$19,872

COMMUNITY RELATIONS REPORT

During the month of November, Officer Bending participated in or facilitated the following:

During the month of November, D.A.R.E. classes continued at Thomas Jefferson, Lincoln, St. Hubert's and Timber Trails Elementary schools. Officer Bending held 28 classes throughout the month. Additionally, the classes from St. Hubert's School concluded with their D.A.R.E. graduation ceremony on November 25th.

Officer Bending began to contact principals from Whitely School, Lakeview School and Armstrong School to schedule D.A.R.E. classes for the second half of the school year.

Community Relations:

Officer Bending spoke to approximately 50 preschool and children at the Hoffman Estates Park District Triphahn Center on November 11th, 12th and 13th. Topics discussed with the children included: Stranger Danger, Calling 911, and how to reach out for help if you get lost. The children were given badges, stickers and other give away items.

On November 24 Officer Bending held a presentation for Boy Scout Troop 297. The presentation covered: the dangers of drugs, alcohol and tobacco and various ways to resist peer pressure associated with them. The presentation helped the scouts move one step closer to fulfilling their second class rank requirements.

PROBLEM ORIENTED POLICING REPORT

During the month of November 2014, Officer Barber in the Problem Oriented Policing Unit was involved in the following activities:

P.O.P. had four station tours for approximately 80 people.

P.O.P. met with property managers of several apartment complexes to discuss the calls for service on their property.

P.O.P. conducted five training days for the Police Explorer program.

P.O.P. conducted two Neighborhood Watch meetings for approximately 50 people.

P.O.P. has been assisting a psychologist with a patient who has irrational fears of police officers and police related equipment.

Officer Barber has several open P.O.P. investigations including animal and noise complaints.

Officer Barber attended the 2014 Hometown Hero presentation in Rosemont.

Officer Barber has been preparing for the two weeks of annual in-service training that will be held in December.

SPECIAL /STAFF SERVICES DIVISION REPORT

A number of projects and programs were completed and continued in the Special Services & Staff Services Division during November of 2014. Some of these included:

On November 3 Acting A/C Poulos conducted a planning meeting with I/O Solutions for the preparation of the promotional assessment testing.

On November 5 Acting A/C Poulos attended the Village Sustainability Team meeting.

On November 6 Acting A/C Poulos attended a meeting to coordinate the December Department in service training.

On the week of November 17 Acting A/C Poulos coordinated the Promotional Assessment Testing.

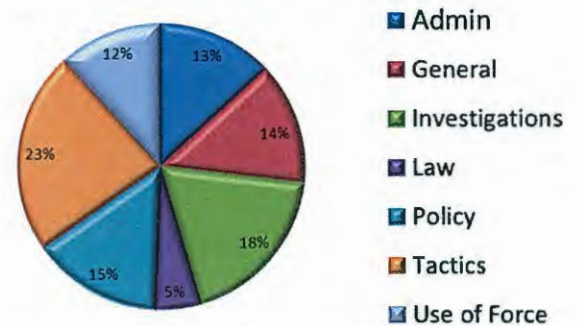

On November 26 Acting A/C Poulos attended Village Training hosted by the HR department for performance evaluations.

Both interns Antonio Maldonado and Garrett Cornman successfully completed their internships with the Hoffman Estates Police Department. They were both given the opportunity to come back in December to assist with "In Service Training Scenarios", and both requested to assist with the scheduled training.

Sgt. Cawley continues to monitor the progress of our two new hires Antonio Garcia and Nathan Parks who are currently attending the Suburban Law Enforcement Academy (SLEA).

Two new Interns were accepted for the spring internship program: Timothy Bong and Cristina Hapanionek.

2014 TRAINING HOURS BY CATEGORY

Training hours for November totaled 483.5 hours which included: 44 hours of Admin, 36.25 hours of General, 94.5 hours of Investigations, 12.5 hours of Law, 21.5 hours of Policy, 238.25 hours of Tactics and 36 hours of Use of Force.

Training provided year-to-date total 9,783 hours.

On November 3rd Lisa Notarnicola, along with Acting Chief Ted Bos, coordinated an Awards night with the Village Board in the Village Hall Atrium, where new recruits were introduced and several awards were presented. Six Explorers were awarded participation medals for their efforts at the National Conference which was held at Indiana State University. Gus Espinoza was awarded a second place medal for the physical fitness competition. Gus earned 2nd place out of over 4600 Police Explorers across the nation. Four Explorers received ribbons for over 100 hours of community service hours. Members of the Explorer Post volunteered over 1000 hours to the Village of Hoffman Estates at different events throughout the year.

EXPLORER POST 806

During the month of November, Lisa Notarnicola participated in or facilitated the following for Explorer Post 806:

On November 5 the Explorers were taught the proper techniques and the laws of search and seizure. There was a hands-on portion of the class where the Explorers were able to practice handcuffing and searching each other.

On November 11 four Explorers assisted with traffic and crowd control at the Veterans Memorial Service held at the Hoffman Estates Police Department.

On November 12 the Explorers were trained in room searches and encountering felony suspects. These types of training prepare the recruits for conferences and their future careers in law enforcement.

On November 19 Officer Barber, Officer Bending, and Lisa Notarnicola instructed the Explorers on Rapid Deployment/ Active Shooter scenarios using the top floor of the Hoffman Estates High School.

ADMINISTRATIVE SERVICES REPORT

ASO Kenost spent a considerable amount of time on general destruction. The on-going project of working with NWCD to get all guns in our possession entered into LEADS was completed. Multiple large cases that were previously closed were disposed of according to departmental procedures. Concentration was placed on larger cases and returning some of that property to its owner(s).

PROPERTY ROOM

Total YTD new items inventoried	1699
Total YTD items sent to lab	288
Total YTD items returned from lab	328
Total YTD items returned to owner	217
Total YTD transfers handled	15,534
Laundered Prisoner Blankets	335

LETTERS OF APPRECIATION

November 26, 2014

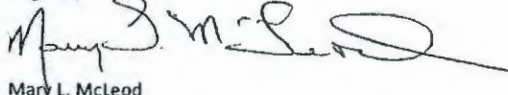

Police Chief – Ted Bos
Hoffman Estates Police Department
411 West Higgins Rd.
Hoffman Estates, IL. 60169

Good Morning,

I want to thank Officer Pat P., (not sure of his last name) for his time this past Monday evening to wait on my behalf for a tow truck. I was trying to avoid hitting a car in front of me on Shoe Factory and Bartlett Road as it was quite icy.

My front passenger tire hit the side of curb which resulted in a flat tire and idling on Bartlett Road with only my emergency lights. It was a relief to see the flashing lights of the car, his time is much appreciated.

Regards,

Mary L. McLeod

On 27 November 2014 Actin Chief Bos receiving an email from District 211 Social Worker Bina Robinson who stated:

“Thank you for sharing Detective Thomas with us this past week. We know that the work of the police is never ending and recognize that time he spent with us is time that was diverted from his other professional responsibilities. At Thursday evening’s presentation on Cyber Safety and Cyber Laws, we had 12 parents and 4 school staff. While that may seem like a small group, it is actually the largest parent turnout that we’ve ever had for an educational workshop. Detective Thomas’s presentation was very well received. Those present appreciated the candor with which he spoke, the examples he provided, and the obvious expertise he has. Detective Thomas spent an additional 30 minutes answering questions and talking with people after the presentation. He was very personable and helped reinforce for our families that the police are allies and partners in keeping their children safe. On a personal note, Detective Thomas’s presentation made me realize how little I know about the way our student’s use the Internet, and how dangerous that ignorance can be. I am really thankful for his presentation and to have him as a resource.”

POLICE DEPARTMENT MONTHLY REPORT

T33
NB5

PATROL DIVISION ACTIVITY REPORT

During the month of December the Patrol Division responded to 1561 calls for service. The following is a brief summary of some of the activities:

On December 02, Officer Kenost stopped a vehicle on Higgins Road near Huntington Blvd. for a minor traffic violation. Upon contact with the driver, Officer Kenost discovered the driver to be overly nervous. Officer Kenost also smelled an excess amount of cologne had been sprayed throughout the vehicle. After getting consent from the driver to search the vehicle, Officer Kenost located a small cannabis pipe and a bag of cannabis in the vehicle. The Hanover Park resident was charged with the cannabis related offenses.

On December 05, Officer Fairall was assigned to a report of a man shot and laying on the side of the road in the area of Bode Road and Evanston Street. Officers responded to the area and were unable to locate any shooting victims. The officers were able to identify the caller through the cell phone from which the call came from. The officers met with the caller and determined that he was highly intoxicated and made a false report via 911. The subject was arrested and charged with Disorderly Conduct.

On December 08, Officers reported to the 1900 block of Cheltenham to conduct an officer standby while the offender in a Domestic Battery case who was out on bond was allowed to pick up belongings per a court order. The order restricted any contact with the victim in this case other than the property pickup. After gathering property the offender was taken to HEPD to await a ride to a relative's house. While at the station the offender contacted the victim via telephone, violating the bond provision of having no contact with the victim. After speaking with the victim the offender was arrested and charged with Violation of a Bail Bond.

On December 21, Officer Laughlin responded to a report of a fight on the 2300 block of Hassell Road. Upon arrival Officer Laughlin met with subjects outside the arena. One of the subjects was run via LEADS to determine if he was wanted on a warrant. While waiting on that information the subject was placed in the backseat of the police car. While Officer Laughlin was talking to the complainant, for the original fight call, Officer Laughlin was advised by a bystander that the subject being detained for the warrant check was attempting to get out of the police car via the window in the seat divider. Officer Laughlin and his partner grabbed the subject before he escaped and handcuffed him. It was determined that there was a valid warrant for Failure to Appear on a State Police DUI case.

On December 22, Officer Petrovich was contacted by the owner of the store on the 800 block of Roselle Road. The owner reported that one of his employees witnessed another employee ring up a false cash return and put the return money in her purse. Officer Petrovich reviewed in-store video and determined that a theft had occurred. Officer Petrovich made contact with the suspect and interviewed her reference this theft case. The employee admitted to the theft as well as three other cases in which she would ring up

Continued page 2

PATROL DIVISION REPORT CONT...

a false return and then take the money and put it in her purse in a break room. As a result of this investigation it was determined that the offender stole at least \$120.00 of cash from the register. The offender was arrested and charged with Theft.

On December 22, Officer Bartolone pulled behind a vehicle that was driving erratically on Higgins Road near Golf Road. When Officer Bartolone got behind the vehicle it began to slow down. The driver got out of the vehicle opened his hood and pretended that he was having car trouble. The license plates had been reported stolen. Upon checking the driver it was determined that the driver was a parolee and driving on a suspended driver's license. The driver had in his possession a straw used for snorting heroin along with heroin. The driver also had over \$2400 in cash. The driver was arrested and charged with drug related offenses and the currency was seized pending a seizure hearing.

On December 25, Officer Fairall was responding to a domestic dispute on the 700 block of Hill Drive. While in route he learned of an active order of protection that had been served on the male involved in the dispute. Officer Fairall was able to locate the subject walking away from the scene. The highly intoxicated offender was held for investigation. When it was determined that the offender was in fact in violation of the Order of Protection he was arrested and charged.

On December 29, Officer Fesemyer stopped a vehicle for a traffic violation on Roselle Road near Des Plaines Lane. Upon contact with the driver, Officer Fesemyer smelled cannabis coming from the vehicle. The driver admitted to having cannabis in the car. Canine Dozer searched the vehicle and hit on the area where the driver said the cannabis was coming from. The driver was arrested and charged with cannabis related offenses.

CANINE UNIT

On December 03, December 10 and December 15, Officer Marak and K9 Dozer attended the DARE Graduations at Lincoln Elementary, Timber Trails and Thomas Jefferson Schools, where they conducted a K9 demonstration for the students, staff and parents.

Officer Marak instructed a course on the use of Dual Purpose Police K9s during In-Service Training for personnel within the Police Department from December 08 through December 19.

Officer Marak and K9 Dozer attended three public relation demonstrations, four vehicle K9 searches, one K9 residence search, one K9 track and two K9 currency sniffs in the month of December. Officer Marak and K9 Dozer assisted in the locating of approximately 243 pounds of cannabis and two stolen firearms, as well as seizing approximately \$31,632.00 USC.

INVESTIGATIONS DIVISION REPORT

On December 1, Detective Penrod was assigned to a theft investigation which occurred in the 800 block of Roselle Road. The 32 year old female suspect who resides in Schaumburg reported that her Narco prescription was stolen from her purse while shopping. Detective Penrod conducted an interview and obtained a confession with the suspect who admitted filing a false police report due to a drug problem. The subject was charged with Filing a False Police Report clearing this case by arrest.

On December 1, Detective Thomas completed a six month fraud investigation for a large local business. There were several incidents when employee payroll direct deposit funds had been deposited onto prepaid debit cards. Detective Thomas subpoenaed documents and surveillance video from financial institutions and retailers and after a six month investigation Detective Thomas was able to identify a suspect who is a former employee of the business and resides in Florida. This investigation was referred to the appropriate law enforcement agency in Florida for further investigation and prosecution closing this case by a referral to an outside agency.

On December 2, Detective Tenuto was following up on this residential burglary report and received a laboratory report from the Illinois State Police which named a possible suspect whose fingerprints were recovered from inside the residence at the time of this incident. Detective Tenuto interviewed the suspect at 3rd District Rolling Meadows Court lockup at which time he admitted to being in the residence but not taking any items of the homeowner. Detective Tenuto conducted a felony review of this case with the Cook County State's Attorney's Office but declined an additional charge for residential burglary because this suspect had already been charged in the case for Possession of Stolen Property. This case remains cleared by arrest.

On December 3, Detective Savage closed a fraud investigation which occurred in the 2000 block of Parkview Circle. The victim reported that their son had volunteered his bank card information to a crew of offenders for a "card crack" scheme, during which an unknown offender made a fraudulent deposit to the victim's account using a counterfeit check.

Detective Savage discovered information that the suspects were part of other outside local investigations. All subjects in the incident were interviewed and the offender was identified. This case was closed and was referred to the Schaumburg Police Department.

On December 8, Detective Savage closed a sexual assault investigation he had been investigating since September. He was assigned to the 1800 block of Jamestown Circle to assist the Department of Children and Family Services. Detective Savage was informed that the complainant's 6 year old daughter had made an allegation against the live-in boyfriend. A forensic interview was conducted at the Children's Advocacy Center of the victim and her two siblings and an extended abuse assessment was completed. There were no further outcries from the victim, and this case was determined to be unfounded.

On December 10, Detective Tenuto was following up on residential burglary report and received a phone call from the victim. The victim advised that he was contacted by his sister-in-law's boyfriend who admitted to stealing the money (\$7,100.00 USC) from the victim's bedroom. The money was returned to the victim who declined to sign a criminal complaint because restitution was made. This case is exceptionally cleared.

On December 30, Detective Tenuto conducted follow up on a theft report. In this case, the victim had his wallet taken after meeting with a female subject. The offender also later called the victim and threatened to go to the police and make a false report claiming that she was sexually assaulted unless the victim paid her \$2,500. With the assistance of Detective Thomas, the offender was identified by open source Internet searches. The suspect was contacted and agreed to come into the station for an interview. Detective Tenuto conducted an interview with the suspect who made an admission to the theft. Felony Review was conducted with the Cook County State's Attorney's Office who responded to the station. During that interview the victim changed his mind with pursuing felony charges. The offender was charged with misdemeanor Theft and Harassment by Telephone clearing this case by arrest.

JUVENILE INVESTIGATIONS DIVISION REPORT

On December 1, S.R.O. Turman was called to John Muir School for a report of a student that fled from the school and was being pursued by school staff. He immediately went to the home of the student because he was familiar with the student from prior incidents. S.R.O. Turman recovered the student as she sat on top of a fence while trying to flee from staff. The student was brought to the station and a meeting with a representative from the Kenneth Young Center took place. The student was immediately taken to an in-patient program directly from the police station by a private ambulance.

On December 2, S.R.O. Turman attended a safety committee meeting at Armstrong School to discuss procedures for school safety and other safety concerns.

On December 17, Detective Donohue was advised by a Conant High School assistant principal of a drug deal which had taken place in one of the bathrooms of the school. A student supervisor randomly walked into a bathroom and observed two male juvenile students passing a plastic bag with green plant material, suspect cannabis. When the student supervisor observed this he brought the students to come to the office. An assistant principal then interviewed both subjects regarding the matter who then requested that the student who transported the cannabis onto school grounds be arrested. The male offender, a Schaumburg resident, was charged with Manufacture/Delivery of Cannabis on School Grounds clearing this case by arrest.

On December 17, Detective Donohue was advised by an assistant principal at Conant High School of an incident which occurred outside his office in the common area. While he was speaking with a juvenile student regarding an incident, another female student ran to his door and began yelling to the student who he was speaking with that if he talked about another incident, the female was going to "kill him" loud enough to disturb the other people in the common area. Based on her actions the assistant principal requested that the female juvenile student was taken into custody for disorderly conduct. The female juvenile, a

Schaumburg resident, was charged with Disorderly Conduct clearing this case by arrest.

On December 17, Detective Donohue was advised by a Conant High School assistant principal of an incident which occurred in the parking lot involving a juvenile student and his vehicle. While discussing the incident with the juvenile student, the juvenile admitted to the administrator that there was drug paraphernalia in his vehicle. Detective Donohue and the school administrator accompanied the juvenile to his vehicle and recovered drug paraphernalia. The juvenile suspect, a Roselle resident, was charged with Possession of Drug Paraphernalia clearing this case by arrest.

On December 18, S.R.O. Turman attended a School Resource Officer and Administrator meeting at Helen Keller Jr. High School to discuss safety and security issues within the district.

On December 19, Detective Golbeck was advised of a physical altercation between two male juvenile students in the hallway. Detective Golbeck located both students and brought them to the administration office for further investigation. School administrators advised Detective Golbeck that they wanted the offenders arrested for causing a disturbance in the school. Detective Golbeck arrested the students clearing this case by arrest.

During the month of December, Detective Donohue recovered 37 iPads, 6 cell phones, and 1 iPod were returned to Conant High School students. Detective Donohue took part in 2 parent consultation, 4 student consultations, and issued 2 truancy tickets.

During the month of December Detective Golbeck recovered 29 cell phones and 44 iPads that were returned to Hoffman Estates High School students. He also issued 6 truancy citations, 1 smoking citation and issued 1 social service referral.

TACTICAL UNIT REPORT

On December 01, Tactical Officer Teipel initiated a traffic stop on a vehicle after observing an equipment violation. The investigation led to the recovery of a missing juvenile who was transported back to the police station while the other occupants in the vehicle were allowed to leave from the traffic stop. At the police station an agent from the FBI contacted Tactical Officer Teipel and advised the recovered missing juvenile was involved in a human trafficking investigation. The details of the case were turned over to the FBI agent and the investigation is currently ongoing. The missing juvenile was turned over to her mother who was advised of the situation.

On December 03, Tactical Officers Teipel, Cawley and Stoy initiated a narcotics investigation in an Area 3 apartment complex after receiving information that cannabis sales were taking place in the building. The tactical officers were able to identify the suspect residence involved with the narcotics sales. The investigation led to the tactical officers coming into contact with two subjects who had exited the residence. One subject was found to be in possession of cannabis while the other subject was found to have sold the cannabis to the subject in possession of cannabis. Both subjects were arrested and transported to the police station where they were charged accordingly and bonded.

On December 04, Tactical Officer Cawley and Tactical Officer Stoy assisted Patrol with a narcotics investigation that began during an area 6 apartment complex assist to the fire department with a suicidal subject. The subject who was going to be transported to the hospital for treatment was found to be in possession of a felony amount of cannabis discovered before transport. The subject was transported to the hospital for treatment where a police hold was placed on her upon her release. Upon her release she was turned over to the tactical officers and charged accordingly with the felony Possession of Cannabis. The subject a juvenile was released to a family member who was advised of the juvenile procedures.

On December 12, Tactical Officer Stoy received information from a Barrington Police Department Detective which indicated a subject wanted on a felony Hoffman Estates warrant was probably residing in an apartment in Cary Illinois. Sgt. Scaccianoce, Tactical Officer Cawley and Tactical Officer Stoy went to the address in Cary where surveillance was initiated on the residence. While conducting surveillance the Tactical Officers observed the target of the investigation inside the residence. Tactical Officers were able to make contact with the subject who turned himself over to Officers without resistance. The subject was transported to the police station and charged accordingly on the felony warrant.

On December 17, Tactical Officer Teipel, Stoy and Cawley initiated a gang graffiti investigation in an area 3 apartment building after recent graffiti was located in the buildings and surrounding areas outside. Tactical Officers were able to obtain suspect information and located one juvenile suspect who was transported to the police station after speaking with the juvenile's mother. Pursuant to the investigation Tactical Officer Teipel spoke to the subject who admitted to his involvement with the damage to the properties. The subject was turned over to his mother who was advised of the juvenile procedures. Investigation is ongoing.

On December 29, the Tactical Unit received information from patrol that indicated narcotics transactions may be taking place in an area 2 residence. Tactical Officer Teipel set up surveillance on the residence. Suspicious activity occurred involving a vehicle that had arrived and left the area after a brief time. The vehicle was eventually pulled over at which time the driver was subsequently arrested for Possession of Drug Paraphernalia. The subject was transported to the police station where he was processed and bonded. The investigation on the residence is currently ongoing.

TRAFFIC SECTION REPORT

The following is a summary of activities for the Traffic Section for the month of December 2014:

On Saturday, December 20, 2014 Officer Wiegert observed a "man slumped over the wheel" on E/B Shoe Factory at Rt. 59. After waking the subject up, the subject took off after numerous warnings from Officer Wiegert not to do so. The subject was identified and eventually turned himself in on "fleeing and eluding" and "disobeying a police officer" charges.

On December 23, 2014 Officer Falkenberg arrested a subject for driving 85 MPH in a 40 MPH zone.

The KCAT Unit recovered a stolen Mercedes Benz worth \$100,000 and arrested its two occupants.

Both subjects were charged with Possession of a Stolen Motor Vehicle. They also recovered other stolen vehicles worth approximately \$900,000.

During the month of December 2014, ASO Dianovsky initiated four abandoned vehicle cases and investigated many other cases that did not rise to the level of initiating a report. ASO Dianovsky issued a total of 40 parking citations with the following breakdown: 33 - Parking, 2 - Handicapped; 5 - Fire lane.

During the month of December 2014, the Traffic Section followed up on eighteen hit and run or incomplete crashes and four stop arm violations.

The Traffic Section made a total of fifteen arrests in December 2014. Our YTD total arrests are 303. The Traffic Section made 0 DUI arrests in December, 2014. Our YTD DUI'S are 14.

	<i>December 2014</i>	<i>Year-to-Date 2014</i>	<i>Year to Date December 2013</i>

COMMUNITY RELATIONS REPORT

During the month of December, Officer Bending participated in or facilitated the following:

During the month of December, D.A.R.E. classes continued at Thomas Jefferson, Lincoln, and Timber Trails Elementary schools. Officer Bending held nine classes throughout the month. Additionally, all three schools ended the D.A.R.E. Program with their graduations. The graduations were attended by many members of the Village. Mayor McLeod, Trustee Stanton, Trustee Gaeta, Clerk Romanoff, Acting Chief Bos, Officer Marak and his K-9 partner Dozer, all joined in the celebrations.

Community Relations:

On Sunday December 14th, Officer Bending hosted Cub Scout Pack 399 at the Hoffman Estates Police Department for a department tour. The kids learned about what it's like to be a police officer and were shown the various equipment used by a police officer. During the tour, the kids particularly enjoyed the lock up area and hanging out in the NIPAS EST Bearcat.

On December 18th, Officer Bending hosted an American Heart Association CPR recertification course. Several members of the Hoffman Estates Police Citizens Academy Alumni Association attended the class as their current certifications were expired.

- Cub Scouts
- Girl Scouts workshop
- Computer classes
- Children's Art Class

"Happenings at the CRC"

- Library Literacy
- Adult ESL classes
- Scout Reach Program
- Promise to Play
- Teen Center activities planned

PROBLEM ORIENTED POLICING REPORT

During the month of December 2014, Officer Barber in the Problem Oriented Policing Unit was involved in the following activities:

- P.O.P. had four station tours for approximately 20 people.
- P.O.P conducted two training days for the Police Explorer program.
- P.O.P was assigned three new dog bite reports, none of which meet the criteria for a vicious animal per the Hoffman Estates local ordinance.
- P.O.P. continues to assist a Psychologist with a patient who has irrational fears of police officers and police related equipment.
- Officer Barber has several open P.O.P. investigations including animal and noise complaints.
- Officer Barber conducted two weeks of annual In - Service training.
- Officer Barber attended the Shop-With-a-Cop Event.
- Officer Barber attended two days of training for the new probationary police officers.

SPECIAL /STAFF SERVICES DIVISION REPORT

A number of projects and programs were completed and continued in the Special Services & Staff Services Division during December of 2014. Some of these included:

Sgt. Cawley attended eight hours of training on Evidence and Property Management for Command Staff at the College of DuPage.

Completed In - Service training for all sworn officers consisting of training on IBD's, tourniquets, perimeter and K9 training, General Order #RP-13 (Infant Abduction from St. Alexius Medical Center), Hazmat, Bloodborne Pathogens, and scenario based training incorporating these learning points.

Hired new Probationary Officer Phillip Giacone on December 22, 2014.

Sgt. Cawley attended the graduation from the SLEA Police Academy for new probationary officers Antonio Garcia and Nathan Parks.

The three new probationary officers started the Hoffman Estates mini training academy on December 22, 2014 consisting of training and certification on Use of Force tactics which included handcuffing, searching, ASP/Baton, OC Spray, Less Lethal Force, and Firearms. The firearms training

consisted of qualifying the officer with their duty weapon and rifle, on both the Hoffman Estates Qualification Course and the State Qualification Course.

Sgt. Cawley attended training and worked with the investigations division on new policies for photo lineups in compliance with the new law to start January 1, 2015 (725 ILCS 5/107A-2).

Training hours for December totaled 1443 hours which included: 125.75 hours of Admin, 505.75 hours of General, 37.25 hours of Investigations, 19.5 hours of Law, 151 hours of Policy, 534.75 hours of Tactics and 69 hours of Use of Force.

Training provided year-to-date total 12180.25 hours.

EXPLORER POST 806

During the month of November, Lisa Notarnicola participated in or facilitated the following for Explorer Post 806:

On Wednesday, December 3rd, Lisa Notarnicola coordinated surveillance training for the Explorers with the Woodfield Mall Security. The Explorers received a photo of the target and did a great job following him and gathering intelligence information.

On Wednesday, December 10th the Explorers had training on Domestic Violence at the police station. A classroom portion on policy, procedures, report writing and the law were discussed.

Scenarios were played out by teams of four Explorers. The domestic training will benefit the Explorers for the upcoming competitions this summer.

On Saturday, December 13th, Lisa Notarnicola coordinated a schedule for the Explorers to help with the Shop with a Cop event. This event is a very rewarding experience for the young adults who each mentor an underprivileged child in our community. Fifteen Explorers attended and expressed it was a humbling experience.

SHOP WITH A COP 2014

On Saturday December 12, 2014 the Hoffman Estates Police Department held the Annual Shop with a Cop event. The goal is to provide gifts to those children that are in need and provide them with a positive and compassionate experience with a police officer. This year, 52 children's lives from the community were impacted from Shop with a Cop. This event is made possible through fundraising sponsored by the Hoffman Estates Police Charitable Foundation in cooperation with donations from local businesses. A special thanks to the Hoffman Estates Target Store, the Chicago Marriott Northwest, Hilton Garden Inn, America's Bar, the Hoffman Estates Chamber of Commerce, Minuteman Press, Barnes & Noble, Giorgio's Pizza, Hair Cattery, Buffalo Wild Wings, Ross, Sensient, McDonalds, Starbucks, Dunkin Donuts, Marianos, Toys for Tots and Sweet Spot, The kids really enjoyed the day and it was a success thanks to the 22 Hoffman Estates Police Officers, 1 Inverness Police Officer, 13 Police Explorers, 4 EMA personnel and numerous HEPPA volunteers who donated their time to make a difference in a child's life.

GROWING TO GREATNESS

To: James H. Norris, Village Manager

DEPARTMENT OF HEALTH AND HUMAN SERVICES

MONTHLY REPORT

November 2014

Prevention and Wellness

HHS was recognized by School District 54 for our participation in the School and Community Partnership Program. HHS has two psychoeducational groups (Lion's Pride and Real Girls – Real Talk) that run at Muir Elementary. Representatives from the school district spoke about the positive impact the groups have had on the growth and socio-emotional development of its participants.

HHS continues to be a very competitive training site for graduate students in psychology. We provide a one-year long, forty hour per week, pre-doctoral internship that provides 2000 hours of formal training in clinical psychology, community outreach, and prevention. The pre-doctoral internship year is required training for the completion of a Doctoral Degree in Clinical Psychology. This year the Department has received 65 applications for the two internship positions available for the 2015 – 2016 training year.

During the month nursing staff provided 170 flu vaccinations, 106 children's vaccinations, 3 TB tests, 6 Cholestech tests, and 104 preventative screenings. 593 vision and hearing screenings were also completed.

HHS staff, in conjunction with the Hoffman Estates Park District, continues to provide youth services at Vogelei Teen Center. The Teen Center provides a safe environment for youth to gather during the afterschool hours. Average attendance during the month was 10 youth per night. Nursing staff conducted a workshop on healthy eating and exercise at the teen center, 14 youth attended.

Real Girls – Real Talk and Lions Pride continued at John Muir elementary school. Both groups focus on increasing self-esteem, development of a healthy body image, increasing leadership skills and prevention of bullying behaviors. .

Treatment and Crisis Response

Currently, HHS clinical psychology staff has 62 active clients. During the month 135 hours of individual counseling, 8 hours of couples counseling, and 5 hours of family counseling were completed. Three intake appointments were scheduled and completed.

HHS continues to volunteer for the Salvation Army and provide Salvation Army Emergency Assistance to Hoffman Estates' families in need. Salvation Army funding is available to assist Hoffman Estates residents who are experiencing a temporary or unexpected financial crisis. This fund provides limited financial support to families who show a financial need due to an unexpected emergency (i.e. insufficient funds for rent or past due utility bill). Staff meets with each client for approximately 45 minutes to assess the need for additional services. Two residents requested and received assistance this month.

HHS Commissions/Committees/Additional Activities

Algean Garner attended the Commission for Seniors Monthly meeting on November 11, 2014.

Algean Garner attended the Commission for Disabled Residents on November 20, 2014.

Monica Saavedra attended the Youth Commission Monthly meeting on November 20, 2014.

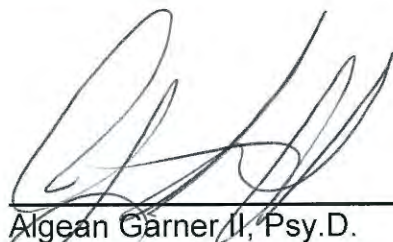

Teresa Alcure and Catherine Dagian attended the Municipal Nurses Meeting on November 5, 2014.

Drug/Sharps Collection

During the month, HHS staff collected **40** containers of sharps and **220** containers of expired medications through the pharmaceutical and sharps collection program.

NCL- Discount Prescription Drug program (November, 2014)

Total # of prescriptions:	13
Total dollars saved:	\$ 52.11
Average dollars saved:	\$ 4.01
Average Savings:	8.3%

DEPARTMENT OF HEALTH AND HUMAN SERVICES

MONTHLY REPORT

December 2014

Prevention and Wellness

On December 16, 2014 staff from Health & Human Services, the Hoffman Estates Police Department, Fire Department, and Code Enforcement Department helped co-facilitate the CRC annual Holiday Party at Village Hall. 105 families from the community attended the event. All participants were treated to food, music, entertainment and gifts from Santa and Mrs. Claus.

HHS in collaboration with Life Source hosted a winter employee blood drive on December 12, 2014. 32 donations were received. These donations can potentially save the lives of 96 people.

During the month nursing staff provided 58 children's vaccinations, 3 TB tests, 4 Cholestech tests, and 88 preventative screenings. 33 vision and hearing screenings were also completed.

HHS staff, in conjunction with the Hoffman Estates Park District, continues to provide youth services at Vogeley Teen Center. The Teen Center provides a safe environment for youth to gather during the afterschool hours. Average attendance during the month was 10 youth per night. The Youth Commission hosted a Holiday party for the teens on December 18. The commission members provide a Christmas tree, gifts, games, and refreshments.

Robin Palmissano conducted a presentation at Muir elementary for parents on how to help their children cope with grief and loss. Eight parents attended.

Dr. Monica Saavedra reviewed internship applications and selected 28 of the 65 applicants for interviews. Interviews are schedule for January 6th and 13th.

Treatment and Crisis Response

Currently, HHS clinical psychology staff has 62 active clients. During the month 165 hours of individual counseling, 5 hours of couples counseling, and 6 hours of family counseling were completed. Four intake appointments were scheduled and completed.

HHS continues to volunteer for the Salvation Army and provide Salvation Army Emergency Assistance to Hoffman Estates' families in need. Salvation Army funding is available to assist Hoffman Estates residents who are experiencing a temporary or unexpected financial crisis. This fund provides limited financial support to families who show a financial need due to an unexpected emergency (i.e. insufficient funds for rent or past due utility bill). Staff meets with each client for approximately 45 minutes to assess the need for additional services. One resident requested and received assistance this month.

HHS Commissions/Committees/Additional Activities

Algean Garner attended the Commission for Seniors Monthly meeting on December 9, 2014.

Algean Garner attended First Friday on December 5, 2014.

Algean Garner attended the Commission for Disabled Residents on December 18, 2014.

Monica Saavedra attend the ACEPT training meeting on December 5, 2014.

Catherine Dagian attended the Physician Advisors meeting on December 15, 2014.

Catherine Dagian attended the Take Charge of your Health facilitator's training on December 15, 2014.

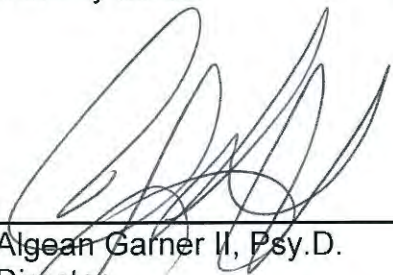

HHS staff attended the Mayor's Holiday Open House on December 12, 2014.

Drug/Sharps Collection

During the month, HHS staff collected **40** containers of sharps and **145** containers of expired medications through the pharmaceutical and sharps collection program.

NCL- Discount Prescription Drug program (December, 2014)

Monthly Report

**November
2014**

**VILLAGE OF HOFFMAN ESTATES
EMERGENCY MANAGEMENT AGENCY**

Below are activities for Emergency Management Agency (EMA) and the EMA Auxiliary Employees for the month of November, 2014:

EMA instituted new time sheets with the ICS 214 unit log sheet format on the reverse side. This time sheet will allow for tracking of time and special occurrences on EMA events within the guidelines of a NIMS event.

Vehicle check sheets were developed and instituted for the two EMA vehicles. The check sheets will help to track vehicle maintenance issues and equipment accountability.

EMA Activations

- EMA members assisted with traffic and parking lot control when Hoffman Estates High School hosted the Illinois State High School Soccer Playoffs. 58.5 man hours were logged.
- Ground Search Training was put to use when the Illinois Ground Search and Rescue Council requested trained teams to assist with a search for a missing male in the Cook County Forest Preserve area in Palos Heights. EMA member Leigh Bartkowiak led a search team, while EMA members Chris Milford, Peter Balingit and Mike Boomgarden were assigned to other search teams. Unfortunately, the search was unsuccessful. 44 man hours were contributed to the search effort.

Preparedness

Training:

- Bob Langsfeld hosted the Em Comm Roundtable amateur radio meeting at the Police Department. Operation Shaker and the Cantigny Event After Action and Improvement Plans were discussed with Ham Radio Operators from the area. Recommendations were made for training needs in 2015, particularly Narrow Band Emergency Messaging and Winlink 2000 digital mode workshops. Discussion was also held on voice net control operators needing more experience.
- Bob Langsfeld attended the Lake/Cook Regional Critical Incident Partnership meeting. There was a presentation on Air One's capabilities and a talk by Colonel Morgenthalen on leadership.
- Bob Langsfeld attended the Cook County Department of Homeland Security and Emergency Management Leadership Workshop at University of Chicago and a Leadership in Health Emergencies lecture.
- Bob Langsfeld and Leigh Bartkowiak attended a Live Wire Power Line demonstration at the Schaumburg Fire Department, hosted by Cook County Department of Homeland Security and Emergency Management.
- Mike Boomgarden completed online FEMA Independent Study classes ICS 100 b and ICS 200 b.

Ted S. Bos
Acting Chief of Police

Monthly Report

**December
2014**

**VILLAGE OF HOFFMAN ESTATES
EMERGENCY MANAGEMENT AGENCY**

Below are activities for Emergency Management Agency (EMA) and the EMA Auxiliary Employees for the month of December, 2014:

The Village of Hoffman Estates EMA completed all of the requirements of the IEMA Act and Administrative Code and successfully applied for Accreditation. The Village EMA was awarded a Certificate of Accreditation effective October 1, 2014 to September 30, 2016.

EMA members assisted with the Annual Shop with a Cop event.

EMA Activations

- EMA members assisted with securing the area around a down power line near Jones and Hassell Road, by Eisenhower School, while students were being dismissed.
- Bob Langsfeld transported the Cook County Traffic support trailer to Oakton Community College, at the request of Cook County DHSEM.

Preparedness

Training:

- Bob Langsfeld attended the monthly NIEMC meeting in Wauconda. He will be hosting the next meeting at the Police Department in the EOC.
- EMA members attended an Ebola Exercise conducted by the Hoffman Estates Fire Department. EMA member Mike Boomgarden volunteered to be an actor/patient for the drill.
- Bob Langsfeld completed IEMA's classroom Jurisdictional Threat Hazard Information Risk Analysis and Homeland Security Emergency Exercise Planning training.
- Bob Langsfeld completed FEMA's independent study Class IS-702NIMS and Public Information Systems training and IS-703 NIMS Resource Management.
- EMA member Mike Boomgarden completed FEMA's independent study Class IS-700 Incident Management training.
- Bob Langsfeld and other EMA members are planning on hosting a Leadership Workshop for Northern Cook County in March. Leading through Crisis is a four-hour workshop that provides local officials with crisis leadership skills and strategies on how to successfully plan for, respond to, and recover from both man-made and natural disasters. Capturing and integrating lessons learned from recent case studies, the course features professionally produced multimedia, live video interviews of county and local officials and blended learning components led by seasoned instructors and subject matter experts from across the spectrum of homeland security, emergency and crisis management. The workshop is an excellent opportunity for senior officials and department heads to attend.

FIRE DEPARTMENT MONTHLY REPORT

December 2014

This month's activities resulted in the Fire Department responding to 508 calls for service, 364 incidents were for emergency medical service, 112 incidents were suppression-related, and 26 were mutual aid to other fire departments.

Emergency Incidents of Interest for December

12/2/14 - #14-5533 - 1075 Knoll Ln. (Code 3)

Companies responded to the above address for the report of a code 3, alarm sounding and smell of smoke. Upon arrival Engine 21 took command with nothing showing and investigated. Investigation found an occupant in unit 201 who stated he could hear a beeping sound from his unit and could smell smoke. Engine 21 and Ambulance 21 investigated the unit above and below 201 and found the beeping and the smell coming from unit 101. No one was home, entry was made through a patio door. We found the fire alarm sounding due to a pot of beans on the stove that was burning. The pot was removed to the outside, stove turned off, and the smoke was removed with a fan. Building maintenance was notified and on the scene, the apartment was secured and a Fire Department entry door hanger was left.

12/8/14 - #14-5649 - 1496 Della Dr. (Code 4)

Engine 22, Truck 22, Squad 22, Battalion 6, Engine 21, Engine 23, Ambulance 23, Engine 24, 600, 601, 602, Engine 33, Ambulance 33, Ambulance 36, and a Carpentersville ambulance responded to report of a deck on fire. While enroute, NWCD dispatch notified us that the whole back of the house was on fire. Battalion 6 upgraded the incident to a Code 4. Command was also informed by NWCD that Police Department confirmed that everyone was out of the residence.

Upon arrival, Battalion 6 became Command with heavy fire shooting through the roof. Police Department did have the resident of the burning structure in the back of the police car who required medical attention and was transported by Ambulance 33 to the hospital. The resident also informed us that her dog was still inside. A walk-around revealed heavy fire on the first and second floor, as well as the attic and some fire in the basement. Command relayed to all units that the firefight would be an exterior defensive fight.

Engine 22 and Squad 22 pulled a 2.5" pre-connect to the rear of the house and started attacking the fire. Engine 22's driver initially sent tank water and then secured a permanent water supply. Engine 21 used the 2.5" line from the standard lead-out to attack the fire, also from the rear. Truck 22 initially assisted Engine 21 with deploying their line then they set up the truck (with Ambulance 23) for master stream operations. Engine 24 supplied Truck 22 with its water supply. After master stream operations stopped, Engine 24 went outside to extinguish hot spots, ventilation, and later overhaul the outside rear of the home. Truck 22 then completed a secondary search. Engine 23 later took over as Interior from Engine 24, continuing to perform overhaul and extinguishing of hot spots. Ambulance 36 and Engine 33 were RIC and a Carpentersville ambulance was staged. The fire was under control at 1319 hours.

The chiefs on the scene were 600, 601 as Operations, and 602 as Safety. Com Ed and NICOR both came to the scene and shut off the utilities. The change of quarters companies were as follows: Elk Grove E-10 to Station 21, Hanover Park A-381 to Station 22, a Barrington engine to Station 23, and Elgin E-1 to Station 24.

The State Fire Marshal assisted 613, FF's Campbell, Ganziano, and Northrup with the fire investigation, which is currently ongoing. Note: Unfortunately, the resident's dog could not be found in the house

Damage was estimated to be in excess of \$700,000.00

12/27/14 - #14-5961 - 1776 Highland Blvd. (Code 3)

Personnel responded for the reported outside fire. On arrival, Engine 21 found a storage shed in the rear yard on fire. The fire was extinguished using a preconnected hose line from Engine 21. Truck 22 assisted with overhaul activities. The fire caused damage to the overhead power lines to the home. Because of this, Com-Ed was notified. The shed was being used by the homeowner to protect tortoises from the extreme cold. One tortoise did not survive injuries sustained and one was injured. The homeowner made arrangements for medical care. The fire remains under investigation.

Mutual & Auto aid incidents:

12/17/14 - #14-5793 - 930 Bode Rd. - Schaumburg (Code 13)

Truck 22 responded into Schaumburg for a fire in the bathroom. Upon arrival, Truck 22 completed forcible entry into an adjacent unit to check for extension.

On the following pages is an overview of activities and emergency responses for the month of December.

Jeff Jorian
Fire Chief/ch

OPERATIONS DIVISION

During the month of December, the following operational issues took place:

- One firefighter remains on PEDA Leave as a result of an IOD back injury.
- One firefighter remains on Light Duty as a result of an on-duty shoulder injury.
- One firefighter on extended sick leave due to off-duty back injury.
- One firefighter on Light Duty related to an off-duty rib injury.

ADMINISTRATIVE DIVISION

- Chief Jorian participated in the following events during the month:
 - Attended the Holiday Breakfast host by Northwest Community Hospital for their EMS System.
 - Participated with several others in the cooking of a wonderful breakfast for the Village Blood Drive.
 - Attended the Mayor's Open House.
 - Attended the Northwest Community Hospital unveiling of their new EMS Wall in recognition of all of the agencies who have helped build this system over the years.
 - Attended the graduation ceremony of our three new Probationary Firefighters from the NIPSTA Fire Academy.
 - Had the honor of being served a delicious cup of coffee at the Apple Villa restaurant, which was poured by Mayor McLeod!
 - Attended the Holiday Skate with my family at the Sears Centre Arena.
- Deputy Chief Schuldt participated in the following events this month:
 - Attended Tollway Incident Management class at Station 22 put on by the Illinois Tollway Department.
 - Attended the Holiday Breakfast hosted by Northwest Community Hospital for their EMS System.
 - Attended the Mayor's Annual Open House.
 - Attended the graduation ceremony of our three new Probationary Firefighters from the NIPSTA Fire Academy.
 - Attended the MABAS Division 2 Chiefs Meeting/Luncheon.
 - Attended Officer Simulations Training at Station 22.
 - Attended USDD Phoenix G2 Mobil Application rollout at Fire Administration.
- Assistant Chief Mackie participated in the following events during the month:
 - Attended EMS case reviews class at Station 22 with Doctor Johnson.
 - Attended Tollway Incident Management class at Station 22 put on by the Illinois Tollway Department.
 - Attended the Holiday Breakfast host by Northwest Community Hospital for their EMS System.
 - Attended the Mayor's Annual Open House.

- Attended the graduation ceremony of our three new Probationary Firefighters from the NIPSTA Fire Academy.
- Attended a MABAS Training Officer Meeting in Rolling Meadows.
- Attended MABAS Division 2 Holiday Lunch.
- Attended Officer Simulations Training at Station 22.
- Attended USDD Phoenix G2 Mobil Application rollout at Fire Administration.
- Attended Shift Training Coordinators meeting at Station 22.
- Attended Boot Camp Live Fire training at NIPSTA.
- Attended a MABAS Division 1 training officer meeting to review the new positions.

During the month of December, the following public education activities took place:

CLASSES		
Date	Location	Description:
12/03/14	Timber Trails School	School Programs- 25 adults, 450 kids. FF'S Reich, Clarke
12/10/14	Lakeview School	School Program- 36 adults, 580 kids. Lt. Richter, FF Reich
12/13/14	Station 24	CPR- Heartsaver AED class. 6 students -Lt. Richter

ACTIVITIES	
Date	Event:
12/16/14	Lt. Mangiameli attended and handed out Fire Safety Material for Community Resource Center Annual Holiday Party- 40 kids- 25 adults

Note: In December of 2014, the Hoffman Estates Fire Department educated **1070** children and **92** adults in fire safety. The Fire Department also gave out **6** smoke detectors.

DECEMBER TRAINING

Outside Training:

- Firefighter Bebe attended Rope Operations class in Romeoville, December 1-5, 2014.
- Firefighter Zito attended Fire Prevention Principles class at NIPSTA, December 1-5, 2014.
- Captain Buckel attended NIMS ICS-300 class at NIPSTA, December 8 & 9, 2014.
- Firefighters Fijalkowski & Schmitt attended Leadership 2 class in Romeoville, December 8-12, 2014.
- Firefighter Pearson attended Situational Awareness Matters class in Glenview, December 15, 2014.

In-house Training:

- EMS case reviews with Doctor Johnson – coordinated by A/C Mackie.
- MABAS Dive training / Mustang suite – coordinated by Capt. Hartman.
- Officer Development Simulations – coordinated by B/C Bosco.

Company training (Instructed by the Captains and Lieutenants):

- Building familiarization through pre-plan review and building visits.
- Department and NWC EMS policy reviews.
- Department on-scene skills training and basic skills.

Total training hours for the month of December for all members were 3,771.

1 st Quarter	2 nd Quarter	3 rd Quarter	4 th Quarter	December	Total Hours YTD
