MEETING MINUTES**

May 6, 2024

I. Roll call

Members in Attendance:

**Anna Newell, Chairperson
Karen Mills, Vice Chairperson
Gary Pilafas, Trustee
Gary Stanton, Trustee
Karen Arnet, Trustee
Pat Kinnane, Trustee
William McCod, Mayor**

**Management Team Members
in Attendance:**

**Eric Palm, Village Manager
Dan O'Malley, Deputy Village Manager
Arthur Janura, Corporation Counsel
Alan Wax, Fire Chief
Kasia Cawley, Police Chief
Jon Pape, Assistant Village Manager
Kevin Kramer, Dir. of Econ. Dev.
Joe Nebel, Director of Public Works
Rachel Musiala, Finance Director
Monica Saavedra, Director of HHS
Alan Wenderski, Director of Eng.
Darek Raszka, Director of IT
Freddy Segura, GIS Manager
Jenny Horn, Dir. of Trans. & Eng.
Patrick Seger, Director of HRM
Missy Brito, Communications Mgr.
Paul Petrenko, Facilities Supt.
Oscar Gomez, Civil Engineer
Ben Gibbs, GM, NOW Arena
Bev Romanoff, Village Clerk
Ric Signorella, Multimedia Manager**

The Public Works and Utilities meeting was called to order at 7:31 p.m.

II. Approval of Minutes

Motion by Trustee Kinnane, seconded by Trustee Arnet, to approve the Public Works & Utilities Committee meeting minutes of March 25, 2024. Voice vote taken. All ayes. Motion carried.

III. Public Comment

NEW BUSINESS

- 1. Request approval of Change Order #1 to the contract with Utility Dynamics Corporation, Oswego, IL, for the collector street lighting improvements project for the reduction of \$117,042 for a total not to exceed cost of \$780,469.**

An item summary sheet from Al Wenderski was presented to Committee.

Al Wenderski addressed the Committee and reported that the reduction is for the removal of the Ash Road from the project.

Motion by Trustee Stanton, seconded by Trustee Arnet, to approve Change Order #1 to the contract with Utility Dynamics Corporation, Oswego, IL, for the collector street lighting improvements project for the reduction of \$117,042 for a total not to exceed cost of \$780,469. Voice vote taken. All ayes. Motion carried.

- 2. Request authorization to award a three-year contract for Brivo panel upgrades and hosting fees to Sound Incorporated, Naperville, IL (low bid) in a total amount not to exceed \$122,360.**

An item summary sheet from Joe Nebel and Paul Petrenko was presented to Committee.

Motion by Trustee Arnet, seconded by Mayor McLeod, to award a three-year contract for Brivo panel upgrades and hosting fees to Sound Incorporated, Naperville, IL (low bid) in a total amount not to exceed \$122,360. Voice vote taken. All ayes. Motion carried.

- 3. Request authorization to award a three-year contract for parkway tree maintenance to Advanced Tree Care, Lincolnshire, IL (low bid) in a total amount not to exceed \$450,000.**

An item summary sheet from Joe Nebel and Nick Lackowski was presented to Committee.

Motion by Trustee Stanton, seconded by Trustee Mills, to award a three-year contract for parkway tree maintenance to Advanced Tree Care, Lincolnshire, IL (low bid) in a total amount not to exceed \$450,000. Voice vote taken. All ayes. Motion carried.

- 4. Request authorization to award a contract for the installation of a variable frequency drive at Abbey Wood Pump Station to Marc Kresmery Construction LLC, Elgin, IL (sole bid) in an amount not to exceed \$113,300**

An item summary sheet from Joe Nebel and Jeremy Jahnke was presented to Committee.

Motion by Trustee Stanton, seconded by Trustee Mills, to award a contract for the installation of a variable frequency drive at Abbey Wood Pump Station to Marc Kresmery Construction LLC, Elgin, IL (sole bid) in an amount not to exceed \$113,300. Voice vote taken. All ayes. Motion carried.

REPORTS (INFORMATION ONLY)

1. Department of Public Works Monthly Report

Joe Nebel reported that the Department of Public Works is busy with several projects including fire hydrants, street sweeping, sidewalk replacements, T5 (Olmstead) painting, silver maple tree removal, brush drop-off program beginning, and Citizens Academy starting in July. The annual recycling event will be moved to Village Hall in August due to construction on Pembroke.

The Department of Public Works Monthly Report was received and filed.

2. Engineering Division Monthly Report

The Engineering Division Monthly Report was received and filed.

III. President's Report

IV. Other

V. Items in Review

1. Discussion of Future Community Engagement for Street Lighting Project.

VI. Adjournment

Motion by Trustee Mills, seconded by Trustee Stanton, to adjourn the meeting at 7:46 p.m. Voice vote taken. All ayes. Motion carried.

Minutes submitted by:

Debbie Schoop, Executive Assistant

Date

**COMMITTEE AGENDA ITEM
VILLAGE OF HOFFMAN ESTATES**

SUBJECT: Request authorization to approve Change Order #1 for the repair/rehabilitation of Well #10 to Municipal Well & Pump, Waupun, WI, in a total amount not to exceed \$45,000

MEETING DATE: May 28, 2024

COMMITTEE: Public Works & Utilities

FROM: Joseph Nebel, Director of Public Works

BACKGROUND: In March 2024, the Village Board authorized a contract with Municipal Well & Pump for the repair and rehabilitation of Well # 10, located at 2150 Stonington Avenue. With consideration for a planned Northwest Suburban Municipal Joint Action Water Agency (NSMJAWA) service interruption, the well was pulled quickly to identify/resolve the issue and return the well to service as quickly as possible. While the NSMJAWA service interruption has been indefinitely delayed, returning well #10 to service adds an additional layer of redundancy as a backup water supply and remains a high priority.

DISCUSSION: During rehabilitation, the well motor was sent to a third-party company for inspection and repair of common wear items. During inspection, some significant deficiencies were identified. The Village was provided with an estimated cost of \$80,000 or more to complete the necessary repairs. However, a new motor was located, in stock, and able to be purchased and installed for approximately \$65,000. In follow-up discussions with Municipal Well, it is believed that the deficiencies are related to the age of the motor and a breakdown of some of the original materials and wiring.

FINANCIAL IMPACT: There is \$648,000 in the 2024 Capital Improvement Program Water/Sewer Fund for well rehabilitation. In addition to previously approved funding (\$450,000), the requested funding will bring the total project cost to approximately \$495,000.

RECOMMENDATION: Request authorization to approve Change Order #1 for the repair/rehabilitation of Well #10 to Municipal Well & Pump, Waupun, WI, in a total amount not to exceed \$45,000

May 13, 2024

Village of Hoffman Estates
Public Works Department
Mr. Joseph Nebel, Director of Public Works
1900 Hassel Road
Hoffman Estates, IL 60169

Subject: Well #10 Repair-Motor Repair and Replacement Options
Revised Motor Price

Dear Mr. Nebel:

We are pleased to provide our report for the additional work required on the 400HP motor that was inspected at Dreisilker Electric. This is in addition to our report of March 18, 2024.

DISCHARGE HEAD & MOTOR

The discharge head is in good shape, however, the oil tube tension assembly must be replaced . We have now heard condition of the motor from Dreisilker. Originally they said the motor parts were obsolete, but now have figured repairs.

Report by Dreisilker-REPAIR EXISTING MOTOR

- 1) Motor Test
- 2) Disassemble motor, inspect bearings and journals
- 3) Steam/solvent clean, bake and test motor winding
- 4) Solvent clean motor parts
- 5) Measure bearing housing and shaft journals
- 6) Rewind stator
- 7) Install new rotor
- 8) Pressure test
- 9) Precision dynamically balance rotating assembly
- 10) Replace motor bearings
- 11) Replace roller bearings
- 12) Reassemble and test run motor to meet OEM Specification
- 13) Paint
- 14) Deliver

\$85,622.00

Rotor delivery quoted at 4-6 weeks and repairs 6 to 8-weeks

NEW MOTOR

Nidec (US) Weather Protected motor
 -400HP
 -449TPH frame
 40-degree C Ambient rise
 WP-1 Enclosure
 1785rpm
 3/60/460V

Freight not included \$64,928.00

Current Delivery: **In Stock**. I'm sure it will take a few days to get it ready to ship, but this is good news.

Current project summary is as follows less motor options:

Item #	Item Description	Quantity	Units	Unit Price	Extended Price
1	Mobilization	1	LS	\$ 16,340.00	\$ 16,340.00
2	Pull, Inspect & Reinstall	1	LS	85,660.00	85,660.00
3	Motor Inspection	1	LS	660.00	660.00
4	TV Well	1	LS	3,810.00	3,810.00
5	Sandblast & Recoat Column Pipe	-	FT		-
6	Sandblast & Recoat Oil Tubing	-	FT		-
7	Cut & Rethread Column Pipe	20	JT		-
8	Air Lines (Paired)	870	FT	1.00	870.00
9	Bowl Assembly (Rebuild Existing)	1	LS	25,000.00	25,000.00
10	Column Pipe	870	FT	124.00	107,880.00
11	Pipe Coupling	44	EA	214.00	9,416.00
12	Oil Tubing	870	FT	54.00	46,980.00
13	Lineshaft	870	FT	41.00	35,670.00
14	Lineshaft Coupling	44	EA	49.00	2,156.00
15	Lineshaft Bearing	174	EA	246.00	42,804.00
16	Suction Pipe	1	EA	1,540.00	1,540.00
17	Spider Bushing	25	EA	39.00	975.00
18	Motor Drive Shaft	1	EA	1,170.00	1,170.00
19	Bail Sand	-	HR		-
20	Bail Oil	11	HR	569.00	6,259.00
21	Pump Test	6	HR	482.00	2,892.00
22	Well Disinfection	1	LS	1,450.00	1,450.00
23	Unspecified Pump Repairs - Allowance	1	LS		-
24				-	-
25	Labor to reassemble oil tubing	20	Hours	374.00	7,480.00
26	Top Oil tube tension assembly	1	Lsum	4,160.00	4,160.00
27	Oil tube taping	870	feet	26.00	22,620.00
28				-	-

Current Estimated Total-less motor options: \$425,792.00

Currently we have column and inner column in shop. The oil tubing has not been taped yet and bowl parts are on hand and bowl has not been assembled.

After review of the above, should you have any questions or need anything additional, please feel free to contact this office accordingly. On behalf of Municipal Well & Pump, we appreciate the opportunity to be of service to you and the Village of Hoffman Estates.

Respectfully Submitted,

MUNICIPAL WELL & PUMP

Dick Milaeger

**VILLAGE OF HOFFMAN ESTATES
DEPARTMENT OF DEVELOPMENT SERVICES
ENGINEERING DIVISION MONTHLY REPORT**

SUBMITTED TO: PUBLIC WORKS & UTILITIES COMMITTEE

BY: Alan Wenderski, P.E. Director of Engineering

May 2024

VILLAGE PROJECT UPDATES

2024 Storm Sewer Rehabilitation Project

Design ongoing. Staff reviewing CCTV inspections of all project locations.

2023 Street Revitalization

Completion of minor punch list items ongoing.

2024 Street Revitalization – Contract 1 and 2

Contract 1: Work ongoing. See attached project update.

Contract 2: Work ongoing. See attached project update.

925 Grand Canyon Parkway Basin

Living Waters Consultants is contracted to complete conceptual design and evaluate alternatives to address shoreline erosion concerns at this location. Concept plan has been completed and reviewed by staff. Grant application for IEPA Section 319 funding submitted on May 1.

Barrington Square Town Center Sanitary Sewer

Alternative analysis review complete. Design is ongoing with expected completion of design in early 2024. V3 contracted for design engineering services.

Batavia Lane (Rebuild Illinois Funds)

Work ongoing. Sanitary Sewer, Water Main, and Storm Sewer improvements complete. Street reconstruction work is underway and is scheduled to be completed the week of May 27. Chastain & Associates contracted for construction engineering services.

Beverly Road Path & Resurfacing (Beacon Pointe Drive – Prairie Stone Parkway) (STP-L funding)

Work is ongoing. Stage 1 lane closures are in effect with the inside lanes currently closed for northbound and southbound traffic. Median modifications and bridge deck work ongoing. Civiltech contracted for construction engineering services.

Bridge Inspections

Agreement with Civiltech for 2024-2025 program management approved. Required 2024 inspections expected to begin in summer 2024.

Collector Street Lighting

Work on Thacker St expected to resume in July. Work on Illinois Blvd expected to begin in July. Contractor is awaiting delivery of light poles and foundations.

Floodplain Elevation Surveying Services

Elevation certificates currently under review. V3 contracted for surveying services.

Gannon Drive (Golf Road – Higgins Road)

Kick-off meeting with IDOT was held in April 2023. Engineering services supplement approved in September 2023. Staff completed review of capacity analysis and design alternatives. Intersection Design Study for Golf/Gannon submitted to IDOT for review and approval. Completion of Phase 1 and design approval expected in October 2024. Funding for construction/construction engineering has been included in the Northwest Council of Mayors Proposed FFY 2025-2029 STP-L Program that was approved on April 29. TranSystems contracted for Phase I engineering services.

Hassell Road STP Resurfacing (2025) (Fairway Court – Rosedale Lane)

Agreement for Phase II design engineering approved and executed in October 2023. Project kick-off meeting was held in December 2023. IDOT Phase II kick-off meeting was held on February 22. Staff completed review of pre-final plans. Environmental Survey Request (ESR) sent to IDOT for review and approval. Design ongoing. Civiltech contracted for design engineering.

Hoffman Boulevard Bridge Deck Resurfacing

Design engineering contract was awarded to Civiltech. Kick-off meeting was held in September 2023. Staff submitted funding request to IDOT. Response to request expected in early 2024.

Village Hall Parking Lot Improvements

MWRD Green Infrastructure Grant Application submitted on March 8. Village was notified by MWRD on May 17 that the funding partnership was accepted. See attached MWRD correspondence. Awaiting engineering agreement supplement with Hey & Associates for design engineering. An IGA with MWRD will be forthcoming. Construction will be required to be completed in 2025. Preliminary engineering services completed by Hey & Associates.

COMMERCIAL PROJECT UPDATES**Advocate Outpatient Center – 4847 Hoffman Boulevard**

Mass grading work complete. Water, sanitary, and storm installation substantially complete. Building work is ongoing.

Belle Tire – 4801 Hoffman Boulevard

Project complete, awaiting revised record drawings.

ComEd Substation Expansion – 2480 Pembroke Avenue

Site and building work ongoing.

Compass – 3333 Beverly Road

Demolition ongoing. Staff comments provided for proposed site mass grading.

Illinois Tollway M-5 Building

Water main installation complete. Record drawings received. Awaiting MWRD final inspection and recordation of plat of easement.

**Microsoft Data Center – 2190-2200 Lakewood Boulevard
Substation – 2200 Lakewood Boulevard
Underground Electric Installation (Pembroke – Lakewood)**

Site work for Substation nearing completion. Construction of underground electric between 2480 Pembroke substation and Microsoft substation is underway. Staff completed review of CHI06 building permit.

Popeye's – 2280 W Higgins Road

Site and building work ongoing.

Roselle TIF Culvert Replacement

Work substantially complete. Awaiting completion of record drawings for review and for LOMR submittal to FEMA.

RESIDENTIAL PROJECT UPDATES

Seasons – SE Corner of IL 72 & Moon Lake Boulevard

Site and building work ongoing.

Walnut Pond Estates – NE Corner of Rohrssen Road & McDonough Road (Formerly Airdrie Estates)

Staff completed review of underground utility CCTV and awaiting response from comments. Several lots are under construction. Detention basin improvements complete, record drawing reviewed and approved by staff.

MISCELLANEOUS UPDATES

Pavement condition rating inspections are ongoing.

Personnel

Open positions currently advertised for Civil Engineer I and Traffic Engineer I.

Welcomed two of the seasonal Civil Engineer interns:

- Nate Frank
- Sofia Quintana

Stormwater

IEPA MS4 permit Annual Report being drafted and will be completed and submitted by the end of May.

Rebuild Illinois Capital Plan Funds

The Village has received notification that four grants allocated in the 2019 State Capital Bill have been released. To receive funds, grant applications must first be submitted. Once the grant application has been received and reviewed the state will provide a Grant Agreement for execution. Each grant requires completion of the corresponding project within a 2-year term starting on the date of state bond release of the funding. See below for the status of the four active grants.

Project	Grant Funding	Status	Term
Batavia Ln Infrastructure Improvements	\$250,000	Grant agreement fully executed	12/1/23 – 11/30/25
Huntington Blvd Water Main	\$1,000,000	Grant agreement fully executed	7/1/23 – 6/30/25

¹Tentative / Actual

Definition of Construction Steps:

- Layout: Village engineers evaluate existing conditions, determine removals, and complete construction staking.
- Tree Root Pruning: A circular saw machine cuts tree roots to reduce damage to the tree during construction
- Sawcutting: A circular saw machine cuts the concrete and asphalt at construction joints
- Concrete Removal: The contractor removes existing sidewalk, curb and gutter, and driveway aprons that will be replaced
- Asphalt Removal: The contractor uses either a backhoe or milling machine to remove existing asphalt layers
- Earth Excavation: Removal of all materials located below the existing road to a stabilized subgrade
- Sub base Backfill: The installation of stone to a depth of 8" – 12" with a layer of geotextile fabric.
- Storm Sewer: Repair and replacement of existing storm sewer structures and pipes
- Curb & Gutter: The installation of concrete curb and gutter utilizing mechanical equipment or hand tools
- Driveway Aprons: The replacement of asphalt and concrete driveway aprons
- Sidewalks: The replacement of concrete public sidewalks
- Fine Grading: The shaping of the stone sub base to ensure drainage, compaction, and elevation.
- Asphalt Binder: The first layer of asphalt.
- Asphalt Patching: Repair of localized pavement failures on resurfacing streets
- Asphalt Surface: The final layer of asphalt
- Striping: Completion of permanent pavement striping

Mr. Alan Wenderski
Director of Engineering
Village of Hoffman Estates
1900 Hassell Road
Hoffman Estates, IL 60169

Dear Mr. Wenderski:

Subject: Notice of Green Infrastructure Partnership Program Project Selection

We are pleased to inform you that your project, titled "Village Hall Green Parking Lot in Hoffman Estates," has been selected for assistance through the Metropolitan Water Reclamation District of Greater Chicago (District) Green Infrastructure Partnership Program.

Funding assistance to be provided by the District, as well as other roles and responsibilities of both parties, will be defined through Intergovernmental Agreement negotiations, and subject to approval by our Board of Commissioners.

Ms. Holly Sauter, Principal Civil Engineer, or other staff of the District's Stormwater Management section will reach out to you to schedule a meeting to discuss the project and next steps. If any further information is required, contact Ms. Sauter via e-mail at SauterH@mwrld.org. We look forward to beginning our partnership to construct this project and achieving stormwater mitigation benefits for the project area.

Very truly yours,

Catherine A. O'Connor
Director of Engineering
