

Finding a Delta Dental PPO™ or Delta Dental Premier® Dentist

Finding a Delta Dental network dentist is easy. More than 3 out of every 4 dentists nationwide participate in a Delta Dental network. In Illinois, more than 75 percent of dentists participate in a Delta Dental network. You can find a network dentist today by using the Dentist Search on our website or calling our automated phone system.

Provider Search

1 Go to deltadentalil.com, and select “Find a Provider.” On the following page, select “Dental.”

2 To start your search, you can either enter the location where you want to locate network dentists (search by city/state or ZIP code), or search for a particular dentist or practice by name and ZIP code.

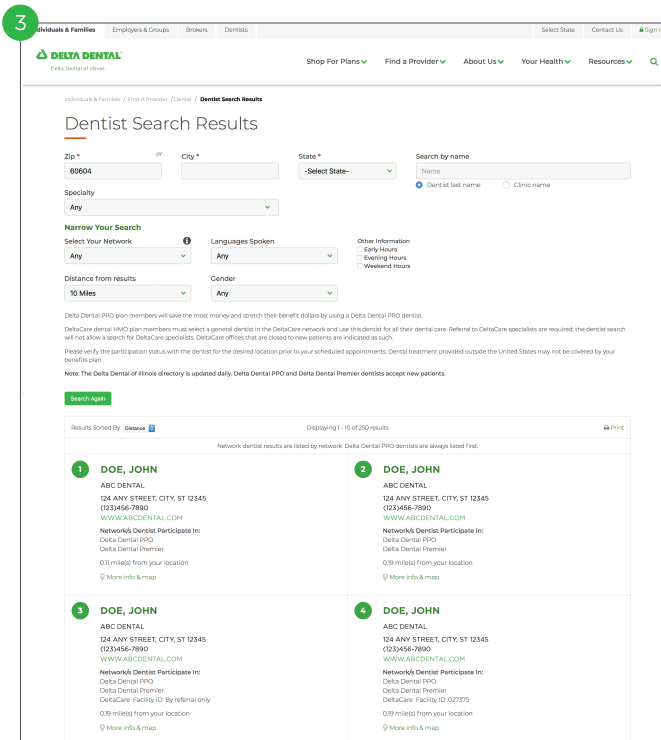

3 Results will automatically display by proximity (within 10 miles from city or ZIP code) and all Delta Dental networks the dentist participates in will be listed. You can change the distance by selecting a new option under the “Distance from results” dropdown menu and clicking “Search Again.”

4 You have the option to save your search based on the Delta Dental network a dentist participates in. You will save the most if you use a Delta Dental PPO network dentist.

Any field marked with a red asterisk is a required field.

5 You can further narrow your search by selecting a specialty (such as orthodontist), languages spoken and gender.

Automated Phone System

You can also find a dentist through our automated phone system. Delta Dental PPO and Delta Dental Premier members can call 800-323-1743, say “Dentist Directory” and follow the automated instructions.
