NEW BUSINESS

- 1. Request approval of an ordinance amending Sections 8-2-1 and 8-8-15 of the Village of Hoffman Estates municipal code pertaining to the licensing and operation of Pet Shops and Kennels.**

An item summary sheet from Jim Norris was presented to Committee.

Mr. Norris provided background on Cook County Ordinance standards regarding pet sales and a lawsuit filed against the County. The Village is the only community left with the only Pet store left within this lawsuit.

Mayor inquired if the Village should wait for the lawsuit to be resolved. Mr. Norris provided comments on the process.

Trustee Stanton noted a minor correction to be made on page 2. Mrs. Cross provided comments on the County's open lawsuit.

Mr. Dan Star, the owner of Petland in Hoffman Estates, commented on the ordinance requirements and indicated it would be very easy for their businesses to fully comply. He also noted that most of the ordinance requirements are already being conducted.

Mr. Norris and members of the board discussed the signing and display of disclosure documents made available to people purchasing pets. Mr. Star indicated these forms are currently offered to purchasers and are visible to all customers.

Mr. Norris suggested the Board ask the pet shop to maintain these disclosure records. Mr. Star indicated the store already keeps these types of records.

Mr. Janura, Mrs. Cross, Mr. Norris and board members discussed potential wording for revision of the Village ordinance. Mr. Norris suggested final wording. Mr. Star accepted the suggested wording and provided additional information on the types of documents provided to purchasers.

Motion by Trustee Stanton, seconded by Trustee Pilafas, to amend Sections 8-2-1 and 8-8-15 of the Village of Hoffman Estates municipal code with revisions as discussed pertaining to the licensing and operation of Pet Shops and Kennels. Voice vote taken. All ayes. Motion carried.

Motion by Mayor McLeod, seconded by Trustee Stanton to approve the ordinance as amended. Voice vote taken. All ayes. Motion carried.

2. Request acceptance of the Police Department Monthly Report.

POLICE DEPARTMENT MONTHLY REPORT

July
2016

PATROL DIVISION ACTIVITY REPORT

During the month of July the Patrol Division responded to 1968 calls for service. The following is a brief summary of some of the activities:

On 09 July Officer Zboril was assigned an attempt to locate report in the 1200 block of New Britton Drive. The complainant related that he had a family member visiting from out of the country. The visiting family member, who spoke very little English, was last seen at the above location on 08 July prior to wondering away. While talking with the complainant, Officer Zboril was informed that the Barrington Hills Police Department located the missing person wandering around making suicidal statements. She was transported to the hospital for treatment.

On 09 July Officers Garcia and Lopez were dispatched to the 500 block of Glendale Lane reference a fight in progress. When officers arrived they observed several female subjects fighting in the street. Officer Lawrence also arrived and assisted. The subjects were separated and HEPD officers conducted an investigation. HEPD officers learned that the above subjects got into an argument over social media. The involved parties agreed to meet in person and continued to argue. As a result, a fight broke out. A Rockford resident and a Hoffman Estates resident were taken into custody for Battery.

On 11 July Officer Theoharis was dispatched to the 1500 block of N. Barrington Road reference a battery report. It was reported that a subject was being combative with medical and security staff. Prior to police arrival, the offender was asked to submit to medical testing. The subject refused and fought with medical staff and punched security personnel. After conducting an investigation, Officer Theoharis contacted felony review and received approval for Aggravated Battery in this case. The offender, who is an Arlington Heights resident, was charged accordingly.

On 12 July Officer Kenost was dispatched to the 1700 block of Queensbury Drive for an aggravated assault. It was reported that a person riding a bicycle rode past several children playing and pointed a gun at them. The person pointing the gun was singing a "rap song" including words about shooting people. Officer Post also arrived and an investigation was conducted. Witnesses related that they knew the identity of the person on the bicycle. It was determined that the offender on the bicycle got into an argument with some juveniles in the area two weeks earlier. HEPD officers located the juvenile offender, who is a Hoffman Estates resident, and he was taken into custody. It was determined that the gun used was a "BB" gun, and it was recovered by HEPD officers.

PATROL DIVISION REPORT CONT..

On 15 July Officers Nieft and Gessert were dispatched to the 1500 block of W. Algonquin Road reference a theft report. After arriving and investigating it was determined that the male offender had entered a business and took money from an employee's purse that was behind a counter. The offender walked away on foot and a witness who observed the crime called HEPD. The offender was located walking in the 1700 block of W. Algonquin Road and was identified by the witness. The victim's money was found in the possession of the offender, who is a resident of the City of Chicago. The offender was charged with Theft of \$265.00 from the victim's purse.

On 19 July Officer Hanna responded to the area of Rt. 62 and Winston Drive reference a possible intoxicated driver called in by another motorist. Officer Hanna located the suspect's vehicle while driving in the 3700 block of Firestone Drive. Officer Hanna observed the parked vehicle with a person standing outside of the vehicle. The person standing outside the vehicle was sweating profusely and appeared intoxicated. Officer Hanna exited his vehicle and spoke to this person. During an investigation, Officer Hanna observed drug paraphernalia on the driver's seat of the vehicle and informed the suspect, a Hoffman Estates resident, that he was under arrest for drug paraphernalia. During the search incident to arrest, Officer Hanna recovered a plastic bag containing four smaller plastic bags which contained suspected heroin from the arrestee's shirt pocket.

On 27 July Officer Kaye was dispatched to the 5100 block of Sedge Blvd. reference a criminal damage to vehicle report. Upon arrival and investigation Officer Kaye spoke to the victim who related that his vehicle was keyed, and that the offender was captured on video doing the damage. The victim had a motion action dash mounted camera on his vehicle. The camera activated when the offender approached the victim's car and used a key to cause damage. The offender was seen on video, and the audio captured the sound as the key was used to scratch the paint surface of the victim's vehicle. The offender was known by the victim, and Officer Kaye located the offender at his Hoffman Estates residence at which time he was taken into custody and charged with Criminal Damage to a Vehicle.

CANINE UNIT REPORT

During the month of July K9 Dozer and Officer Marak were back to full duty and had 6 activations which included (2) community events and (4) drug sniffs.

Police K9 Dozer was awarded a bullet and stab protective vest thanks to a charitable donation from non-profit organization Barney's Friends of Hoffman Estates through Vested Interest in K9s, Inc. We look forward to receiving this protective vest for Dozer in the near future.

INVESTIGATIONS DIVISION REPORT

Detective Zaba has been working jointly with several other towns on a car theft burglary crew working out of Chicago. This led to two of our stolen vehicles being recovered. Burglary proceeds were located in one of the vehicles from several different jurisdictions and evidence has been submitted and pending at the Illinois State Crime Lab. The value of the vehicles recovered totaled over \$45,000.00.

Detective R. Turman was assigned to investigate a retail theft which occurred at the Marathon Gas Station on Barrington Road. Upon reviewing the case he was able to link the suspects to a drive-off dine and dash case from the same night at the Denny's on Roselle Road. Detective R. Turman used his investigative tools to locate one of the suspects at his home and spoke with him and his father. The conversation led to the identification of the offenders from both retail theft cases. The offenders in these cases were arrested and released without charge after paying restitution.

Detective R. Turman was assigned to investigate a theft case which occurred at Jewel. He located and interviewed the suspect and obtained a full confession for this case. The suspect was directly indicted for felony Retail Theft, and on July 20, he was formally charged at Rolling Meadows Courthouse.

Detective Fernandez was contacted by Schaumburg P.D. and was requested to interview a subject who spoke Spanish. This 40 year-old Male Hispanic resident of Hanover Park had been arrested by Schaumburg for a home invasion/criminal sexual assault case and was a suspect in 7 additional similar incidents in Schaumburg and Streamwood over the past 10 years. Detective Fernandez was able to obtain a confession for the Schaumburg incident and a partial confession for the Streamwood incident which led to felony charges on this subject. While interviewing the subject, Detective Fernandez contacted Sgt. K. Cawley reference any open sexual assault cases that we had pending. One case was discovered from several years ago that fit the same profile and description of the offender. The case is reopened and the evidence was resubmitted to the Illinois State Police Crime Lab.

Detective Gad was assigned a theft report involving a package taken off the porch of a residence. He then received information that a mother called in about finding a package in her daughter's room. Detective Gad reached out to this mother and learned that her juvenile daughter is out of control and is using heroin. Detective Gad worked with the mother to retrieve the package, arrest the daughter and determined her best punishment was mandatory rehab treatment and counselling through the Bridge. He continues to monitor the family's situation.

RETIREMENTS

After 24 years of service, **Officer Martin Racila** retired from the Hoffman Estates Police Department on 01 July 2016. Marty is pursuing plans of a second career with Wabauunsee College, and the Department wished him much success in all his future endeavors.

On 02 July 2016 **Lieutenant Thomas Sullivan** retired from the Hoffman Estates Police Department after 30 years of dedicated service. Tom had an outstanding career and served the Village as: a Patrol Officer, Detective, School Resource Officer, Sergeant and finished his career as the Investigations Division Commander.

TACTICAL UNIT REPORT

Starting 01 July through 04 July the Tactical Section carried out the Governor's Square Action Plan to help alleviate problems that have occurred in the area in the past. Tactical Officers took a zero tolerance enforcement approach and helped greatly reduce issues that have been common in the past. Officer Bartolone was temporarily assigned to the Tactical Section to assist in carrying out the action plan and performed very well in this role.

On 03 July Tactical Officers Fesemyer and Bartolone were on routine patrol in Area 5 and observed two subjects seated in a running vehicle with open alcohol. The subjects with the open alcohol were both known gang members, one of which is on parole. Upon speaking with the subjects they were asked to exit the vehicle. Tactical Officer Fesemyer observed cannabis in plain view as they exited the vehicle and took the owner of the cannabis into custody. The offender was charged with Possession of Cannabis.

On 03 July Tactical Officers Cawley and Stoy located a subject in Area 5, who was known to have a warrant for his arrest. Tactical Officers Cawley and Stoy made contact with the subject, confirmed the warrant, and took him into custody without incident.

On 07 July a drug investigation was concluded with the execution of a search warrant at a residence in Streamwood. The target of the investigation was known to deal illegal drugs to residents of Hoffman Estates and surrounding communities. Several items related to dealing drugs, drug paraphernalia and \$110 USC were seized as a result of this search warrant. The target was charged with Possession of Drug Paraphernalia.

On 13 July Tactical Officer Stoy was on routine patrol in Area 4 at which time he observed a vehicle exceeding the posted speed limit. Tactical Officer Stoy stopped the vehicle and detected the odor of fresh cannabis while speaking with the

driver. With the assistance of Officer Marak and Dozer cannabis was located in the vehicle. The driver was taken into custody and charged with Possession of Cannabis and Possession of Drug Paraphernalia.

On 14 July Tactical Officers Cawley, Stoy and Fesemyer arrested two offenders who were the subject of a narcotics investigation that had been carried out in May of 2016. Both subjects were charged with felony and misdemeanor counts of Possession of Cannabis with the Intent to Deliver.

On 23 July Tactical Officer Stoy was contacted by an informant who told him where a subject wanted on three separate arrest warrants could be located. Tactical Officers Cawley and Stoy went to the location the informant provided and were able to locate the subject that was known to them due to several previous contacts. The arrest warrants were confirmed as valid and the subject was taken into custody.

On 26 July the entire Tactical Section attended a Gang Intelligence meeting hosted by the Schaumburg Police Department. Several area agencies attended and shared information on active gang members from their respective jurisdictions.

On 28 July Tactical Officers Stoy and Fesemyer were conducting surveillance on an Area 1 parking lot that had been previously reported to have drug activity. Tactical Officers observed a vehicle park in the lot whose occupants' actions were indicative of drug activity. The vehicle was approached and contact was made with the three occupants. Upon approaching the vehicle a strong smell of fresh cannabis was coming from the vehicle. The occupants were asked to exit the vehicle which was searched. Upon searching the vehicle cannabis was located which belonged to the driver. The driver was taken into custody and charged with Possession of Cannabis.

SPECIAL / STAFF SERVICES DIVISION REPORT

Lt. Felgenhauer attended the FBINAA 2016 National Training Conference in St. Louis which included training on topics: “Legal Marijuana in our Cities: Implications and Consequences”; “Focus on Counter Terrorism: eGuardian Suspicious Activity Reporting Systems (SARS)” ; “Ethical Decision Making”, Keynote speaker Richard Armitage “A Conversation with the Former Deputy of Secretary of State”; Active Shooter: Preview of the FBI “The Coming Storm” Program; Keynote speaker FBI Director James B. Comey “A Conversation with the Director”; Media and the Law Enforcement Executive; Critical Incident Case Study: Ferguson, Missouri.

Lt. Felgenhauer and Sgt. Mueller interviewed candidates for the three part time front desk ASO position openings. Three candidates were selected for these positions and began the hiring process.

The HEPD Color Guard marched in the 4th of July Parade.

On July 25th, Sgt. Mueller assisted a Hoffman Estates High School student with a paper on Police Brutality.

Sgt. Mueller organized officers to attend the open house event at the McDonalds in Barrington Square Mall. This was for their month long Grand Opening celebration.

Police testing has progressed to the polygraph portion of the process. Individual Oral Interviews with the Fire and Police Commission will be scheduled soon.

Kane County is changing the Narcan program. Hoffman Estates Police officers will now administer the nasal spray instead of the auto injector.

The Commemorative Partnership flag from the Department Of Defense was arranged in the front display case in the lobby.

Training hours for July totaled 292 hours which included: 47 hours of Admin, 12 hours of General, 40.25 hours of Investigations, 26 hours of Law, 45.25 hours of Policy, 112.50 hours of Tactics and 9 hours of Use of Force.

COMMUNITY RELATIONS REPORT

The 2016-2017 school year begins next month as do the DARE classes St. Hubert's, Thomas Jefferson, Timber Trails and Lincoln Elementary Schools. Officer Bending has completed and confirmed the schedule with Lincoln Elementary and has sent schedules to the other schools for their review and approval. Officer Bending also updated the lesson plans for the school year.

Community Relations:

On July 25th, Officer Bending attended the Hoffman Estates Park District Safety Town camp. Officer Bending spoke to approximately 10 kids about what police officers do and calling 911. All the kids received "When to call 911" coloring books and HEPD Jr. Police Officer badges.

Special Olympics:

Planning continued in July for the 2nd Annual "World's Largest Truck Convoy for Special Olympics" at the Sears Centre Arena. The 34 mile convoy will be held on August 27th. The convoy will start at the Sears Centre Arena and travel west on I-90 to IL Route 47 and then turn around and return to the Sears Centre for food, games and prizes.

PROBLEM ORIENTED POLICING

Officer Kruschel assisted with the religious celebration of Shree Jalaram Mandir Temple. It consisted of a parade down Illinois Boulevard, then a large gathering at the Temple. Many residents came out to greet the worshipers and welcome them to the community. Overall it was a very positive interaction with police, the community, and the parishioners of Shree Jalaram Mandir.

Due to numerous resident complaints with parking at Shree Jalaram Mandir Temple during their fests, Sgt. Mueller met with their administration. He suggested and arranged for satellite parking in the lot of Children's Advocacy Center and a shuttle to the Temple. This ended most of the parking issues around the Temple and many neighbors came over to thank them for addressing the issue.

EXPLORER POST 806

During the month of July, Lisa Notarnicola participated in or facilitated the following for Explorer Post 806:

Lisa Notarnicola coordinated the Cruise Night traffic detail at the Arboretum of South Barrington. Seven Explorers directed traffic in the parking lot for classic cars and pedestrians every Wednesday evening from 5- 9 p.m.

On July 01 Lisa Notarnicola coordinated with Officer Kruschel to have the Explorers wash the Parade vehicles from South Barrington and the Bearcat to be used in the Parade on July 4th.

On July 03 Lisa Notarnicola coordinated with Sgt. Golden to have the Explorers assist in traffic direction at the Fireworks which were held at the Sears Center. The Explorers also assisted in traffic direction at the Parade which went down Illinois Blvd.

On July 11 through July 15 Lisa Notarnicola coordinated for six Explorers and three advisors (Officer Kruschel, Officer Giaccone & Lisa Notarnicola) to attend the National Police Explorer Conference that was held in Flagstaff, Arizona. This Conference was attended by over 2500 participants and advisors. Our Explorers competed against 264 teams across the nation, including ATF, FBI, US Customs and Border Patrol.

Explorers

Milan Parekh,
Matthew Heroldt
Gus Espinoza
Jake McCabe
Ron Pawlowski

Lodging, competitions, and training were held at the Northern Arizona University campus. Hoffman Estates Post 806 competed in the following team scenarios: Traffic Stops, Crime Scene Investigations, Crisis/Hostage Negotiations, Officer Down/First Aid, Non-Emergency Vehicle Operation Course, & Burglary in Progress. Each scenario was run and scored by outside agencies that specialize in category.

Out of the six Explorers only one has ever been to a competition prior to this one. Our two teams did not win any awards this year but the teamwork and the experience was life changing for them all. We have a young group and will continue to train and build this post. We look forward to competing at the State level in the summer of 2017!

The Explorer Post members also participated in some team building excursions during their free time on campus. They hiked and explored the trails of Sedona and the Grand Canyon.

TRAFFIC SECTION REPORT

During the month of July, Sergeant Dornbos resumed the command of the Traffic Section; replacing Sergeant Golden who was promoted to Lieutenant and assigned to the Patrol Division.

On 02 July the Traffic Section responded to the intersection of Higgins Road and Huntington Boulevard for a two vehicle crash involving one fatality. The crash occurred shortly after 2100 hours involving a pick-up truck and a motorcycle. The crash is still under investigation, however initial reports and damage to both vehicles may indicate that the driver of the motorcycle was traveling at a very high rate of speed Westbound on Higgins Road, and the driver of the pick-up truck was turning left from Higgins Road onto Northbound Huntington Boulevard. Investigators from the "Star Team" (Major Case Assistance Team) assisted with the on scene investigation.

On 19 July Officer Teipel handled a neighbor dispute and parking complaint in the 3900 block of Latour Court about a vehicle parked blocking a sidewalk. He was able to gain compliance by working with the complainant and the neighbor.

The Traffic Section completed duties associated with the Village of Hoffman Estates 4th of July Festival and parade.

The Traffic Section followed up on 18 hit and run or incomplete crashes, 5 abandoned vehicles and 0 stop arm violations.

The Traffic Section is conducting two extra patrols and one ongoing T.A.R.G.E.T. enforcement:

- Essex Drive between Shoe Factory Road and Beacon Point for speeding violations will continue into August with the results forwarded in the next monthly report upon completion.
- Frederick Lane and Pierce Road for speeding violations will continue into August with the results forwarded in the next monthly report upon completion.

T.A.R.G.E.T Enforcement on Higgins Road west of Gannon Drive to Moon Lake Boulevard for speeding violations and cell phone / texting violations will continue into August with the results forwarded in the next monthly report upon completion. Crash data for this stretch of roadway was reviewed with the engineering department. Based on the results of the injury crash data, the engineering department conducted an additional review of crash reports sent by the Traffic Section for safety improvement suggestions that may be reviewed with the Illinois Department of Transportation. That process is ongoing.

AWARDS

The Alliance Against Intoxicated Motorists awarded several Hoffman Estates Police Officers with a Certificate of Appreciation in recognition of commendable DUI Enforcement. AAIM's "Top Cops" awards were given to:

Officer Daniel Falkenberg
 Officer Nathan Parks
 Officer William Rublev
 Officer Mark Wondolkowski

Hoffman Estates Police Department
411 W Higgins Road
Hoffman Estates, IL 60169

Dear Madams/Sirs:

I am getting very tired and weary of our police, nationwide, being targeted. I am writing this letter to let you know that not everyone in our Nation thinks poorly of the police.

You are the police of my community. I am very glad that you are here to protect us as best you can. I know that every traffic stop is now potential danger to you and possible heartbreak to your family members. The career you have chosen is fraught with danger especially when it appears the President does not have your back.

Just know that there are a lot of folks out here that really do support you. You won't know who we are until we are in need of your assistance, but we are here. We do have your back.

Thanks so much for serving the community.

God bless,

LETTERS OF APPRECIATION

To the entire Hoffman Estates Police Force:

The residents of Haverford Place want to **THANK YOU** for your commitment to keeping Hoffman Estates safe. We know that in today's political climate your job is very difficult.

As a show of our support, Haverford Place has put up blue ribbons on our parkway trees. Please drive through our community and note our appreciation, care and concern for all of you.

Further, we asked our 186 households to donate \$1.00 as a simple show of support for our police. Enclosed is a \$300 dollar donation (almost all homes have contributed) to support your LEAP and Shop with a Cop program. We applaud your efforts with these programs as well.

We hope these small gestures help to express our appreciation and our support for all you do for the community.

A short email sent to the Chiefs from a local business:

“I want to express our support for the Hoffman Estates police fraternity. After hearing/seeing sad news of recent violence, especially Dallas police shooting, it breaks our hearts, and mind as a citizen, and a Father. I strongly feel and believe safe communities can be built if a community is deeply involved and actively takes initiatives to bring about positive change and help the police department. I want to be a part that change.

We here at Red Roof Inn, truly do not take for granted all the work the police put into making a safe and peaceful community.”

Village of Hoffman Estates

Department of Health and Human Services

July Monthly Report

To: James H. Norris, Village Manager

Prevention and Wellness

During the month of July, nursing staff provided no children's vaccinations, 4 TB tests, 4 Cholestech tests, 1 Hep A shot, and 1 Tdap shot. One hundred and eight preventative screenings were completed which include blood pressure checks, pulse screenings, blood sugar and hemoglobin checks. 72 Vision and Hearing screenings were conducted by nursing staff in July.

The Village of Hoffman Estates received the Meningococcal B vaccine approved to protect teens ages 16 - 18 years old against the disease. Health and Human Services is offering this vaccine to college students who are 18 years old during the months of July and August. Meningococcal disease can cause meningitis, a bacterial infection of the brain, spinal cord, and blood. It spreads from person to person through close contact. Meningitis can affect anyone, especially adolescents 16 - 23 years old. There are over 12 types of meningitis, but most meningococcal disease is caused by serogroups A, B, C, W, and Y. The current school requirements for the meningitis vaccine contain all of the above serogroups except type B in the vaccine.

The Annual Employee Fitness Challenge came to an end on July 10th. This year there were 63 active participants which made up 8 teams. The winning team this year was Divas and Dumbbells led by team captain Melissa Thompson. Teams logged their activity points using the Daily Endorphin program and received one point for every minute of exercise they completed. The final InBody Weigh in provided by Heroic Fitness was provided on Wednesday July 13. On Thursday July 14th, the annual Employee Fitness Challenge Lunch was held at Village Hall. This luncheon had a Hawaiian theme and celebrated employees participation in the program with food, trivia games, and raffle prizes. Additional winners during the luncheon included: Female Top Points Earned, Christine Keys, Male Top Points Earned, Mark Wondolkowski, Trivia Game Winners, Team True Blue, Winner of a Half Vacation Day, Kevin McGraw and Winner of a Full Vacation Day, Eric Race. This year, the fitness challenge was coordinated by the Employee Wellness Committee, led by HHS, which has representatives from various departments who provide information and ideas and assist in outreach to employees to make programming successful.

On July 30, 2016, HHS partnered with the Hoffman Estates Youth Commission to host, Create! Learning about Emotions Through Art and Music. This one and a half hour event was held at Village Hall and led 3-5 year olds and their parents through painting exercises while listening to classical music that elicited various emotions. The event was facilitated by HHS extern Dana Whitt who is an Art Therapist. Children and parents were encouraged to paint and discuss various emotions including sadness, happiness, anger and excitement. At the end of the event, the children were able to take home a canvas that they painted with their parents depicting an emotion of their choice. Twelve children attended the event with their parents.

HHS in conjunction with the Park District continues to provide youth services at Vogelei Teen Center. The Teen Center is open Tuesdays and Fridays from 6:30-8:30 pm and provides a safe environment for youth to gather during afterschool hours. During the month of July there were 85 contacts with youth.

Treatment and Crisis Response

Currently, HHS clinical psychology staff has 103 active clients. During July, 182 hours of individual counseling, 2 hours of couples counseling and 6 hours of family counseling were completed. Two intake appointments were scheduled and 1 was conducted. The Health and Human Services training year is coming to an end in August and new clinicians in training will start in September. Currently clients are terminating services with current therapists and will be transferred to new therapists in September. During the month of August, additional coverage by staff will be available for clients who are in need. New clients seeking services will be placed on a wait list for services to start in early September.

HHS continues to be a volunteer service extension site for the Salvation Army program. Through this program, HHS provides Salvation Army Emergency Assistance services to Hoffman Estates' residents in need. Salvation Army funding is available to assist Hoffman Estates residents who are experiencing a temporary or unexpected financial crisis. This fund provides limited financial support to families who show a need due to an unexpected emergency (i.e. insufficient funds for rent or past due utility bill). Staff meets with each client for approximately 45 minutes to assess the need for additional services and/or referrals. Currently, the Salvation Army has put a hold on the assistance program due to funding issues. Volunteer service extension sites including HHS will be notified when the program is reinstated.

HHS is a designated site for individuals to apply for the Nicor Gas Sharing program. The program provides payment assistance with gas bills for those who qualify and meet income requirements. During the month of July, no residents were assisted.

Health and Human Services assists residents who are experiencing issues related to homelessness and have an emergency situation with a one night stay in a local hotel and additional resources. Residents are assisted for these situations through the Self-Help fund. In the month of July, one family was assisted with an overnight stay and community resources through this program.

Drugs/Sharps Collection

During the month of July, HHS staff collected 117 containers of sharps and 240 containers of expired medications through the pharmaceutical and sharps collection program.

VILLAGE OF HOFFMAN ESTATES
EMERGENCY MANAGEMENT AGENCY

Below are activities for Emergency Management Agency (EMA) and the EMA Auxiliary employees for the month of July 2016:

Training:

On 05 July EMA Coordinator Bob Langsfeld attended the IEMA Volunteer Donations Management Training class in Des Plaines.

On 18 July EMA Coordinator Bob Langsfeld attended a meeting with IEMA, IESMA and local Emergency Managers from Hanover Township with Congressman Barletta. Topics of this meeting covered: Threat to the Nations Power Grid from a coordinated attack, how to recover from it, and the community's preparedness in the event of such an attack. . He also spoke about funding and training and the use of mutual assistance in Illinois in intergovernmental cooperation. Participants in this meeting expressed concerns about grant funding and the FEMA Damage Assistance formula which the Congressman will bring back to Washington.

Activations:

During July EMA worked at the Summer Concert Series at the Village Green. Due to inclement weather, the Arts Commission was advised to cancel a concert during intermission. The next weekend the concert shell was destroyed by severe weather, and a temporary tent was erected. The EMA will continue to monitor the weather during these events and will advise if there is concern for the safety of the community.

On 23 July EMA attended the Fitness for America Sports Festival. After rain and lightning delayed the event and caused a course change, a safety decision was made to not continue the event due to lightning risk.

Preparedness:

The outdoor warning siren at Lexington and Norman was replaced with an upgraded battery backup warning siren; which now has the capability of sounding in the event electrical power is disrupted. This new warning siren has passed remote diagnostics and successfully sounded off on the First Tuesday Siren Test.

The Village of Hoffman Estates was awarded \$20, 961.80 for the 2016 EMPG grant with the Illinois Emergency Management Agency. EMA Coordinator Bob Langsfeld has already begun the process of next year's grant in which our application will need to meet the Grant Accountability Act. EMA is also currently working to complete the 2017 EMA Accreditation application through IEMA.

During the month of July, EMA has welcomed a summer Intern. Harper College student David Docekal he will be working on shelter sites and Continuity of Operation Plans.

FIRE DEPARTMENT MONTHLY REPORT

July, 2016

This month's activities resulted in the Fire Department responding to 566 calls for service, 379 incidents were for emergency medical service, 175 incidents were suppression-related, and 12 were mutual aid to other fire departments.

Emergency Incidents of Interest for July

7/2/16 - Incident #16-2986, Higgins and Huntington (ACPD):

District 22 responded with Battalion 6 and Ambulance 21 for the accident with injuries. Personnel arrived and found a motorcycle had struck a vehicle at the intersection. Ambulance 24 was requested to the scene to assist with additional patient care. The driver of the motorcycle was found lying in the roadway unresponsive. Advanced Life Support Care was rendered by Squad 22 and Ambulance 21. The subject later succumbed to his injuries.

7/17/26 - Incident #16-3251, Golf Road and Bartlett Road:

District 24 responded with Squad 22, Truck 22 and Battalion 6 for an auto accident with entrapment. On our arrival, a single vehicle accident was found. Two patients were treated. One required extrication while the other was treated and released.

7/21/16 - Incident #16-3316 - 117 Brinker Road, Barrington - Code 3:

Truck 22 dispatched (mutual aid) to report of structure fire after a lightning strike. Truck 22 arrived on scene and assigned interior to check for extension. After overhaul Truck 22 completed salvage of the room of origin.

7/26/16 - Incident #16-3425, 3574 Harold (Code 3):

Companies responded for a report of a large gas leak. On scene investigation found a natural gas line had been struck by a contractor digging in a new construction area. The area was evacuated and NICOR was notified. Engine 23 remained on scene for two hours while NICOR secured the gas leak.

Chief Jorian,

On behalf of the Bloomington Fire Protection District, I would like to thank you and your department for the support provided at the single family residence MABAS Box Alarm fire at 360 Windsor Drive on the morning of Saturday, July 2nd, 2016.

The support and service provided by your personnel was outstanding! It is reassuring to know that we have a strong support network to rely upon in times of need and that our residents benefit from the efforts of many dedicated departments.

Crews encountered a well-involved structure fire with 2 vehicles in the driveway and were unable to confirm the location of the occupants. A primary search was initiated until the structural integrity of the roof and second floor was compromised. Defensive operations ensued followed by mop-up of the interior and a search confirming that no occupants were inside. It was later discovered that the residents were out of town.

Over 60 firefighters and command personnel responded from over 20 communities to bring this fire under control within minutes. Overhaul efforts and the fire investigation conducted by members of the DuPage County Fire Investigation Task Force continued throughout the morning.

Thanks to the professional response of the Mutual Aid Box Alarm System, this incident was mitigated without any loss of life or significant injury. The assistance that your personnel provided was greatly appreciated and paramount to the successful outcome of this incident.

Please relay our sincere gratitude to your personnel, their efforts are greatly appreciated.

Best regards,

Jeffrey C. Janus
Fire Chief

Subject: Paramedics**

Mr. Jorian, on Saturday 7/23/16 I was in need of medical help from the Hoffman Estates Fire Dept.

Five of your team arrived quickly and could not have been more professional, courteous, caring, and competent not only to me but my wife who was in distress about the incident! I believe they identified themselves as Hoffman 23 when they were contacting St. Alexis Hospital as they drove me there. [REDACTED] was one of your fine team but the other four, whose names I do not know, were also instrumental in bringing my medical issue to a happy ending.

I want to thank the Hoffman Estates Fire Dept. and all five of these guys! It is really comforting to know that when issues like this happen there is a group of dedicated professionals just a phone call away to help.

Thanks again.
