COMMITTEE AGENDA ITEM VILLAGE OF HOFFMAN ESTATES

SUBJECT: Amendment to the 2020 Budget Ordinance

MEETING DATE: May 24, 2021

COMMITTEE: Finance

FROM: Rachel Musiala, Director of Finance

<u>PURPOSE:</u> Request approval of an ordinance to amend the 2020 Budget as a result of

the completed financial audit and to close out the fiscal year.

<u>BACKGROUND:</u> It is probable that certain revenue and expenditure accounts will come in either under or over budget during the course of any fiscal year. What is

important, however, is to ensure that expenditures do not exceed the

budget at the department/fund level.

Several factors can necessitate a budget adjustment. Certain actions taken by the Village Board to approve contracts or expenditures must be realigned with the budget ordinance that serves as the Village's legal spending authority. Also, new programs and purchases obligating budget resources also require an amendment to the budget ordinance. In addition to the above factors, during the course of the annual audit, it becomes necessary to adjust certain revenue and expenditure accounts for events unforeseen at the time the original budget ordinance was adopted.

A final year-end budget adjustment is necessary to reflect these changes. It should be noted that in all cases where expenditure budgets were increased, adequate revenues or unallocated fund equity were available to

absorb the adjustment.

DISCUSSION: Throughout the year, Department Directors and the Finance Department

monitored the 2020 operating budget and expenditure status reports. While for the most part, the department budgets are within the budgeted amounts, there are items that need adjustment. The final budget adjustment was held until after the annual audit was completed. All of the budget adjustments needed are detailed on the attached budget adjustment

request forms. The ordinance is also attached for review.

RECOMMENDATION: Request approval of an ordinance to amend the 2020 Budget as a result of

the completed financial audit and to close out the fiscal year.

ORDINANCE NO. - 2021

VILLAGE OF HOFFMAN ESTATES

AN ORDINANCE AUTHORIZING AMENDMENTS TO THE 2020 BUDGET ORDINANCE

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of Hoffman Estates, Cook and Kane Counties, Illinois, as follows:

Section 1: That pursuant to authority granted by the statutes of the State of Illinois, there is hereby an amendment to the budget ordinance in an amount not in excess of the aggregate of additional revenues or fund reserves available to the Village. The sums of money hereinafter itemized for each of the respective corporate objects specified hereby increase or decrease the amounts included in the original budget ordinance, Ordinance No. 4768-2019 dated December 2, 2019. The appropriate sums shall be received from sources other than the tax levy. The respective sums of money, together with the resulting adjustments and changes in the budget are set out in Section 2 of this Ordinance.

HOFFMAN ESTATES

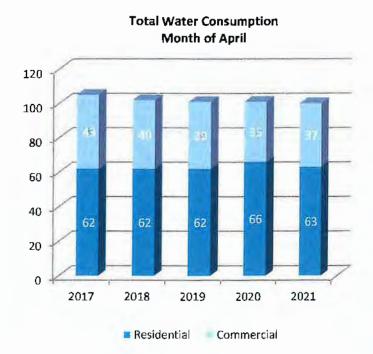

GROWING TO GREATNESS

DEPARTMENT OF FINANCE MONTHLY REPORT APRIL 2021

Water Billing

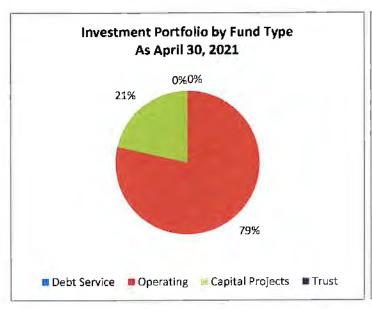

A total of 14,810 residential water bills were mailed on April 1st for February's water consumption. Average consumption was 4,254 gallons, resulting in an average residential water bill of \$61.91. Total consumption for all customers was 100 million gallons, with 63 million gallons attributable to residential consumption. When compared to the April 2020 billing, residential consumption decreased by 4.5%.

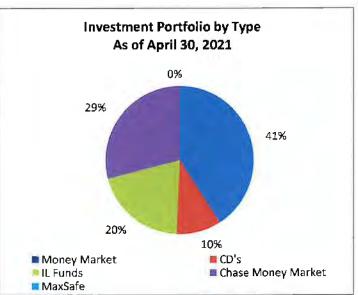

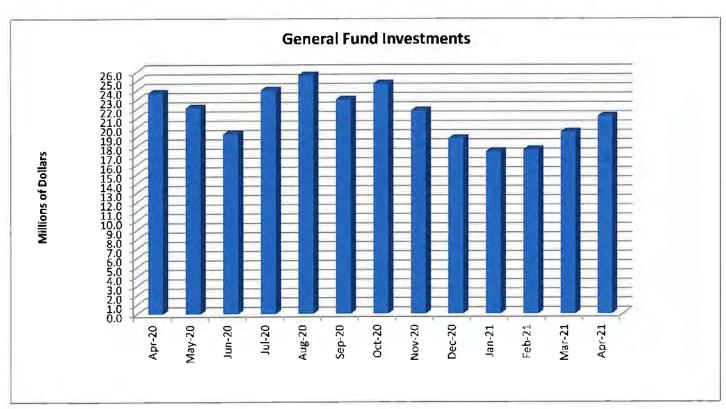

Village Investments

As of April 30, 2021, the Village's investment portfolio (not including pension trust funds) totaled \$59.7 million. Of this amount, \$46.9 million pertained to the various operating funds. As can be seen in the following graphs, the remaining \$12.8 million is related to capital projects.

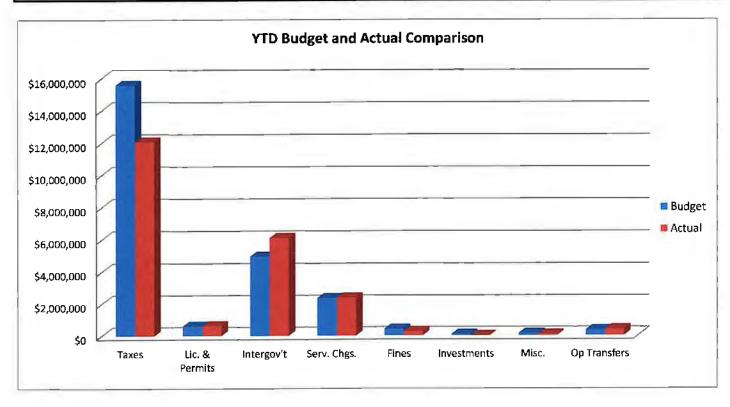

Operating Funds

General Fund

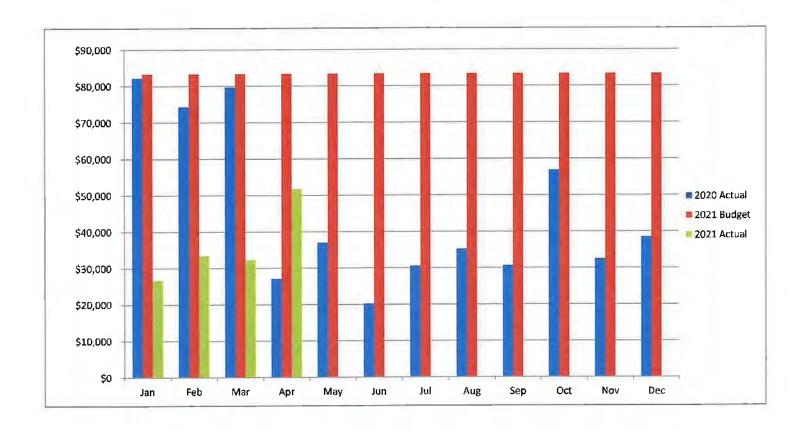

For the month of April, General Fund revenues totaled \$4,311,330 and expenditures totaled \$4,114,399 resulting in a surplus of \$196,931.

Revenues: April year-to-date figures are detailed in the table below. Property taxes are due in March and August every year. Intergovernmental is over budget due to increased State Income Tax and Local Use Tax received. Fines and Forfeits are under budget because of a distribution delay from the County for traffic violations. Investment income is under budget due to lower interest rates being realized. Most miscellaneous revenues are not received on a monthly basis.

Expenditures: General Fund expenditures in April were \$1,051,117 below the budgeted figure of \$5,165,516. The summary of year-to-date actuals versus budgeted expenditures shown below reflect mostly positive variances for the Village departments for the year. Emergency Operations is over budget due to the annual Joint Emergency Management Membership Assessment payment, which happens at the beginning of every year.

CentralSquare Technologies/GovQA Monthly Review

April Synopsis

- Successfully implemented process to email Paycheck Vouchers to all employees.
- Worked on changes to our GovQA webpage to insert the Public Records search option.
 Waiting on final approval.
- Held several meetings with CentralSquare, which included Development Services staff, to plan next steps in Community Development software implementation project.
 Continued software testing.

CentralSquare/GovQA Support Cases

- Worked with CST Support to restore access for all users to the databases after reports that users were denied access.
- Reported the issues where we weren't able to access content in Cognos 11 for Community Development. Support restored our access.
- Resolved issue with the emailing of Paycheck Vouchers with the assistance of CentralSquare Support.
- Contacted Support to verify that their router connected to our network was still needed for printing, which they confirmed.
- Open and closed case to refresh Training databases with 4/20/21 live data.
- Open and close case to remove terminated user.
- Open and close case to run SQL script to update RRL License Deadline date.

Project Activities

- Community Development software was updated to 21.1 and this required us to confirm that everything was working as expected. To that end, Fresh Desk ticket resolved issues were retested to verify that they did not resurface.
- Email from workflow issue was resolved.
- Tested a GIS issue that was fixed in Community Development 20.3.
- Held meeting with GIS administrator to discuss the possibilities of extracting data from CommunityPLUS for import into GIS when owners' records are corrected. We already have the extraction working for owner changes.
- Met with CentralSquare Project Managers and discussed Testing Plan and Testing
 Matrix
- Reviewed Testing Matrix and will need clarification from CST on which items should be tested.

Work Orders

- Developed Network Access Form section for requesting access to CentralSquare and GovQA and met with IS staff to review and modify.
- Added access to employee as Time Entry Supervisor.
- Completed mock-up of changes to GovQA webpage to include Public Records Search.
- Created SQL script to update RRL License Deadline date.
- Applied PL Penalties.
- Applied RRL Penalties.
- Created two event studio Cognos reports to notify Development Services Code Department and Information Systems when a staff member is off that day.
- Removed users from PLUS and GovQA.
- After seeing communication from PD stat that expressed uncertainty as to how GovQA's 5 day notifications were being generated, sent an email to all involved that explained the process.
- Added a new Liquor License Category for Business Licensing.
- Reviewed GovQA Spam.
- · Reviewed Pay run for emailing vouchers for both pay runs in April.
- Worked with Front Counter staff to EVOID a receipt and then process it correctly.
- Reviewed and researched a request by the front counter to add a location which didn't need to be added.
- Added a location per Development Services.
- Added range locations per front counter.
- Added a location per the Fire Administration.
- Updated a location that had an address change.
- Assisted user in Development Services with resetting their Plus password and then approving their requisitions.
- Create a copy of a Fire Administration Inspection Letter and added a prompt to handle a situation when multiple inspection types fail, it pulls the correct reinspection date in.
- Created a Cognos report of Business Tax History for Stonegate, which includes a prompt for the Business Name to allow use for other businesses on demand.

Administration

- Prepared monthly report.
- Processed Payroll for department employees on 4/5/2021 and 4/19/2021.

Training

• Met with Payroll coordinator to walk through process of generating the pay run with email paycheck voucher setup.

Meetings

- Biweekly meeting with IS Director on April 5th and 19th.
- Attended a week long Central Square Virtual Conference.
- Attended meeting with IS Director regarding GOVQA and what options they are implementing to replace their Mobile App.

April Synopsis

- GNSS Hardware Updates: ESRI launched ArcGIS Field Maps at the end of 2020, an app that will replace both Collector and Explorer—two products we use for mobile operations. In anticipation of the eventual discontinuation of support, we'll be transitioning all users to the new Field Maps app. The timing is convenient as I'm currently configuring our new field iPad as well as working on the PW-GIS integration project. The iPad apps were updated to record GPS metadata, which will allow GIS users to determine the accuracy of the feature. Additionally, the EOS app was updated to allow our EOS GNSS unit to collect orthometric height. KARA was also contacted to acquire updated information regarding our access to their RTK network. The iPad was field tested and all updates worked.
- Village Plat Digitization: Westbury 4 and Highland Woods were digitized in April. 257 survey lines and 3 right-of-ways were also created. 136 Highland Woods parcels were modified. Winston Knolls Unit 3 was also started.
- PW-GIS Integration: After discussing our findings via the spreadsheet listing of Sean's
 AGO account, we determined that there were 4 essential maps to convert and integrate
 into our current roster of maps. Sean was tasked with creating desktop copies of these
 maps, as a first step toward generating services from them and eventually recreating
 them as webmaps. The copies have been created, but there are a handful of features
 that exist in Sean's account that will still need to be recreated in our LGIM database.
 This work is ongoing and will continue in May.

Work Orders

- Webmap Request: 2020 aerial added to Hoffnet (GIS)
- Map Request: FEMA flood zone (DS-E)
- Map Request: sanitary route Pfizer lift to MWRD interceptor (DS-E)

- Owner Change Data w/ C. Errichiello (4/21)

Project Activities

Project - Motorola P1

During the month of April, I.S. staff continued to work on freshly rolled out Motorola P1
CAD System. During the initial phase, I.S. Staff was able to identify few computers that
were misconfigured and fixed the local configuration issues. Majority of problems were
addressed by Motorola and NWCD team. There are however few issues, that might have
something to do with the network configurations. Motorola, NWCD IT team and IT
teams from other towns work together on rectifying the intermittent issues. I.S. Staff
continuously monitors the situation, and addresses the issues as they become evident.

Project - Tenable

During the month of March, I.S. Staff installed and configured new system which allows
for internal vulnerability assessment. This program runs internally and tries penetrate,
scan our networks in order to discover potential problems, compliancy issues and
vulnerabilities. This automated system helps to develop and prioritize approach in which
I.S. Staff will address the potential shortcomings with our systems or computers. I.S.
Staff is currently researching the best way to utilize the system and is developing a
process on how to best use it.

Project - Virtualization Improvements

I.S. Staff installed and relocated new NAS storage device to the Police Department. This
will improve redundancy and reliability. With the addition to our virtual infrastructure,
I.S. Staff also installed third Hypervisor Server. This further improves reliability and
redundancy of our systems and allows for seamless transfers of the virtual machines.
Additionally, I.S. Staff configured replication within our virtual cluster. This particular
feature allows for quick and smooth transition in the case of a failure.

Security and Other Updates

- I.S. Staff assisted Fire Department with the MDT reconfiguration and subsequent vehicle relocations.
- I.S. Staff worked with LexisNexis support on fix between LexisNexis and the New Motorola P1 CAD system.
- I.S. Staff started preparation for the deployment of five new MDT computers for our Fire Department.
- I.S. Staff started installing new conference phones.
- I.S. Staff replaced defective HDD in the CCTV server located at the NowArena.
- I.S. Staff continues monitor and update Windows Servers with patches, updates and other security installations.
- I.S. Staff continues to update and monitor anti-virus system to ensure at most reliability and safety.
- I.S. Staff continues to monitor and adjust if necessary all of our backup jobs.
- I.S. Staff updated and reorganized our network documentation in order to reflect new changes.
- I.S. Staff continues to deploy KnowBe4 email campaign.
- I.S. Staff performed general WSUS Update and service cleanup.

Training

• I.S. Staff conducted two new user orientation meetings for our new employees.

Meetings

- I.S. Staff met with NWC and Motorola CAD representatives.
- I.S. Staff attended meeting with Microsoft and discussed EA agreement renewal.
- I.S. Staff met with representatives from Public Works to discuss power upgrades to server room located at the Village Hall.

FROM: Mark Koplin, Owner's Representative-NOW Arena

RE: OWNER'S REPRESENTATIVE MONTHLY REPORT

MAY 2021

DATE: May 21, 2021

1. As of March 18, the State of Illinois is allowing 25% capacity in venues with 200 seats or more. This capacity requires social distancing between non-household parties. If metrics begin to trend in the right direction, venues will (hopefully soon) be able to conduct indoor events up to 60% of capacity. However, if social distance requirements remain unchanged, the maximum attendance will be around 2,750 regardless if capacity is 25% or 60%.

Several graduations are currently under contract and are deciding between hosting a drive-in graduation or smaller indoor ceremony. The schools strongly desire to have the graduations inside, which is feasible with strict adherence to guidelines, masks, signage, etc. Discussions will continue.

- 2. Researching potential COVID relief programs to see if any funding is available for ongoing operating expenses or capital projects. The "Shuttered Venues Operators Grant" Federal program offers possibilities, as municipally owned venues (like university owned venues) are eligible, but in the third tier priority for funds. We began the application process on April 8, when the portal opened, but the website "crashed" almost immediately. We are waiting for notification of the date and time of the restart.
- 3. Staff received the mechanical engineer's report to improve airflow and make the Arena bowl safer for reopening when restrictions are lifted. Professional journals continue to cite improved airflow as being very important to reopening businesses and sports/entertainment venues, even after the efforts to vaccinate the vast majority of the population are complete. The engineer's recommendation for adding three exhaust fans in the ceiling above the upper bowl was presented at the April Finance Committee.
- 4. A proposal for updating the lighting contro, ded in the 2021 CIP) was presented at the April Finance Committee.
- 5. Regarding NOW signage, the new signs have an been completed. The interior signage and other branding have also been completed.

- 6. Continue to work with Ben Gibbs on the response plan to the COVID-19, including staffing levels, measures for reopening, event postponements and rescheduling, and cash flow.
- 7. Working with the Village's Lobbyist and Assistant Corporation Counsel regarding the applicability of the new State Parking Excise Tax. HB 852 has been referred to the Rules Committee, but SB 217 appears to be heading to a full Senate vote and clarify that the tax should not apply to municipal owned parking facilities.
- 8. Working with Ben Gibbs on a new license agreement with School District U-46 for the 2021 graduation and with Cheerleading for 2021-2023 competitions.
- 9. The Beer Garden in the Suite Parking Lot is now closed, but the outdoor Beer Garden will resume on April 30. Coordinating with Arena staff and Development Services with regard to the new tents to be installed on the Village Green for weddings and other social events.
- 10. Conducted bi-weekly meetings with Public Works Facilities and NOW staff regarding building items, with a particular emphasis on safety measures that will be necessary when the Arena reopens.
- 11. Conducted weekly phone calls with Ben Gibbs to discuss bookings, holds, operational items, and event coordination.
