POLICE DEPARTMENT MONTHLY REPORT

June
2017

PATROL DIVISION ACTIVITY REPORT

During the month of June the Patrol Division responded to 1829 calls for service. The following is a brief summary of some of the activities:

On 06 June, Officer Barber was dispatched to the 4300 block of Rock Cove Drive reference a burglary to motor vehicle. The victim stated that unknown offenders took a blue backpack from his unlocked vehicle parked in his driveway. During a canvass of the neighborhood, Officer Barber observed a blue backpack on the ground on the west side of a nearby home. The owner of the stolen backpack was brought to the scene and made a positive identification. While Officer Barber and the victim were looking at the backpack, a juvenile approached. The juvenile stated that he had nothing to do with the backpack, and he did not want to get in trouble for the actions of other people. Officer Barber spoke to the juvenile who gave him the names of the people that he believed were involved in several burglaries to motor vehicles in the area. The offenders were later located and arrested. All of the offenders were juveniles and lived in the Hoffman Estates and Palatine area. Multiple burglary cases were cleared as a result.

On 06 June, Officer Penrod and Officer Lawrence were dispatched to the 1000 block of Roselle Road reference a suspicious male in the girl's bathroom. Upon arrival and investigation, the male in the bathroom stated that he was robbed at gun point by three acquaintances. He related that he called some acquaintances for a ride to a pharmacy to fill a prescription. After filling his prescription, the victim agreed to trade some medication for some cannabis. The victim claimed that a person in the vehicle pointed a gun at him and took his medication. The person that took the medication walked into a business and hid the medication after police arrived on-scene. The offender and the stolen medication were located. The offender, who is a Hanover Park resident, stated that he never had a gun. No gun was recovered during the investigation. The offender stated that the victim tried to take the cannabis without exchanging the medication. The offender took the medication and ran into a business and hid the medication when he saw police arrive. The vehicle with the other occupants left the area prior to police arrival. The offender was charged with Felony Possession of a Controlled Substance.

On 08 June, Officer Brunner and Officer Koenen were dispatched to the 900 block of Grand Canyon Parkway reference an unwanted subject. After arriving and talking to the property manager, officers were advised that a male subject was on the property without authorization. Officers spoke to the male subject who stated that he was staying with a friend who lived on the property. He further related that he was waiting for his friend to arrive home. He provided officers with a fictitious name. Officers were able to determine his correct name, and learned that he is an Elgin resident and had two valid warrants for his arrest. One warrant out of Hanover Park and the second out of Kane County. He was arrested and charged accordingly.

PATROL DIVISION REPORT CONT..

On 14 June, Officer Garcia was dispatched to the 1500 block of N. Barrington Road reference a person found in possession of heroin. After arrival and investigating, security personnel told Officer Garcia that a person came in for treatment due to an infection. During treatment five small clear plastic baggies containing a white powder were discovered in his clothing. It was also determined that he had a valid warrant for his arrest out of Stone Park. The suspect, a Barrington resident, admitted that the white powder was heroin. After being treated, the suspect was released and charged with Possession of a Controlled Substance and the valid warrant.

On 15 June, Officer Garcia and Probationary Police Officer Chlebanowski were dispatched to the 1000 block of N. Roselle Road reference a female attempting to fill a fraudulent prescription. Upon arrival and investigating, it was determined that the female was attempting to fill a prescription for her father. The doctor's office was contacted and stated that they did not have a patient by that name. The doctor's office related that they recently had a prescription pad stolen and made a police report. The female attempting to fill the prescription, a Chicago resident, was taken into custody for being in possession of an unauthorized prescription form.

On 19 June, Officer Gallik was dispatched to the 1500 block of N. Barrington Road reference a person being treated at a medical facility for a self-inflicted gunshot wound. While conducting an investigation, Officer Gallik spoke to the victim who stated that he lives on the 800 block of Freeman Road in Hoffman Estates. At the above location the victim was cleaning his 9mm handgun when he became distracted. He pulled the trigger of the handgun not realizing that the gun was loaded and as a result, he shot a hole in the center of his left hand. His wife drove him to the above location for treatment. The victim had a valid F.O.I.D. card and possessed the firearm legally.

On 22 June, Officer Gallik and Probationary Police Officer Jones-Wilson were conducting traffic enforcement in the area of Algonquin Road and Lexington Drive. While in the area they observed and stopped a vehicle for a traffic violation. During the traffic stop officers smelled a strong odor of cannabis coming from inside the vehicle. Officers conducted a search and recovered three clear plastic bags containing a white powdery substance, and a pill bottle containing green plant material. The white powder and green plant material tested positive as cocaine and cannabis. The driver, who is a California resident, was taken into custody for Felony Possession of a Controlled Substance.

[The Hoffman Estates Police Honor Guard .](#)

On 29 June, Officer Caceres was dispatched to the 2500 block of West Higgins Road reference a customer that was causing a disturbance, using racial slurs and battering an employee. Additional HEPD officers arrived and attempted to speak with the offender. The offender refused to follow verbal direction. The offender stated that he was going to take the officers down as he took a fighting stance. The offender had a large pit bull dog with him that was secured to a building pillar. Officers were able to quickly gain control of the offender and take him into custody. The offender, who is a Hoffman Estates resident, was charged with Battery. The dog was transported to Golf Rose Animal Hospital for impound.

INVESTIGATIONS DIVISION REPORT

Detective Giacone followed up on a theft of wallet from an unknown location. He began his investigation and created a timeline of the complainant's whereabouts and it was determined the complainant first noticed she did not have her wallet at the checkout counter at 1069 Roselle Road (Jewel Osco). Security footage was reviewed at Jewel Osco and it was determined an unknown female suspect reached into the complainant's purse and stole her wallet. It was determined that the victim's credit cards were used after the theft. Police departments where the fraud occurred were contacted and relayed information pertaining to the case. While speaking to a neighboring police department, Detective Giacone was notified they had a subject in custody, a 63 year-old Chicago resident that matched the description of the female suspect that stole the wallet from Jewel Osco. She was currently being charged with credit card fraud. Felony charges were approved for Theft in this case..

Detectives Giacone and R. Turman attended a multi-jurisdictional intelligence meeting in regards to all the burglary and motor vehicle thefts in the area.

Detective Fairall closed a Financial Abuse of the Elderly investigation. The investigation revealed that the suspect had been using his grandparent's bank account to pay for multiple bills and loan payments, causing his grandparents to miss payments on their own bills. The victims had both recently been diagnosed with dementia and could no longer care for their own finances. Detective Fairall advised the complainant, the victims' son, on how to obtain an Order of Protection which they did. Detective Fairall contacted the Cook County State's Attorney Office's Elderly Abuse Division and was told that due to the victims' inability to testify due to the dementia, there would not be any charges brought against the suspect at this time. Detective Fairall provided several resources to the complainant to protect his parents in the future.

Detective Turman received a call from the Commander of Bellwood Police Department, who

gave him information on the location of a possible stolen vehicle and the driver who fled from Hoffman Estates Officers a couple weeks earlier. Detective Turman contacted Glen Ellyn Detectives, who confirmed the car was at a hotel in their town. Detective Turman went to that location and recovered the stolen truck and attempted to locate the driver. The driver refused to turn himself in to Detective Turman. Subsequently, Detective Turman obtained an arrest warrant for the offender for Possession of a Stolen Motor Vehicle.

Detective Turman was assigned to assist Detective Zaba in the investigation of several burglary to motor vehicles and stolen autos that occurred in the early morning hours of June 27. Detective Turman went to an Adhoc Taskforce meeting on June 28, to gather intelligence regarding a crew of Chicago gang members that are currently targeting suburban cities for burglaries and stealing cars. Within ten minutes of leaving the meeting, Detective Turman worked with an Agent from the National Insurance Crime Bureau and the Chicago Police Department to locate one of the stolen autos. The vehicle was brought back to Hoffman Estates Police Department and processed for evidence. Proceeds from Inverness and Streamwood burglaries were found in the car and the property was subsequently turned over to those agencies, who were also targeted on the same night. This is an ongoing active investigation.

Detective Fernandez arrested a 23 year-old Hoffman Estates male resident after an investigation revealed that he fled from a cab without paying the fare, in the area of Bode/Salem. Detective Fernandez interviewed this suspect and obtained a confession from him. The subject was charged with one count of Theft of Service.

Detective Fernandez arrested a 24 year-old female from Merrillville, Indiana, after positively identifying and obtaining an arrest warrant. This offender took a cell phone by force from another female. Detective Fernandez interviewed the offender who admitted to her role in this robbery.

Detective Tenuto followed up on a harassment by telephone report. The offender was a 23 year-old male resident of Chicago. The offender was identified then apprehended by Villa Park Police Department and transported to the Dupage County Jail for a separate Dupage County warrant. Hoffman Estates Police Department was contacted and at which time Detective Tenuto met with him. During the interview, the suspect provided a full admission to sending harassing text messages. He was charged with Harassment by Telephone.

Detective Tenuto followed up on a disorderly conduct report in which the offender, a 32 year-old male resident of Wood Dale, approached a fourteen year-old girl and gave her his phone number. After speaking with the victim and her mother, it was learned that the offender was dressed in a mail carrier uniform and it appeared to be during his delivery route. The entire encounter shocked, startled and scared the victim. The victim viewed a photo lineup at which time a positive identification was made. Detective Tenuto identified and apprehended the offender who stated that he worked for the United States Postal Service and gave a full confession that he knew the girl was under eighteen and he wanted to give her his phone number. He was charged with Disorderly Conduct. Detective Tenuto contacted the USPS who stated that they did not have an employee by that name. It was later determined that the offender worked for FedEx. Detective Tenuto has been in contact with FedEx who has initiated their own investigation into the employee.

JUVENILE INVESTIGATIONS REPORT

Detective Gad attended the end of the year safety review for District 211 at Hoffman Estates High School. Detective Gad also attended the end of the year safety review for District 15. Also on that date, he met with officials at Winston Knolls Education Group and created their safety procedures, which will be implemented and taught to school staff.

Detective Gad was assigned to look into a report where several employees of Savers were disturbed by some inappropriate social media postings by another coworker of theirs. Detective Gad looked into the past of this employee and discovered there was another report similar in nature taken by Hoffman Estates Police Department, where school officials reported the subject threatened school violence with a 12 gauge shot gun in 2016. Detective Gad spoke to officials from Savers who were in the process of offering the 18 year-old Hoffman Estates resident

their employee assistance program; however, he declined and resigned. Since the social media postings were violent and homicidal in nature they hired store security for the next month. The offender was arrested by Detective Gad for Disorderly Conduct and was warned not to have contact with any of the employees from Savers, as well as being trespass warned. The offender was released to his mother. She scheduled an evaluation for her son and informed Detective Gad that she will take steps to assist in her son's mental health.

Detective Gad attended the Illinois Juvenile Officers Association Conference in Peoria, IL. He attended several assemblies such as the legal update of victim Alicia Kozakiewicz, who was the first internet lured victim who was kidnapped, raped and eventually rescued. Also the lessons learned from the Sandy Hook investigation.

TACTICAL UNIT REPORT

On June 13, Officer Stoy was on routine patrol in Area 2 when he observed a person known to him to have a warrant, as a passenger in a vehicle. Officer Stoy stopped the vehicle and took the offender into custody after confirming the validity of the warrant.

On June 17, a Critical Reach Bulletin was put out by the Schaumburg Police Department containing the pictures of two battery offenders that they were trying to identify. Officers Fesemyer and Stoy were able to identify the subjects whose information was forwarded to the Schaumburg Police Department.

On June 20, Officers Cawley and Stoy were on patrol in Area 6 when they observed a vehicle commit a traffic violation. The vehicle was stopped and upon approaching the driver, Officer Cawley observed an apple on the front passenger seat that had a hole drilled in it with what appeared to have burn marks around it. Through training and experience, Officer Cawley recognized that apples are often used in this manner to smoke cannabis. Upon asking the driver about the apple and whether or not anything else illegal was present inside the vehicle, the driver provided a glass jar containing what was found to be 14 grams of cannabis to Officer Stoy. The driver was taken into custody and transported to the Hoffman Estates Police Department where he was charged with Unlawful Possession of Cannabis.

On June 21, Officers Cawley and Stoy were on routine patrol in Area 3 when they observed a vehicle travelling at a high rate of speed. The vehicle was stopped and upon speaking to the

driver, a strong odor of cannabis was noticed coming from inside the vehicle. The driver was asked about the odor of cannabis to which she acknowledged that she had smoked cannabis inside her vehicle earlier in the day. The vehicle was searched at which time 7 separate plastic bags containing what was found to be 22 grams of cannabis, were located inside the vehicle along with several articles of drug paraphernalia. The driver was taken into custody and transported to the Hoffman Estates Police Department where she was charged with Possession of Cannabis and Possession of Drug Paraphernalia.

On June 24, Officers Bartolone and Fesemyer were patrolling Area 6 and observed an occupied vehicle parked in a restaurant parking lot. The parking lot where the vehicle was parked is known to be used to conduct narcotics transactions. Upon seeing Officers Bartolone and Fesemyer, the vehicle abruptly pulled out of its parking space and exited the parking lot, committing a traffic violation while doing so. Officers Bartolone and Fesemyer followed the vehicle and observed that the driver appeared to be trying to hide something while driving the vehicle. The vehicle was stopped and the driver was approached, who was sweating profusely and shaking. Officer Bartolone searched the vehicle and located a large vacuum sealed bag containing what was later determined to be 124.5 grams of cannabis. The driver was taken into custody and transported to the Hoffman Estates Police Department where he was charged with felony Possession of Cannabis.

CANINE UNIT REPORT

During the month of June, the Canine Unit had 7 deployments during which included: (4) narcotic sniffs (2) community events, and (1) building search.

COMMUNITY RELATIONS REPORT

DARE

On June 13 through June 16 Officer Bending attended the Illinois Juvenile Officers Association/Illinois DARE Officers Association conference in Peoria. The seminars included an update on Illinois Juvenile Law and "What drug is my student on?" Officer Bending also attended the annual DARE update seminar and the Illinois DARE Officers Association annual meeting.

Community Relations:

June 12 and June 26 - Officer Bending visited the Hoffman Estates Park District Safety Town. Officer Bending spoke to 5-10 kids each day about what police officers do and calling 911. All the kids received "When to Call 911" coloring books and HEPD Jr. Police Officer badges. The visit ended with the kids taking a tour of a police car.

June 5-10 - Officer Bending attended the annual International Police Mountain Bike Association Conference in Delaware, Ohio. While attending the six day event, Officer Bending completed the training to become an IPMBA certified Police Cyclist Instructor as well as a Bicycle Response Team (BRT) instructor. Upon returning from the conference, Officer Bending facilitated a class for Officers Shaw and Chereck who completed the 32 Hour Police Cyclist Course.

Special Olympics:

June 4 - The Hoffman Estates Police Department participated in the annual Law Enforcement Torch Run for Special Olympics Illinois. The Hoffman Estates leg of the torch run started at Golf and Barrington Roads and ended at Golf and Roselle Roads. This year Officers and Explorers teamed up with the Village of Hoffman Estates Commission for Disabled Citizens and ran with several disabled members of the community. ASO Notarnicola biked the route while Lieutenant Felgenhauer, Officer Giacone, Parks and Police Explorers ran in the event. Officer Kruschel drove the protection vehicle for all the runners. The Hoffman Estates Police Department raised over \$400 for this event.

During the month of June, Officer Bending attended 5 community events.

PROBLEM ORIENTED POLICING REPORT

During the month of June 2017, Officer Kruschel in the Problem Oriented Policing Unit was involved in the following activities:

June 3 – Hoffman Estates Fishing Derby

Officer Kruschel, along with other members of the police department and Police Explorer Post 806,

participated in the annual Fishing Derby at South Ridge Lake Park. It was a positive interaction with not only the fine citizens of Hoffman Estates, but also Village Officials and various other dignitaries.

June 9 - Rolling Meadows PD – 3rd Annual Police/Fire Vehicle Show

Officer Kruschel represented the Hoffman Estates Police Department at the 3rd Annual

Police/Fire Vehicle Show in Rolling Meadows. Over 100 police and fire vehicles were on display at the show, including the original Police Interceptor driven by Mel Gibson in the movie “Mad Max.”

June 12 – A Visit to KinderCare

Officer Kruschel paid a visit to the children at KinderCare,

1275 Jones Road. There were children of all ages, ranging from toddler to middle school.

Officer Kruschel talked to the small children about safety, strangers, and how to call 911 in an emergency. He opened up a dialogue with the older kids about the dangers of drugs, and alcohol, and what is required to become a police officer.

June 13 – Winston Knolls Neighborhood Watch

Officer Kruschel, with the help of the residents of Winston Knolls, formed a new Neighborhood Watch (NHW) group. A meeting at the police department was held with the founding members, where Officer Kruschel went over the basics, presented a Burglary Prevention slideshow, and provided a tour of the police department.

June 24 – Fireworks Complaint Resolved

Officer Kruschel received several complaints from residents on the

200 block of Washington Street regarding incessant explosive fireworks. With the help of the residents, the Area 2 Neighborhood Watch Captain, Sergeant Mueller, and the Patrol and Tac Divisions, the locations of the fireworks were located and citations were issued. In appreciation, one resident delivered a sheet cake to the police department, stating that we “worked a miracle” and that she no longer has anxiety about the fireworks.

Calls for service forwarded and/or investigated by the POP Division: 5

1 – Trespassing

1 – Disorderly Conduct

1 – Drug Activity (forwarded to the Tactical Division)

8TH ANNUAL JUNIOR POLICE ACADEMY CAMP

The 8th annual Hoffman Estates Junior Police Academy was held June 19-23. Chief Bos kicked off the week by welcoming the kids to the program and wishing them good luck throughout the week. Officers Bending, Kruschel and ASO Notarnicola then took the kids on a tour of the building. Sgt. Mueller posted a “Facebook live” welcome message and pictures of the Junior Police Academy Camp.

During the week, the kids had the opportunity to learn and demonstrate a wide variety of police procedure and tactics. Sergeant Mueller, Officers Bending, Kruschel, Barber, Lawrence, Giacone, ASO Notarnicola and the Explorers instructed on topics including: NIPAS, handcuffing & arrest procedure, crime scene investigation, room clearing, DUI, bicycle obstacle course, traffic stops & radar, and a physical agility test. K-9 Officer Marak and his partner Dozer conducted a K-9 presentation. The kids were able to watch Dozer locate hidden drugs and take down a fleeing offender.

The week ended with a pizza party and cake, followed by a graduation that was attended by the participants and their families. The kids all received a graduation certificate, a keepsake photo card, and a disc with photos from the week.

EXPLORER POST 806

On June 20 the Explorers met with Sgt. Dornbos to get a briefing regarding the 4th of July details they will be volunteering for. On June 29th the Explorers also washed the DARE car and armored vehicle for the parade.

On June 21 ASO Notarnicola coordinated with the Arboretum of South Barrington to have the Explorer’s direct traffic at the Cruise nights along with a concert by Modern Day Romeos.

TRAFFIC SECTION REPORT

On June 6, Officer Post was in the area of Higgins Road and Governors Lane when he observed a female driver of a vehicle using a cell phone. He conducted a traffic stop and spoke with the driver, a 32 year old resident of Summit, and discovered that she did not have a valid driver's license. The driver was placed under arrest and issued citations for no valid driver's license, operation of a vehicle without valid proof of insurance and illegal use of electronic communication device clearing this case by arrest.

From June 5 to June 11 the Traffic Section and the Patrol Division conducted checks of parking violations in the area of Washington Boulevard and Alcoa Lane. One citation for a registration violation was written.

On June 27, Officer Teipel conducted follow up on a traffic complaint sent in via the village website. The complaint was reference a traffic violation that occurred in the area of Higgins and Barrington involving a passenger car and a box truck. Officer Teipel contacted both drivers and was able to determine that the traffic violation was most likely a misunderstanding. Officer Teipel passed along the apology from the box truck driver to the complainant who was extremely satisfied with the results of the investigation.

During the month of June, the Traffic Section completed the extensive police department responsibilities associated with the planning and

organizing of the annual Northwest Fourth Fest and 4th of July parade.

The Traffic Section and the Patrol Division conducted an extra patrol on Freeman Road in the area of Park enforcing speed violations for 13 hours issuing 14 speeding citations and 5 citations for improper use of electronic communication devices. Total enforcement between May and June has resulted in 38 hours issuing 55 speeding citations and 10 citations for improper use of electronic communication devices.

An extra patrol was also conducted in the 500 block of Illinois Boulevard enforcing speeding violations totaling 14 hours with 3 speeding citations and 1 citation for improper use of electronic communication devices.

Truck enforcement scale were conducted with the Illinois State Police on June 28.

Officer Post concluded his cross-training assignment in the Traffic Section on June 9.

During the month of June, the Traffic Section followed up on 13 hit and run or incomplete crashes and 7 abandoned vehicles.

Dear Chief Bos,

On Sunday, May 21, 2017, Elk Grove Village Police Department requested assistance from Major Case Assistance Team (MCAT) for a death investigation at Motel 6, 1000 W. Devon Ave., Elk Grove Village, Illinois.

Detective Rodney Penrod responded from your department as a member of MCAT and was asked to perform many tasks. Whether he conducted a neighborhood canvass, interviewed witnesses and suspects, provided technical support or conducted forensic duties his efforts were instrumental in the quick identification and arrest of the offender of this murder. The offender admitted to a physical altercation and use of a weapon resulting in one count of First Degree Murder (720 ILCS 5/9-1A-1).

On behalf of the Elk Grove Village Police Department, I want to say thank you to Detective Penrod for serving our community, showing dedication during long hours and representing the best in our profession. His actions are commendable and reflect well upon MCAT and your home agency.

Sincerely,

Charles Walsh

Re: Letter of Commendation for:
Officer Matthew Jones
Officer Phillip Giacone

Dear Sir:

My name is Jon Pascal and I am the Director of the Krav Maga Worldwide Force Training Division. From March 13-17, 2017, we conducted a Krav Maga Defensive Tactics Law Enforcement Instructor Certification Course in Hoffman Estates, Illinois.

During this course we had the pleasure of working with Officer Matthew Jones and Officer Phillip Giacone. Our instructor was very impressed by their professionalism, dynamic work ethic and commitment to excellence in training. During my 15 years of defensive tactics training, I have taught personnel from over 800 agencies and academies throughout the United States. Your agency should be proud to have sent Officer Jones and Officer Giacone as representatives. During this physically demanding course we saw their passion and uncompromising commitment to bringing the very best in law enforcement training to your agency personnel as exemplified by their hard work throughout the week.

I encourage you to take the opportunity to personally view some of the recently learned Krav Maga training methods in a dynamic demonstration. These training methods are designed to give your sworn personnel the ability to use the appropriate level of force in a time of need, and build the skills and attributes desired in your officers.

The mission of the Krav Maga Worldwide Force Training Division is "to save lives by providing the best law enforcement training possible."

Again, it was a pleasure to work with such fine representatives of your staff. I look forward to fostering this relationship.

Sincerely,

Jon Pascal, Director

VILLAGE OF HOFFMAN ESTATES DEPARTMENT OF HEALTH & HUMAN SERVICES MONTHLY REPORT

To: James H. Norris, Village Manager

June 2017

Prevention and Wellness

The Annual Employee Fitness Challenge ended on June 11, 2017. The Fitness Challenge started on April 17, 2017 and ran for 8 weeks. This year there were 67 active participants forming 12 teams. Teams logged their activity points using the Daily Endorphin program and received points for a variety of exercises completed. During the month of June, participants had the opportunity to gain bonus points through education and awareness endeavors. On June 1, 2017, Hoffman Estates Park District Personal Trainer Zac Marshall, MA, presented on “What’s So Amazing About Walking” for Village employees. Marshall discussed the history, physical and mental health benefits, physiology, statistics, and connection to weight loss of walking. On June 4th, participants had the opportunity to join the “Torch Run” which was held outside Marianos’ in Hoffman Estates. On June 20th, the Fitness Challenge Celebratory Luncheon and Awards Ceremony was held at Village Hall. The First Place Team for the 2017 Fitness Challenge was *Body by Blue*, led by Team Captain, John Bending. Team Members included Darin Felgenhauer, Krzysztof Kowal, Mark Mueller, Richie Rebmann, and Mark Wondolkowski. *Personnel Best* came in second place with team captain Melissa Thompson and team members D’Ann Granger, Ken Koop, Tom Mackie, Cathy Doczekalski and Patrick Seger. Individual Prizes were awarded to the following: Melissa Thompson for Top Female Endorpher, Mark Wondolkowski for Top Male Endorpher, Suzanne Levin for Top Percent Body Fat lost, and Krzysztof Kowal for Top Percent Fat Free Muscle Gained.

The Health and Human Services Department continually strives to raise awareness about new and innovative ways to address mental health issues in the community. June is Post Traumatic Stress Disorder (PTSD) Awareness Month. According to the American Psychological Association, “More than 7

million Americans suffer from PTSD, as a consequence of physical or psychological trauma.” There is increasing data that discusses how the body holds traumatic memory and ways that service providers can incorporate mindfulness and sensorimotor psychotherapy techniques to assist individuals with traumatic memory. Garrett Sidor, HHS intern and clinical psychologist Faan Yeen Sidor presented “Tune In Through Yoga” for 15 participants at Village Hall on June 24th. The workshop focused on education regarding how traumatic memory is stored in the body followed by one hour of yoga practice with techniques that can assist in facilitating mindfulness, relaxation, and healing.

Personnel Best Team Members holding the 2nd Place Trophy

During the month of June, nursing staff provided 52 children's vaccinations and 25 adult immunizations. One hundred and seventy-seven preventative screenings were completed which include Tanta body analysis, blood pressure checks, pulse screenings, blood sugar and hemoglobin checks. Seven Cholestech tests were completed by nursing staff in June.

Nursing Supervisor Cathy Dagian provided a Bloodborne Pathogen training to all clinic nurses during the month of June. This training ensures that all clinic nurses are taking the necessary universal

precautions to prevent the spread of diseases that could cause serious illness. The training entails procedures on avoiding needle sticks, handling potentially infectious materials, blood safety training to avoid exposure, hand washing, and use of personal protective equipment.

Cathy Dagian, nursing supervisor, attended the Schaumburg Mass Dispensing Seminar hosted in Schaumburg. This Seminar covered topics on how to ensure that Village's respond effectively to public health emergencies and protect their residents.

On June 16, 2017, HHS underwent the Salvation Army Audit. This audit entails reviewing records for the Salvation Army Assistance Program that are maintained at the Health and Human Services Department. HHS is proud to have received the highest ranking possible with 100% and no corrections needed or errors present.

Campion of the Community Award Winner Sharon Greene

HHS in conjunction with the Park District continues to provide youth services at Vogeley Teen Center. The Teen Center is open Tuesdays from 6:30-8:30 pm and provides a safe environment for youth to gather during afterschool hours. During the month of June there were 48 contacts with youth.

Health and Human Services continued to host Therapy Dog Thursday on the last Thursday of the month. On June 29, 2017, four therapy dogs from Therapy Dogs International provided their services to clients at the center. Eight attendees were present for the event.

On June 5, 2017 Dr. Audra marks attended the Champion for the Community Event hosted at Village Hall. Dr. Marks is the Staff Liaison for the Commission for Residents with Disabilities. Sharon Greene, the recipient of the Champion of the Community Award, was recognized for her work in the community through mentoring, volunteering, and employment through programs including her church, Women at the Well Prison Ministry, Elite Stars, Transition Autism Program, Harper College, and National Alliance of Mental Illness.

Campion of the Community Award Winner Will Tobias

William Tobias, the recipient of the Champion of Community Award, was recognized for his work through Project Hope, Hawthorne Psychiatric Association, and his own business called Painted Products in which he creates innovative art work.

Treatment and Crisis Response

Currently, HHS clinical psychology staff has 98 active clients. During June, 320 hours of individual counseling, 2 hours of couples counseling and 4 hours of family therapy were completed. Five intake appointments were scheduled and completed.

HHS continues to be a volunteer service extension site for the Salvation Army program. Through this program, HHS provides Salvation Army Emergency Assistance services to Hoffman Estates' residents in need. This fund provides limited financial support to families who show a need due to an unexpected emergency (i.e. insufficient funds for rent or past due utility bill). Staff meets with each client for approximately 45 minutes to assess the need for additional services and/or referrals. During the month of June, HHS provided financial assistance through the Salvation Army program to 5 residents.

Therapy Room in HHS

HHS is a designated site for individuals to apply for the Nicor Gas Sharing program. The program provides payment assistance with gas bills for those who qualify and meet income requirements. During the month of June, one resident was assisted.

HHS provides assistance to residents in need of temporary medical equipment such as wheelchairs, walkers, canes, and crutches through the Lending Closet program. During the month of June, 8 residents were assisted.

Drugs/Sharps Collection

During the month of June, HHS staff collected 95 containers of sharps and 420 containers of expired medications through the pharmaceutical and sharps collection program.

Employee Blood Drive

On June 23, 2017, HHS partnered with Lifesource Blood Centers to host the annual Summer Employee Blood Drive. During the summer months, the need for blood donations continues. The Management Team cooked a delicious hot breakfast and we collected 18 units of blood which has the potential to save 54 lives! Thank you to all the employees who donated!

VILLAGE OF HOFFMAN ESTATES EMERGENCY MANAGEMENT AGENCY

Below are ACTIVITIES for Emergency Management Agency (EMA) and the EMA Auxiliary employees for the month of June 2017:

Training:

On June 6 the Cook County Department of Homeland Security & Emergency Management and EMA hosted a ground search class for the Forest Preserve Sheriffs Police. The Police Department training room was used for the class room portion of the training.

On June 7 EMA completed part one classroom traffic training in the EOC and on June 21 finished part two with an outdoor session held in the East parking lot of the Sears Centre Arena. There are now sixteen (16) EMA members trained in traffic control. Our focus was on preparing our new volunteers for the July Fireworks event.

Activations:

On June 9 (4) EMA members Stefanie Howard, Carlos Francisco, Mike Boomgarden and Bob Langsfeld staffed the public education trailer at the community fishing derby. Pet safety, citizen alert information, weather radio information and home preparedness were the focus of the exhibit.

On June 14 (1) EMA member was called out for emergency traffic control at Gannon and Higgins Roads for a total of 2 hours.

On June 15 (2) EMA members continued to support the Village Green concert series with controlling the special needs parking.

Preparedness:

On June 6 our regularly schedule outdoor warning siren test was completed. Diagnostics reported no failures. An upgraded battery backup siren is on order for the Fairview School site.

On June 7 the Region Nine hospital exercise took place in which Northwest Community Hospital had a simulated power failure resulting in a simulated hospital evacuation. John Zietlow will observe the St Alexius Medical Center drill in the fall.

On June 14 a National Incident Management System meeting with Human Resources resulted in a plan for required training.

On June 17 EM Comm Roundtable was attended by six ham radio operators for the area. We discussed the June Field Day communications exercise, the July 4th Parade detail, the Schaumburg Point of Distribution exercise, and the Citizens Alert System. A hot wash of the Tour Da Cure Event also commenced.

On June 20 a NIEMC meeting was held and festival discussions centered on weather and training simulators.

On June 23 EMA Coordinator Bob Langsfeld attended the JEMS liaison meeting.

On June 24 Amateur Radio operators across the country participated in the annual Field Day exercise. Jim Campbell and Bob Langsfeld operated radios with the Schaumburg Radio Club at their simulated emergency site.

On June 26 EMA members picked up July Northwest Fourth Fest resources from Cook County DHS & EM. The County supplied the Village with message boards, ATVs, lighting and radios that we needed to make the fest possible.

On June 29 Schaumburg did a functional Point of Distribution for pharmaceuticals. As a Communications Unit Lead, EMA Coordinator Bob Langsfeld was part of the exercise lasting a half day. He was assigned to be in the POD location and was able to observe the full operation in the POD.

FIRE DEPARTMENT MONTHLY REPORT

June, 2017

This month's activities resulted in the Fire Department responding to 479 calls for service, 323 incidents were for emergency medical service, 150 incidents were suppression-related, and 6 were mutual aid to other fire departments.

The following is an overview of activities and emergency responses for the month of June.

J. G. Jorian

Jeff Jorian, Fire Chief

Emergency Incidents of Interest:

6/14/17 - #17-2555 - I90 at Barrington Rd. (Gas Main -Code 3)

Companies responded to the ramp construction zone adjacent to EB I-90 at 62MM for a contractor who struck a gas main. Battalion 6 assumed command on arrival and reported that a backhoe operator had struck a 4-inch gas main while digging. No exposure hazards in the area. Command returned all companies except for Engine 22. Illinois State Police and Tollway Authority arrived on scene. NICOR was requested to the scene by command. Command was transferred to Engine 22. Engine 22 remained on scene until NICOR arrived. NICOR personnel stated FD assistance was no longer needed. Engine 22 returned in service to.

Mutual & Auto Aid Incidents

6/2/17 - #17-2367 - 2383 Goodspeed - Schaumburg (Structure Fire)

Twr22 responded mutual aid to the dispatched location for a structure fire. Upon arrival Twr22 was assigned to primary search in both apartments that were on fire. Twr22 reported an all clear on primary search. Twr22 was re-assigned to pull ceiling to assist with extinguishment. After pulling ceiling Twr22 was reassigned to an exterior hose line to assist with extinguishment. Twr22 was then re-assigned to set up the aerial ladder and pull the siding and brick facade off of the south side of the building. After that assignment was completed Twr22 was reassigned to an exterior hose line again to assist with extinguishment.

6/6/17 - #17-2423 - 712 Bonded - Streamwood (Structure Fire)

Engine 22 and Tower 22 responded to the above address for a structure fire. Location of fire changed from 191 Hazelnut to 712 Bonded. Upon arrival, Ambulance 33 was already on the scene with Battalion 9. Engine 22 deployed a 1 ¾" pre-connected hose line and used tank water until supplied by Bartlett. Ambulance 33 forced entry to the rear steel doors of units 710 and 712 allowing Engine 22 access to extinguish fire inside the structure. Overhaul and air quality monitoring was performed by Tower 22. Fire struck by Battalion 9. Engine 22 and Tower 22 released to our own district.

6/6/17 - #17-2424 - 1109 Lake St. - Streamwood (Hazmat)

Car 4 with the Hazardous Materials Trailer (2 Technicians), Brush Truck 23 (2 Technicians) and D/C Fortunato responded to Streamwood for the Hazmat Level II response for a liquid ammonia leak in a large cold storage facility.

Hoffman Estates personnel worked with other mutual aid responders at this scene for approximately 14 hours. Personnel assumed key roles within the Incident Management Structure, Hazmat Entry Teams and Decontamination Unit.

6/27/17 - #17-2768 - 3084 Lynwood Ct. - Streamwood

Tower 22 arrived on scene, and was directed to the "Alpha" side (Front) of the building. Tower 22 was instructed by "Operations" to set the Tower up, have water ready, and get up over the scene and provide feedback to "Operations" about conditions. Tower 22 remained over the scene until ordered to open up the roof over the vented areas and open up the soffits to cool hot spots with a hand line. All tasks were completed and Tower 22 was released to quarters.

Ambulance 22 was dispatched to this call to assess one patient complaining of difficulty breathing. Ambulance 22 assessed, treated, and transported one ALS patient for continued care and treatment.

Chief Jeff Jorian
Hoffman Estates Fire Department
1900 Hassell Road
Hoffman Estates, IL 60169

Dear Chief Jorian,

On Monday evening, June 5 at 11:34 pm., the Streamwood Fire Department responded to a fire alarm activation at Fresh Express, 1109 East Lake Street. Upon arrival, employees reported that an ammonia leak had occurred. All employees had evacuated the building and some were complaining of breathing difficulty. Five employees were transported to Saint Alexius Hospital for treatment. Given the magnitude of the incident, our incident commander quickly recognized that more assistance was needed. The incident was upgraded to a Level 2 Hazmat, and later a MABAS level alarm.

Ammonia is a toxic gas or liquid that, when concentrated, is corrosive to tissues upon contact. Exposure to ammonia in sufficient quantities can be fatal. Concentrated ammonia is used in manufacturing, refrigeration, and agriculture. Fresh Express has a very large refrigeration system that uses a large quantity of ammonia circulating in a sealed system. Upon investigation, it was determined that a refrigeration component sustained physical damage causing liquid ammonia to escape.

Technicians had to don fully-encapsulated hazmat suits to enter the building. Working with plant officials, the building was ventilated by forcing large quantities of fresh air into dock doors. To do this, we summoned Mobile Ventilation Units. While ventilating the structure, technicians monitored air quality surrounding the building to make sure the public was not subjected to toxic levels. After several hours of ventilation and flushing the liquid ammonia into the sanitary sewer system, the operation was turned over to an environmental clean-up contractor to complete the work.

Your department's assistance was vital to the successful outcome of the incident, and I appreciate all the support provided from by our MABAS partners. Please pass along our thanks to your responding personnel.

Sincerely,

Christopher J. Clark, MPA, CFO, EFO, MIFireE
Fire Chief
