

Being Informed

The Village of Hoffman Estates Department of Health & Human Services wants to make sure that every senior in Hoffman Estates is receiving the services they need.

Our department realizes that many times, seniors are not aware of the many wonderful services available to them. We developed this brochure to help residents find the services they need without the headache of calling all over the Northwest Suburbs to find them!

Please use this brochure as a resource as you continue to live a long and rewarding life. Was the brochure helpful to you? We would love to hear about it!
