**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: **REQUEST APPROVAL OF AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF HOFFMAN ESTATES AND THE ILLINOIS STATE TOLL HIGHWAY AUTHORITY FOR EMERGENCY RESPONSE SERVICES ON INTERSTATE-90**

MEETING DATE: **August 15, 2022**

COMMITTEE: **Public Health & Safety Committee**

FROM: **Alan Wax, Fire Chief** *aw*

PURPOSE: Request approval of an Intergovernmental Agreement (“IGA”) between the Village and the Illinois State Toll Highway Authority (“Tollway”) for emergency response services on Interstate-90 (“I-90”) in the Hoffman Estates Fire Department’s (“HEFD”) designated I-90 response area (“Service Area”).

BACKGROUND: For decades, intergovernmental agreements (“Agreements”) have been in place between the Tollway and the jurisdictions adjacent to the toll roads for the provision of emergency fire, medical, and rescue services on the tollways. It is the same basic Agreement template used for all responding agencies. The most recent IGA between the Tollway and the Village of Hoffman Estates was executed in 1995 for the response of the Hoffman Estates Fire Department (HEFD) onto I-90, and contains the following provisions, which are still in effect currently:

- \$300 for each HEFD response
- \$50 for each additional vehicle dispatched beyond the first
- Rates that do not change
- If a patient is billed for emergency medical care and/or ambulance transportation services received, then the Tollway may not be billed (on most toll road accident calls, since the fee for a patient transport is higher, generally the HPFD charges the ambulance fee to the patient/insurance and the Tollway is not billed)
- HEFD responds in the eastbound lanes from the bottom of the Beverly Rd on-ramp to the bottom of the Roselle Rd on-ramp
- HEFD responds in the westbound lanes from approximately even with the eastern property-line of Hoffman Estates Village Hall to the Route 25 (Dundee Ave) exit ramp.

DISCUSSION:

On behalf of the fire departments throughout the state that respond onto the toll roads, the Illinois Fire Chiefs Association has spent nearly a decade trying to reach an updated Agreement with the Tollway that increases the rates and updates the provisions of concern. Such Agreement has finally been reached this year, and it has been approved by the Tollway Board. Each jurisdiction must now implement the Agreement.

The proposed IGA, as approved by the Tollway Board, is attached, and includes the following:

- \$500 for each HEFD response as payment for response to, and management of, the emergency scene in the Service Area
- This fee increases by \$10 annually
- In addition to the fee above, any patient treated and/or transported may be billed for emergency medical care and ambulance transportation per the HEFD’s ambulance fee schedule and procedures
- HEFD’s Service Area remains the same EXCEPT that westbound coverage starts at the bottom of the Barrington Rd on-ramp (approximately 1.5 miles west of the current starting location). This reduces the HEFD Service Area, and also eliminates the current HEFD practice of having to drive past a Schaumburg fire station and through the Schaumburg service area to get to a portion of the HEFD westbound Service Area. Schaumburg FD will now cover this westbound area.

FINANCIAL IMPACT:

Additional revenue is anticipated for the following:

- The higher per-call rate charged to the Tollway
- Responses not currently charged to the Tollway due to patients being charged under the terms of the current agreement

In the last year (7/1/2021 through 6/30/2022), the total revenue from 115 Tollway responses was \$27,150. Based on the actual HEFD responses during this period, an additional \$25,350 would have been received from the Tollway under the terms of the new IGA, broken-down as follows:

- Charges in the new IGA not in the current IGA (51 calls): \$25,500
 - Additional revenue due to rate changes (31 calls): \$1,700
 - Reduced revenue due to reduced Service Area (7 calls): -\$1,850
- \$25,350

This represents a 93.37% increase in revenue under the terms of the updated IGA.

RECOMMENDATION:

I recommend approval of the IGA with the Tollway that updates the fees for emergency responses to the HEFD’s Service Area on Interstate-90.

INTERGOVERNMENTAL AGREEMENT BETWEEN THE ILLINOIS STATE TOLL HIGHWAY AUTHORITY AND THE VILLAGE OF HOFFMAN ESTATES

THIS INTERGOVERNMENTAL AGREEMENT (“AGREEMENT”), made and entered into upon the last dated signature below, by and between The Illinois State Toll Highway Authority (“ILLINOIS TOLLWAY”), and The Village of Hoffman Estates (“DEPARTMENT”).

RECITALS

WHEREAS, to ensure the highest degree of safety in the operation of the ILLINOIS TOLLWAY, the ILLINOIS TOLLWAY adopted Resolution No. 5458, authorizing the ILLINOIS TOLLWAY to (i) enter into agreements with fire protection districts and municipal fire departments bordering its rights-of-way for the provision of adequate fire protection services, and (ii) provide reimbursement for such services at the scheduled rates set forth therein;

WHEREAS, pursuant to Resolution No. 5458, the ILLINOIS TOLLWAY entered into intergovernmental agreements with various fire protection districts and/or municipal fire departments bordering its rights-of-way for the provision of the above-described services;

WHEREAS, after reaffirming the need to provide adequate fire protection services along the toll roads in its system and finding it necessary to also provide adequate emergency medical services, the ILLINOIS TOLLWAY adopted Resolution No. 9589, increasing the scheduled reimbursement rates set forth in Resolution No. 5458;

WHEREAS, on September 29, 1977, after fire protection districts and municipal fire departments began providing ambulance services, the ILLINOIS TOLLWAY adopted Resolution No. 9885, adding a scheduled reimbursement rate for the provisions of ambulance services;

WHEREAS, on December 21, 1995, the ILLINOIS TOLLWAY adopted Resolution No. 14490, increasing the scheduled reimbursement rates for fire protection and emergency medical services (including ambulance services);

WHEREAS, the DEPARTMENT is qualified to provide the fire protection and emergency services required by the ILLINOIS TOLLWAY on the Jane Addams Memorial Tollway (I-90) between milepost 58.5 and milepost 66.0 in the eastbound direction and between milepost 61.8 and 56.5 in the westbound direction, as depicted in Exhibit A (“Service Area”);

WHEREAS, the DEPARTMENT was created by and operates pursuant to general powers conferred under the Illinois Municipal Code, 65 ILCS 5/11-6-1, *et. seq.*;

WHEREAS, the ILLINOIS TOLLWAY, by virtue of its powers as set forth in the Toll Highway Act, 605 ILCS 10/1, *et. seq.*, is authorized to enter into this AGREEMENT,

NOW, THEREFORE, in consideration of the mutual covenants and representations contained herein, the ILLINOIS TOLLWAY and the DEPARTMENT (collectively, "Parties") agree as follows:

1. Relative to each occurrence in the Service Area (*see* Ex. A) to which the DEPARTMENT responds, the ILLINOIS TOLLWAY will pay the DEPARTMENT \$500.00 to reimburse a portion of the costs the DEPARTMENT incurs in connection with the response. On each annual anniversary of this AGREEMENT, this fee shall automatically increase by \$10.00. Also:
 - a. If helicopter rescue services are provided in accordance with criteria established by the hospital originating the request for such services, such services shall be billed directly by the helicopter rescue service to the party the helicopter was required to transport; the ILLINOIS TOLLWAY shall not be responsible for helicopter transport services, except as provided under Workers' Compensation Act, 820 ILCS 305/1, *et seq.*;
 - b. Special hazardous material rescue and clean up services not provided by the DEPARTMENT shall be billed directly by the provider to the person(s) or entities who caused such services to be required.
 - c. Nothing in this AGREEMENT shall prohibit the DEPARTMENT from billing any patient, including the insurance provider for the patient, for ambulance transportation to receive emergency medical care.

2. For, and in consideration of, the compensation specified above, which the ILLINOIS TOLLWAY and the DEPARTMENT agree constitutes the sole and exclusive amount for which the ILLINOIS TOLLWAY will be responsible for as a result of or due to a response by the DEPARTMENT, the DEPARTMENT agrees:
 - a. To use its best efforts to provide fire protection and emergency services for persons and property in the Service Area. If changes in the Service Area are required to more efficiently serve the needs of ILLINOIS TOLLWAY patrons, the Service Area may be amended by written agreement of the Parties.
 - b. To proceed, whenever fire equipment is available, to the location in the Service Area (*see* Ex. A) designated by an authorized representative of the ILLINOIS TOLLWAY. The DEPARTMENT shall make every effort to provide its own back-up response when its own manpower and/or equipment is not available for call-out. In the event an emergency call is directed to the DEPARTMENT from a source other than the ILLINOIS TOLLWAY, the DEPARTMENT shall promptly notify an authorized representative of the ILLINOIS TOLLWAY of the nature of the emergency and the designated location.
 - c. To respond with necessary available equipment and manpower as indicated by the information provided by the authorized representative of the ILLINOIS TOLLWAY.

- d. To present to the ILLINOIS TOLLWAY, within forty-five (45) days of an event in the Service Area that requires the provision of any fire protection and emergency services, an invoice including the hour, date, time and place of the DEPARTMENT's response to the event; and the amount due and owing from the ILLINOIS TOLLWAY pursuant to this AGREEMENT. The ILLINOIS TOLLWAY will promptly process all timely and sufficient invoices submitted by the DEPARTMENT. The DEPARTMENT shall not bill the ILLINOIS TOLLWAY for any services billed to an ILLINOIS TOLLWAY patron, and the ILLINOIS TOLLWAY shall not be responsible for any services billed to an ILLINOIS TOLLWAY patron, even if the DEPARTMENT fails to obtain payment from or on behalf of the ILLINOIS TOLLWAY patron.
- e. To keep confidential, and not disclose, distribute or otherwise share, any photographs, video or electronic images that depict any matter that may have occurred on ILLINOIS TOLLWAY property, except for disclosures to (i) physicians and medical personnel directly involved in the treatment of a patient involved in an occurrence, (ii) insurance companies representing a party involved in an occurrence, or (iii) the State Fire Marshal. Disclosure also is permissible to the extent required by the Illinois Freedom of information Act.

I. GENERAL PROVISIONS

5. This AGREEMENT may be executed (including electronically) in two (2) or more counterparts, each of which shall be deemed an original and all of which shall be deemed one and the same instrument.
6. This AGREEMENT may not be amended or modified without the written consent of the Parties and the Illinois Attorney General.
7. This AGREEMENT shall be binding upon and inure to the benefit of the PARTIES and their respective successors and approved assigns.
8. Failure by the ILLINOIS TOLLWAY or the DEPARTMENT to seek redress for a violation of this AGREEMENT or to insist upon the strict performance of any condition or covenant of this AGREEMENT shall not constitute a waiver of any breach or subsequent breach of such covenants, terms, conditions, rights and remedies. No provision of this AGREEMENT shall be deemed waived by the ILLINOIS TOLLWAY or the DEPARTMENT unless such provision is waived in writing by the Party intended to benefit therefrom.
9. This AGREEMENT shall be governed and construed in accordance with the laws of the State of Illinois, without regard to conflicts of law principles, and in the event of a dispute, venue shall lie exclusively in DuPage County, Illinois.
10. The DEPARTMENT shall maintain books and records relating to the performance of this AGREEMENT necessary to support amounts charged to the ILLINOIS TOLLWAY. The DEPARTMENT shall maintain books and records, including information stored in databases or other computer systems, for a period of three (3) years from the date of final payment under this AGREEMENT. Books and records the DEPARTMENT is required to maintain shall be available for review or audit by representatives of the Auditor General, the Executive Inspector General, the Illinois Tollway Inspector General, State of Illinois or ILLINOIS TOLLWAY internal auditors or other governmental entities with monitoring authority, upon reasonable notice and during normal business hours.

**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: **REQUEST APPROVAL OF AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF HOFFMAN ESTATES AND HANOVER TOWNSHIP FOR EMERGENCY SERVICES MUTUAL AID**

MEETING DATE: **August 15, 2022**

COMMITTEE: **Public Health & Safety Committee**

FROM: **Alan Wax, Fire Chief
Kasia Cawley, Chief of Police**

PURPOSE: Request approval of an Intergovernmental Agreement (“IGA”) between the Village and Hanover Township for emergency services mutual aid.

BACKGROUND: For several years, the Fire and Police Departments have used the services and equipment of the Hanover Township Emergency Services Department (HTES) fairly often during emergencies and special events. They provide traffic control, responder rehabilitation, breathing air support, property-loss-mitigation, firefighter decontamination, drones, scene security, scene lighting, search-and-rescue, weather-spotting, and other services. They also have equipment that we may use for traffic control, firefighting and clean-up, flooding mitigation, weather damage mitigation, responder rehab, and vehicle accident responses.

We note that HTES is NOT a fire department - they provide emergency-incident, non-emergency incident, and event support to fire and police departments whose jurisdictions include the Township (like Hoffman Estates), and they offer “standard EMA services” to residents/businesses in the Township. They have a paid director (the only paid employee) and staff a “retired” fire station 24/7 with volunteers.

DISCUSSION: Investigation has revealed that, while HTES is an associate member of the Illinois Fire Departments’ Mutual Aid Box Alarm System (MABAS) Division 2 (Hoffman Estates FD and west), HTES has never entered the MABAS Master Agreement since it is not a municipal fire department or fire protection district. This raises a concern regarding potential responsibility should an injury or property loss occur while providing service to Hoffman Estates.

We very much appreciate the services that HTES provides to both of our Village departments, but we wish to address the concerns noted. HTES

has entered IGAs with other jurisdictions to address the concerns, and we wish to do the same. Attached is a recommended IGA with Hanover Township for Emergency Services response, with language that is consistent with the verbiage within the MABAS Master Agreement.

FINANCIAL IMPACT: None

RECOMMENDATION: We recommend approval of the IGA with Hanover Township for emergency services.

MUTUAL AID AGREEMENT

BETWEEN THE VILLAGE OF HOFFMAN ESTATES AND THE HANOVER TOWNSHIP EMERGENCY SERVICES DEPARTMENT

This Agreement (hereinafter, the “Agreement”) is hereby made and entered into by and between the Village of Hoffman Estates, Illinois (hereinafter, the “Village”) and Hanover Township, Illinois (hereinafter, the “Township”) (collectively, the “Parties”). In consideration of the mutual promises and covenants contained herein, the adequacy and sufficiency of which is hereby acknowledged, the Parties hereby agree, as follows:

1. Definitions. For the purpose of this Agreement, the following terms shall have the meaning set forth in this Paragraph 1.
 - a. “Department” shall mean the Hoffman Estates Fire Department, the Hoffman Estates Police Department, or the Hanover Township Emergency Services Department, as applicable.
 - b. “Department Head” shall mean the Chief of the Department or his/her designee(s).
 - c. “Requesting Department” shall mean a Department which requests assistance pursuant to this Agreement.
 - d. “Aiding Department” shall mean a Department providing equipment, personnel, and/or services to a Requesting Department pursuant to this Agreement.
 - e. “Emergency” shall mean an occurrence or condition which results in a situation of such magnitude and/or consequence that it cannot be adequately handled by a Requesting Department, and the Requesting Department determines the necessity and advisability of requesting assistance from an Aiding Department.
 - f. “Special Event” shall mean a non-Emergency activity (often pre-scheduled, such as a community gathering or parade) within a Department’s jurisdiction for which Personnel, Equipment or services is requested from an Aiding Department.
 - g. “Equipment” shall mean any vehicles and equipment owned by the Parties.
 - h. “Personnel” shall mean any employees or volunteers of the Parties.
2. Authority to Affect Mutual Aid. The Parties hereby authorize and direct their respective Department Heads to take necessary and proper action to render mutual assistance to, and/or request mutual assistance from, the other Departments, in accordance with their respective policies and procedures, as well as all applicable Local, State, and Federal statutes, regulations, and ordinances.
3. Requests for Mutual Aid. Whenever an emergency occurs or conditions are such that the Department Head of a Requesting Department determines it advisable to request assistance pursuant to this Agreement, he or she shall notify the Aiding Department of the nature and

location of the emergency, and the type and amount of Equipment, Personnel, and/or services to be requested from the Aiding Department. If an Aiding Department is willing and able to provide assistance, its Department Head shall inform the Requesting Department about the type of available resources and the approximate arrival time of such assistance. Any assistance rendered by an Aiding Department shall be to the extent of available personnel and equipment, as determined by its Department Head or designee. An Aiding Department is not obligated to respond to a request for assistance pursuant to this Agreement.

4. Jurisdiction over Personnel and Equipment. During an Emergency, the Personnel of an Aiding Department that are providing assistance to a Requesting Department pursuant to this Agreement will report to, and serve under the direction and control of, the Incident Commander of the Requesting Department and in accordance with the National Incident Management System. During a Special Event, the Personnel of an Aiding Department that are providing assistance to a Requesting Department pursuant to this Agreement will report to, and serve under the direction and control of, the Requesting Department's officer-in-charge of the Special Event. Anytime a Aiding Department provides Personnel, Equipment, or services, the Aiding Department's Personnel shall remain employees and/or volunteers of the Aiding Department. An Aiding Department shall, at all times, have the right to withdraw any and all assistance upon the order of its Department Head.

5. Compensation for Aid. Equipment, Personnel, and/or services provided pursuant to this Agreement shall be at no charge to the Requesting Department; provided, however, that any expenses recoverable from third-parties shall be equitably distributed among the Parties. Nothing herein shall operate to bar any recovery of funds from any state or federal agency under any existing statutes.

6. Insurance. Each Party shall procure and maintain, at its sole and exclusive expense, insurance coverage, including comprehensive liability, personal injury, property damage, workers' compensation, and, if applicable, emergency medical service professional liability, with minimum limits of \$1,000,000 auto and \$1,000,000 combined single limits general liability and professional liability. No Party shall have any obligation to provide or extend insurance coverage for any of the items enumerated herein to the other Party hereto or its Personnel. The obligation of this paragraph 6 may be satisfied by a Party's membership in a self-insured pool, or a self-insured plan or arrangement with an insurance provider approved by the State of Illinois. A Party may require that copies or other evidence of compliance with the provisions of this Section be provided to its Department Head. Upon request, a Party and its Department Head shall provide such evidence, as herein provided, to the other Party to this Agreement. Each Party understands and agrees that any insurance coverage obtained shall in no way limit that Party's responsibility under paragraph 7 of this Agreement to indemnify and hold the other Party harmless from such liability.

7. Indemnification. Each Party agrees to waive all claims against the other Party for any loss, damage, personal injury, or death occurring in consequence of the performance of this Agreement; provided, however, that such claim is not a result of gross negligence or willful misconduct by a Party or its Personnel. Each Party requesting assistance pursuant to this Agreement hereby expressly agrees to hold harmless, indemnify, and defend the Party rendering assistance and its employees and/or volunteers from any and all claims, causes of action, demands, liability, damages, losses, expenses (including attorneys' fees), or suits in law or in

equity which are made by a third party; provided, however, that all employee benefits, wage and disability payments, pensions, workers' compensation claims, damage to or destruction of equipment or clothing, and medical expenses of the Party rendering aid or its employees and/or volunteers shall be the sole and exclusive responsibility of the Party rendering aid; and provided, further, that such claims made by a third party are not the result of gross negligence or willful misconduct on the part of the Party rendering aid.

8. Non-Liability for Failure to Render Aid. The rendering of assistance under this Agreement shall not be mandatory if local conditions of the Aiding Department prohibit response. No liability of any kind or nature shall be attributed to or be assumed, whether expressly or implied, by a Party, or its duly authorized agents and personnel, for failure or refusal to render aid, or for the withdrawal of aid, once provided, pursuant to the terms of this Agreement.

9. Notice of Claim or Suit. Each Party who becomes aware of a claim or suit that in any way, directly or indirectly, contingently or otherwise, affects or might affect the other Party shall provide prompt and timely notice to the Party who may be affected by the suit or claim. Each Party reserves the right to participate in the defense of such claims or suits as necessary to protect its own interests.

10. Notices. All notices hereunder shall be in writing and shall be served personally or by registered mail or certified mail, return receipt requested, postage prepaid, addressed as follows:

If to the Township

11. Governing Law. This Agreement shall be governed, interpreted, and construed in accordance with the law of the State of Illinois.

12. Effective Date. This Agreement shall become effective upon the mutual signature of this Agreement by both Parties.

13. Execution in Counterparts. This Agreement may be executed in multiple counterparts or duplicate originals, each of which shall constitute and be deemed as one and the same document.

14. Binding Effect. This Agreement shall be binding upon and inure to the benefit of any successor entity which may assume the obligations of either Party hereto; provided, however, that this Agreement may not be assigned by a Party without prior written consent of the other Party.

15. Term. This Agreement shall be in effect for a term of one (1) year from the Effective Date, as provided in paragraph 12 herein, and shall automatically renew for successive one (1) year terms, unless terminated in accordance with this paragraph. Either Party may terminate its participation in this Agreement at any time by giving the other Party at least sixty (60) days advanced written notice of the specified date of termination.

16. Amendments. Any amendments to this Agreement must be in writing and executed by both Parties.

17. Severability. The invalidity of any provision of this Agreement shall not render invalid any other provision. If for any reason, any provision of this Agreement is determined by a court of competent jurisdiction to be invalid or unenforceable, that provision shall be deemed severable and this Agreement may be enforced with that provision severed or modified by court order.

PATROL DIVISION ACTIVITY REPORT

During the month of July the Patrol Division responded to 3574 calls for service. The following is a brief summary of some of the activities:

On 02 July, Officer Meyer initiated a traffic stop at Higgins Road and Salem Drive for a "Scott's Law" violation. Upon speaking to the driver, Officer Meyer smelled an odor of burnt cannabis coming from inside the vehicle. Officer Meyer questioned the driver about the smell and the driver produced an improperly package of cannabis. The driver, a 37-year old resident of Chicago, was placed under arrest. A subsequent search of the vehicle produced a loaded .357 magnum revolver. Knowing the offender was a previously convicted felon, Officer Meyer contacted felony review. The Assistant States Attorney approved one count of Aggravated Unlawful Use of a Weapon by a felon.

On 08 July, Officer Higgins initiated a traffic stop on a vehicle at Higgins Road and Greenspoint Parkway for displaying improper registration. The registration on the vehicle stated "PRIVATE" and "No Driver License or Insurance Required." Officer Higgins spoke to the driver who refused to produce a driver's license or insurance card. The driver repeatedly said, "I would like to invoke my rights" and refused lawful commands given by Officer Higgins. The driver, a 54-year old resident of Arlington Heights, was subsequently arrested for Obstructing a Police Officer. During a search of the vehicle, Officer Higgins located a .357 caliber Ruger handgun in a location immediately accessible by the driver. Officer Higgins also located the driver's passport. The offender's driver's license was valid and he possessed a valid IL FOID card. The offender was charged with Obstructing a Police Officer and Unlawful Use of Weapon.

On 10 July, Officers Chereck, Ramos, Capocci and Sergeant Boulahanis responded to 1400 block of Glen Lake Road for a burglary. The owner responded to the store after his alarm company advised him of an activation, police were not called at that time. The store owner arrived and observed the front window broken. After viewing security camera footage, the owner believes the offender took several bottles of alcohol and was searching for the vape pens. The owner stated vape pens are moved every night due to previous burglaries. The owner believes the offender in the video is the same suspect who previously burglarized the store. Officers searched the area but were unable to locate the offender. This case was turned over to Detectives for further investigation.

On 17 July, Officer Jennings was advised by a citizen that a vehicle parked on the 2000 block of North Barrington Road was seen on the roadway unable to maintain their lane of travel. Officer Jennings responded to the area and located the vehicle leaving the parking lot. He observed the vehicle fail to signal a turn and nearly strike another vehicle on the roadway. He conducted a traffic stop on the vehicle and spoke to the driver. The driver showed several signs of impairment by alcohol and admitted to taking prescription drugs. The driver, a 31-year old resident of South Barrington, was placed under arrest for DUI. A subsequent search of the arrestee produced a clear plastic bag containing 11 pills. The pills were

(Continued on page 2)

PATROL DIVISION REPORT CONT..

identified as Alprazolam and Diazepam. The arrestee was charged with DUI and Possession of a Controlled Substance.

On 17 July, Officers from the Nights B Platoon responded to the 1800 block of Jamestown Circle for a report of an electronic monitoring alarm. The alarm indicated that a respondent of an Order of Protection was in the residence of the petitioner of the Order of Protection. Upon arrival, officers knocked on the door but there was no answer. Officer Adlon observed a woman at the bottom of the staircase who made eye contact with him but would not open the door. The woman repeatedly looked toward the staircase and then back at Officer Adlon, but she would not open the door. Additionally, Officer Adlon observed a foot at the top of the staircase that appeared to be that of an adult. Officer Adlon could also hear an audible alarm coming from inside the residence. Back up officers arrived and officers forced entry into the residence. Inside the residence, officers located and arrested the respondent from the Order of Protection, a 26- year old resident of Des Plaines. The petitioner of the order advised officers that the arrestee prevented her from opening the door for police. The petitioner and her 3 children were not injured as a result of this incident.

VILLAGE OF HOFFMAN ESTATES EMERGENCY MANAGEMENT AGENCY

The Village of Hoffman Estates Emergency Management status report for July, 2022:

Progress:

This past month's focus was on special event planning for the Northwest Fourth Fest, village parade and fireworks events.

EMC:

The month of July required a lot of attention on severe weather preparedness and notification, siren maintenance, special event operations. Our village hosted another year of the Northwest Fourth fest, a village parade and fireworks. Special event planning this month included planning meetings and Event Action Plan (EAP) development for the 2022 Northwest Fourth Fest, Parade and Fireworks events. The process of EAP development requires frequent collaboration and communication among public safety personnel. I also coordinated multiple resources from Cook County to be used by the village for our special events this month.

EMA Team:

The EMA Team participated in the Village 4th of July parade and the Village Fireworks event by supporting law enforcement operations with traffic assistance.

Outlook:

This month, I will be completing the revisions of the Village Emergency Plans for Evacuation and Sheltering. The EMA team will be participating in the National Night Out event on August 2, 2022 to pass out public information pamphlets. I will also be focused on monitoring severe weather forecasts and ensuring the Damage Assessment Team is able to conduct windshield assessments when necessary.

Due to a hold up at the manufacturer, the installation timeline for Outdoor Warning Siren #10, located at 4785 Higgins Rd is unknown at this time.
