A screenshot of the login page for the Village of Hoffman Estates Employee Access Center. The page has a white background with a blue header bar at the top. The header bar contains the Village of Hoffman Estates logo on the left and the text "Village of Hoffman Estates Employee Access Center" on the right. Below the header, there are two input fields: "User ID:" followed by a text box, and "Password:" followed by a text box. Below these fields is a "Login" button. Underneath the button is a link that says "Forgot your Password?". At the bottom of the page, there is a blue italicized instruction: "Enter your Employee Number and Password to Login." and a smaller italicized note: "If you cannot remember your password, click on the **Forgot Your Password Link** above, and your password will be emailed to you."

Your **employee number** and the **last four digits** of your Social Security Number are all you need to login.

For those already using Time Entry for payroll, your login credentials (ID and password) are shared by Time Entry and Employee Access Center, so there is no need to remember another User ID and password!

If you don't know your **employee number**, it can be found on your pay check, highlighted to the right.
