Minimum Requirements/Criteria

The following criteria will be used to determine if your event is a special event, requiring completion of this application:

1. All outdoor events held on Village property, i.e., streets, sidewalks, the Village Green, and/or deemed to significantly impact normal Village operations (such as Police patrol, Fire/EMS service, etc.) are considered special events.

 - Events requiring street closures (except block parties, which are not considered special events).
 - Events that require closure of Village parking lots and/or the use of Village-owned property.

The Village shall determine the number of personnel necessary to ensure the safety of participants and to minimize the impact of the event on normal Village operations and resources.

The Village of Hoffman Estates shall determine if notification is necessary and the scope of notification required.
13. **Review by the Village of Hoffman Estates:** After submitting all required forms, the application will be reviewed by the Village of Hoffman Estates. All departments that will be involved in providing services or permits/licenses for the event will assist in reviewing the application.
14. **Right to Modify/Cancel Event:** Applicants should not assume that all aspects of the event will be approved; the event organizer may be asked to change details of the event plan based on the availability of services, scheduling of other events, public health and safety concerns, and applicable Village ordinances.
