WHY ARE YOU INTERESTED IN THIS PROGRAM?	

Yes! Please add us to the email list to receive program updates and announcements.

Applicant must check and initial all of the following:

COMPLIANCE VERIFICATION

No points are awarded for the following section. If not in compliance, a business is not eligible for recognition.

- Business has a current business license in the Village of Hoffman Estates.
- Business has had no significant health violations which have not been corrected.
- Business has met compliance with all storm water-related regulatory requirements.
- Business has met compliance with all wastewater-related regulatory requirements.
- Business has met compliance with all air-related regulatory requirements.
- Business has met compliance with all hazardous materials-related regulatory requirements.
- Business has no current outstanding Village fines, fees, or taxes due.

During this process, you will be self-certifying your organization; however award winners may be subject to review of practices, including an on-site visit.

I verify that the information provided in this application, including compliance, is correct to the best of my knowledge.

Name and Title (print): _____

Signature of Applicant: _____

Business must be in compliance with regulatory requirements and all of the program criteria to obtain Green Business Status. To gain Recognition Status, your business must accumulate a total of 35 out of 100 points.
