

Did you know that carpooling to work can save you over \$3,000 annually?

The cost of driving can be expensive with the high price of fuel, tolls, parking and wear and tear on your car.

By carpooling to work, you can save more than half your monthly commuting costs.

But how do you find someone to share your commute with?

Carpooling Advantages:

- Saves money by splitting commuting costs
- Reduces pollution
- Gives riders time for other activities such as reading, sleeping, working and socializing
- Eases the stress associated with driving
- Decreases traffic congestion
- Lessens our dependency on foreign oil

Upgrade to a Vanpool!

If you have a group of 5 or more carpoolers, consider the benefits of switching to a Pace Vanpool. Pace supplies the vehicle and covers all costs, including:

- Fuel
- Maintenance
- Insurance
- Tolls
- Roadside assistance
- Van washes

Riders simply pay a low monthly fare based on distance and number of participants. The driver rides free and receives 300 personal miles a month!

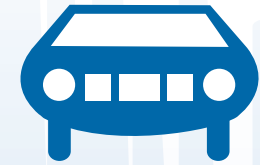

With more than 650 vans in operation around Chicagoland, the Pace Vanpool program is the second largest vanpool program in the country.

Even if you don't have a group of 5 people to start a new vanpool, the PaceRideShare.com system will display existing Pace vanpools that you match with once you've created a profile.

So search current vanpools for availabilities on PaceRideShare.com or start your own vanpool group today!
