

HOFFMAN ESTATES

GROWING TO GREATNESS

April 8, 2020

**SUBJECT: VILLAGE OF HOFFMAN ESTATES
2020 STREET REVITALIZATION PROJECT
CLARIFICATION AND RESPONSE TO QUESTIONS**

To Whom It May Concern:

This letter is meant to clarify some questions and concerns regarding the 2020 Street Revitalization Project. This is not considered an addendum, but an additional resource for your information and consideration.

1. Will the Village accept a bond in lieu of a Letter of Credit (LOC)?
The Village accepts bonds for the proposal guaranty and contract bond. The Maintenance Letter of Credit special provision provides the details for the letter of credit requirement as a maintenance guarantee. No bond is allowed for the Maintenance Letter or Credit.
2. Is topsoil included in the pay item EROSION CONTROL BLANKET WITH SEED, SPECIAL?
Yes, six inches of topsoil is included in the pay item as the special provision references the requirements of the special provision Sodding, Special.

We would also like to provide additional information and clarification to the process for submitting bids and attending the bid opening. As the Village office is currently closed to the public, sealed bids can be submitted by mail or by making an appointment for drop-off with the office of the Village Clerk (847-882-9100). Any person entering the Village Hall to drop-off sealed bids (with appointment) or to attend the bid opening must wear a mask/face covering and follow all social distance guidelines per the CDC and IDPH. Anyone not following this procedure will not be permitted to enter the Village Hall.

The above clarifications have been made to assist you in preparing your bid. Thank you for your consideration.

Sincerely,

Andy LoBosco, P.E.
Senior Project Manager
