Address of Property Owner Directly Affected

This form is to be completed by the property owner directly affected by the petitioner before the Planning and Zoning Commission and submitted with the Residential Variation Application.

The "property owner affected by the petition" may appear and testify for or against the petition. The date and time of the hearing will be mailed to said property owner.

Should assistance be required in determining property owners affected or in obtaining signatures, contact the Planning Division, 847/781-2660.
