#### DRAFT

### PLANNING, BUILDING & ZONING COMMITTEE MEETING MINUTES

December 8, 2014

#### I. Roll Call

Members in Attendance:

Karen Mills, Chairperson

Gayle Vandenbergh, Vice Chairperson

Gary Stanton, Trustee Anna Newell, Trustee Gary Pilafas, Trustee Michael Gaeta, Trustee

William D. McLeod, Village President

Management Team Members in Attendance:

Jim Norris, Village Manager

Arthur Janura, Corporation Counsel Dan O'Malley, Deputy Village Manager Mark Koplin, Asst. Vlg. Mgr. – Dev. Services

Peter Gugliotta, Director of Planning

Kevin Kramer, Economic Development Coord.

Patrick Seger, Director of HRM

Michael Hankey, Director of Transportation Gary Salavitch, Director of Engineering

Jeff Jorian, Fire Chief

Ted Bos, Acting Police Chief Algean Garner, Director of HHS Joe Nebel, Director of Public Works Rachel Musiala, Director of Finance Fred Besenhoffer, Acting Director of IS Bruce Anderson, CATV Coordinator

Ben Gibbs, GM, Sears Centre

Patti Cross, Asst. Corporation Counsel

Ken Koop, Risk Manager

Ashley Monroe, Asst. to Village Manager

The Planning, Building & Zoning Committee meeting was called to order at 7:05 p.m.

#### II. Approval of Minutes

Motion by Trustee Gaeta, seconded by Trustee Pilafas, to approve the Planning, Building & Zoning Committee meeting minutes of November 10, 2014. Voice vote taken. All ayes. Motion carried.

#### **NEW BUSINESS**

1. Request by Ala Carte Entertainment (owner) for approval of a plat of easement for watermain at Moretti's Restaurant located at 2475 W. Higgins Road.

An item summary sheet from Peter Gugliotta and Jim Donahue was presented to Committee.

Pete Gugliotta addressed the Committee and stated that the owner was required to submit a plat of easement for the watermain and hydrant on the property for Village review, approval and recording prior to any occupancy of either building.

Motion by Trustee Gaeta, seconded by Trustee Pilafas, to approve request by Ala Carte Entertainment (owner) for approval of a plat of easement for watermain at Moretti's Restaurant located at 2475 W. Higgins Road. Voice vote taken. All ayes. Motion carried.

2. Request by Golden Goose Enterprises, LLC and Plum Farms OSR72, LLC for approval of a Tax Increment Financing (TIF) Inducement Resolution for site improvements on the Plum Farms site.

An item summary sheet from Mark Koplin was presented to Committee.

Matt Norton, attorney for Golden Goose Enterprises, addressed the Committee and reported that Golden Goose Enterprises and Plum Farms OSR72, LLC are requesting an inducement resolution relating to a potential designation of certain Plum Farms properties as a TIF. The properties include up to approximately 161 acres, 16 acres of which are within the limits of Hoffman Estates. They intend to request annexation of the remaining 145 acres for a mixed use project. Golden Goose would secure an eligibility study to determine if the property qualifies as a TIF.

Jake Finley, managing partner of Golden Goose Enterprises LLC, addressed the Committee and indicated that the property has several development challenges, including wetlands, flood plains, buried construction debris and a natural gas pipeline that would need to be relocated.

Mayor McLeod commented that it is premature to request an inducement resolution when there is no plan yet and he does not favor TIF districts for residential projects.

Motion by Trustee Gaeta, seconded by Trustee Pilafas to approve request by Golden Goose Enterprises, LLC and Plum Farms OSR72, LLC for approval of a Tax Increment Financing (TIF) Inducement Resolution for site improvements on the Plum Farms site. Voice vote taken. (Nay: Newell, McLeod). Motion carried.

3. Request acceptance of Department of Development Services monthly report for Planning Division.

The Department of Development Services monthly report for Planning Division was submitted to the Committee.

Motion by Mayor McLeod, seconded by Trustee Gaeta, to accept the Department of Development Services monthly report for Planning Division. Voice vote taken. All ayes. Motion carried.

## 4. Request acceptance of Department of Development Services monthly report for Code Enforcement Division.

The Department of Development Services monthly report for Code Enforcement was submitted to the Committee.

Motion by Trustee Gaeta, seconded by Trustee Pilafas, to accept the Department of Development Services monthly report for Code Enforcement Division. Voice vote taken. All ayes. Motion carried.

# 5. Request acceptance of Department of Development Services monthly report for Economic Development and Tourism.

The Department of Development Services monthly report for Economic Development and Tourism was submitted to the Committee.

Motion by Trustee Gaeta, seconded by Trustee Stanton, to accept the Department of Development Services monthly report for Economic Development and Tourism. Voice vote taken. All ayes. Motion carried.

#### III. President's Report

Mayor McLeod reported that on Wednesday, December 3, he attended the NWMC Executive Board meeting as well as a DARE graduation at Lincoln Elementary. On December 5, Mayor spoke to students at Valeo Academy about government and on Saturday, he attended the Teddy Bear Tea at the Sunderlage Farm.

- IV. Other
- V. Items in Review
- VI. Adjournment

Motion by Trustee Gaeta, seconded by Trustee Pilafas, to adjourn the meeting at 7:22 p.m. Voice vote taken. All ayes. Motion carried.

Minutes submitted by:		
Debbie Schoop, Executive Assistant	Date	

#### COMMITTEE AGENDA ITEM VILLAGE OF HOFFMAN ESTATES

**SUBJECT:** 

Request approval of a subordination request for Community

Development Block Grant (CDBG) single-family rehabilitation

loan at 540 Mohave Street

**MEETING DATE:** 

January 12, 2015

**COMMITTEE:** 

Planning, Building and Zoning

FROM:

Peter Gugliotta/Clayton Black

REQUEST:

Request approval of a subordination request for Community Development Block Grant (CDBG) single-family rehabilitation loan at 540 Mohave Street.

**BACKGROUND:** 

Since 2006, the Village has used CDBG funds from the U.S. Department of Housing and Urban Development to provide a single-family home rehabilitation program. The program makes low to moderate income residents eligible for a zero interest deferred loan of up to \$25,000 for critical home repairs that must be paid off upon sale of the home to a new party. The Village has subcontracted North West Housing Partnership (NWHP) to administer the program on the Village's behalf, and to date, 35 such loans have been issued.

Staff received a request to subordinate its second lien position on the rehabilitated home at 540 Mohave Street in order for the homeowner to refinance at a lower interest rate. In refinancing, the homeowner is paying down the loan to which the Village was subordinate which would increase its lien position to first. However, the homeowner is requesting that we subordinate our lien position back to second as originally intended through the program. While this is the first subordinate that has been requested to date, staff reviewed how other communities handle similar requests. The Village of Schaumburg, which maintains a similar single-family rehabilitation program, considers subordination requests on a case by case basis by submitting them to their Village Board, provided that the homeowner is not incorporating other debt through its refinance.

**DISCUSSION:** 

Through its subrecipient, NWHP, the Village has a second mortgage on the property at 540 Mohave Street for rehabilitation work that was performed in 2009 in the amount of \$13,860. The homeowner is requesting to refinance through Peoples Home Equity Inc., in Oakbrook Terrace, IL, for a loan amount of \$163,000 to lower the interest rate from 5.000% to 4.375% and to eliminate borrower paid monthly mortgage insurance.

#### **DISCUSSION:** (Continued)

Documentation required as part of this request included a written letter that detailed the estimated amount of financing, the reason for the refinancing, the legal name of the new lender, the estimated closing date, the position that the Village's subrecipient is expected to take upon agreeing to subordinate its lien position, and any other liens on the property. Also required were a copy of a new appraisal on the property, a good faith estimate, and a title commitment. These documents are included as an attachment.

Program requirements require that outstanding debt not exceed the value of the property. Upon review, with the home appraised at \$187,000, the homeowner will have debt of \$176,860 (\$163,000 to Peoples Home Equity Inc. and \$13,860 to NWHP) and 5.4% clear equity in the home. Upon executing its agreement to subordinate its lien position, NWHP would remain in the second position on the property as originally intended.

There are a number of conditions which would increase the Village's risk in holding the lien on the property and may lead to a denial of subordination. These include the new interest rate being an adjustable rate mortgage, exorbitant refinance fees, line of credit loans, or the taking of cash out in the form of a home equity loan. Because the request does not violate any of these conditions, the Village would maintain its current lien position and actually reduce its risk since the lower interest rate will make it easier for the homeowner to make the monthly payments.

#### **SUMMARY:**

The subordination request at 540 Mohave Street would lower the homeowners interest rate, retain NWHP's (acting as the Village's subrecipient) second lien position, and meet the program requirement that outstanding debt is less than the appraised value of the property.

#### **RECOMMENDATION:**

Approve subordination request for Community Development Block Grant single-family rehabilitation loan at 540 Mohave Street, Hoffman Estates, IL.

cc: Paula Bush (Northwest Housing Partnership)

# Prepared by: North West Housing Partnership 1701 East Woodfield Suite 203 Schaumburg, IL 60173

FOR RECORDER'S USE ONLY

#### SUBORDINATION AGREEMENT

This Subordination Agreement (the "Agreement") is made and entered into this \_\_\_\_\_\_ day of January, 2015 by and between Peoples Home Equity, Inc. ISAOA (the "Lender") and the North West Housing Partnership, an Illinois not-for-profit corporation organized and existing for exempt purposes only in accordance with Section 501(c)(3) of the Internal Revenue Code (the "Mortgagee"), as follows:

1. The North West Housing Partnership is the present legal holder and owner of a certain mortgage (the "Mortgage") dated May 21, 2010 from Robert Luerssen, as Mortgagor, (the "Borrower") to the North West Housing Partnership, as Mortgagee, recorded in the Office of the Cook County Recorder of Deeds as Document Number 1014855007 and concerning real property in Cook County, Illinois, commonly known as 540 Mohave St., Hoffman Estates, IL 60169 and which is legally described as follows:

LOT 4 IN BLOCK 62 IN HOFFMAN ESTATES #4, BEING A SUBDIVISION OF THAT PART OF THE SOUTHWEST !4 OF SECTION 15, TOWNSHIP 41 NORTH, RANGE 10EAST OF THE THIRD PRINCIPAL MERIDIAN, IN COOK COUNTY, ILLINOIS ACCORDING TO THE PLAT THEREOF RECORDED APRIL 5, 1957 AS DOCUMENT 16870207, IN COOK COUNTY, ILLINOIS.

Permanent Index Number: 07-15-317-004-0000.

Said Mortgage secures the payment of a note ("Mortgagee's Note) in the original principal sum of Thirteen Thousand Eight Hundred Sixty Dollars and No Cents (\$13,860.00) executed by Robert Luerssen as Borrower and made payable to the North West Housing Partnership as Mortgagee. The terms of this Mortgage and Mortgagee's Note are incorporated by reference as though fully set forth herein.

2.	Borrowe	r has	requested	that	Mortgagee	subordinate	its	lien	to	the	following	des	scribed
and	subsequent	mort	gage dated				_, 2	2015,	fro	om I	Borrower a	to I	Lender

and recorded in the Office of the Cook County Recorder of Deeds as Document Number \_\_\_\_\_\_\_, and not otherwise ("Lender's Mortgage"). Lender's Mortgage secures the payment of a note ("Lender's Note") in the original principal sum of One Hundred Sixty-Three Thousand Dollars and No Cents (\$163,000.00) executed by Robert Luerssen as Borrower, and Lender represents that the proceeds of Lender's Note have first been used to pay in full and to obtain a complete release of Borrower's mortgage with Bank of America N.A. dated October 23, 2009 and previously recorded in the Office of the Cook County Recorder of Deeds on October 29, 2009 as Document Number 0930255023. For purposes of this Subordination Agreement, "Lender's Debt" shall be defined to include not only the original principal sum of \$163,000.00, but also any and all interest, late charges, attorney's fees, advances for real estate taxes or insurance made pursuant to the terms of the mortgage necessary to preserve Lender's lien. The terms of Lender's Mortgage and Lender's Note are incorporated by reference as though fully set forth herein.

- 3. The North West Housing Partnership, as Mortgagee, for such good and valuable consideration the sufficiency of which are hereby expressly acknowledged, hereby agrees to subordinate its lien of the Mortgage described hereinabove in Paragraph 1 but only insofar as Lender's Mortgage is concerned and not otherwise. No other terms and conditions of Mortgage or Mortgagee's Note are changed, and those terms and conditions are incorporated as though fully set forth herein.
- 4. The North West Housing Partnership hereby consents that the lien of the Mortgage describe in paragraph 1 of this Agreement shall be taken as second and inferior to the lien of the Lender's Mortgage described in paragraph 2 of this Agreement.
- 5. The North West Housing Partnership warrants to the Lender as follows:
  - a. That the execution of the note and mortgage to Lender shall not constitute a default of the Borrower's obligation to the North West Housing Partnership.
  - b. That in the event of a default under the subordinated debt, the North West Housing Partnership agrees to notify the Lender of such default and any actions of the Borrower which may be required to cure the same.
- 6. The Lender may, in its discretion, and at any time and from time to time, without consent but with notice to the North West Housing Partnership, and, with or without valuable consideration, release any person primarily or secondarily liable on the Lender's Debt or may permit substitution, or withdrawals of any security or collateral at any time securing payment of said indebtedness or release any such security or collateral or, renew and extend or accept any partial payments on the Lender's Debt or alter in such manner as the Lender shall deem proper, the terms of any instruments evidencing or securing the Lender's Debt or any part thereof without in any manner impairing the Lender's rights hereunder. It shall not be necessary for the Lender, in order to enforce its rights hereunder to institute suit or exhaust its remedies against any person obligated to pay the Lender's Debt.
- 7. Both the Lender and the North West Housing Partnership agree that nothing in

this Agreement shall be construed to affect or limit the rights of the North West Housing Partnership under its Mortgage or any of the other North West Housing Partnership documents related to said Mortgage.

- 8. Lender, in the event of default by the Borrower on the Lender's Debt, warrants that it will promptly notify the North West Housing Partnership of the default and any actions of the Borrower which may be required to cure the same.
- 9. This Agreement constitutes a continuing subordination until the Lender's Debt and any renewal, extension, or other liabilities arising out of said debt or any part thereof is repaid in full. This Agreement is cumulative of all other rights and securities of both the Lender and the North West Housing Partnership and no waiver by the Lender or the North West Housing Partnership of any right hereunder with respect to a particular payment shall affect or impair its rights in any other documents or matters occurring at any time.
- 10. This Agreement shall be governed by the laws of the State of Illinois.
- 11. This Agreement shall be binding upon and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of each of the parties hereto, but the Lender and the North West Housing Partnership agree that neither shall assign its respective claims or any part thereof, without making the rights and interests of the assignee subject in all respects to the terms of this Agreement.

Dated this day of	_, 2015
North West Housing Partnership 1701 East Woodfield, Suite 203 Schaumburg, IL 60173	Peoples Home Equity, Inc. ISAOA 1801 S. Meyers Rd., Suite 500 Oakbrook Terrace, IL 60181

#### Dear:

In accordance with your request, I have prepared an appraisal of the real property located at 540 Mohave St., Hoffman Estates, IL.

The purpose of the appraisal is to provide an opinion of the market value of the property described in the body of this report.

Enclosed, please find the report which describes certain data gathered during our investigation of the property. The methods of approach and reasoning in the valuation of the various physical and economic factors of the subject property are contained in this report.

An inspection of the property and a study of pertinent factors, including valuation trends and an analysis of neighborhood data, led the appraiser to the conclusion that the market value, as of 10/21/2014 is:

#### \$187,000

The opinion of value expressed in this report is contingent upon the Limiting Conditions attached to this report.

It has been a pleasure to assist you. If I may be of further service to you in the future, please let me know.

Respectfully submitted,

Mountain Residential Appraisal

#### LEGAL DESCRIPTION

OF LOT 4 IN BLOCK 62 IN HOFFMAN ESTATES NO. 4, BEING A SUBDIVISION OF PART OF THE SOUTHWEST 1/4 OF SECTION 15, TOWNSHIP 41, NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, IN COOK COUNTY, ILLINOIS, ACCORDING TO THE PLAT THEREOF RECORDED APRIL 5, 1957 AS DOCUMENT 16870207, IN COOK COUNTY, ILLINOIS.

#### MARKET CONDITIONS

Marketing conditions in the area are considered not declining. The marketing time listed is considered to be adequate for a properly listed conforming home. Most residential properties are purchased with conventional financing, however FHA/VA financing also exists.

Subject Market Analysis

A study of the subjects neighborhood revealed the following:

Using a reasonable time frame of a year over year total is considered to be a good determination of market conditions due to the cyclical nature of sales and listing transactions.

From 10/22/12 to 10/21/13 there were 77 (detached single family home) sales in the subjects neighborhood with an average price of \$168,904 with an average listing market time of 68-days and an average market time of 88-days. The following period 10/22/13 to 10/22/14 revealed 58 (detached single family home) sales with an average sale price of \$181,641 with an average listing market time of 60-days and an average market time of 92-days.

Based on the above analysis the subjects neighborhood revealed no decline.

The subjects market value is slightly higher than the predominant neighborhood value. This does not have an adverse affect on the subject value.

#### ARE UTILITIES / OFF-SITE IMPROVEMENTS TYPICAL

The utilities (gas, water, electric)were on and working at the time of the appraisal inspection. A head and shoulder inspection of the attic and crawl space was conducted.

I have inspected the interior and exterior of the subject property and noted no damage or deferred maintenance related to the recent severe weather. There is no affect on value or marketability due to the recent severe weather.

#### ADDITIONAL FEATURES

Features for the subject include, but are not limited to: Rheem 04-gallon water heater, 100 amp C/B electric service, Carrier furnace.

The subject property is a 1,213 square foot, 3-bedroom, 2-bathroom, ranch style home with an attached 1-car garage.

#### SALES COMPARISON APPROACH

All sales are closed and are considered to be the best available at the time of inspection.

Sale-3 is considered to be superior in condition as it has been recently rehabed. This sale was adjusted accordingly for its differences in condition with the subject property.

Bathroom count adjustments were applied at \$4000/each. Half bath count adjustments were applied at \$2000/each.

Gross living area adjustments were applied at \$20/sq. ft.

Fireplace count adjustments were applied at \$2000/each.

As adjusted, the sales cited reflect a narrow and reliable value range for the subject property, with most weight given to sale-I as it is considered the most similar with the subject.

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended user, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood. (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

**DEFINITION OF MARKET VALUE:** The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fall sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions\* granted by anyone associated with the sele.

\*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appreiser's certification in this report is subject to the following assumptions and limiting conditions:

- 1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.
- 2. The appraiser has provided a sketch in this appreisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.
- 3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area, Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
- 4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
- 5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.
- 6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

#### APPRAISER'S CERTIFICATION: The Appraiser certifies and agrees that:

- 1. I have, at a minimum, developed and reported this appraisal in accordance with the scope of work requirements stated in this appraisal report.
- 2. I performed a complete visual inspection of the Interior and exterior areas of the subject property. I reported the condition of the Improvements in factual, specific terms. I identified and reported the physical deficiencies that could affect the livability, soundness, or structural integrity of the property.
- 3. I performed this appraisal in accordance with the requirements of the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place at the time this appraisal report was prepared,
- 4. I developed my opinion of the market value of the real property that is the subject of this report based on the sales comparison approach to value. I have adequate comparable market data to develop a reliable sales comparison approach for this appraisal assignment. I further certify that I considered the cost and income approaches to value but did not develop them, unless otherwise indicated in this report.
- 5. I researched, varified, analyzed, and reported on any current agreement for sale for the subject property, any offering for sale of the subject property in the twelve months prior to the effective date of this appraisal, and the prior sales of the subject property for a minimum of three years prior to the effective date of this appraisal, unless otherwise indicated in this report.
- 6. I researched, verified, analyzed, and reported on the prior sales of the comparable sales for a minimum of one year prior to the date of sale of the comparable sale, unless otherwise indicated in this report.
- 7. I selected and used comparable sales that are locationally, physically, and functionally the most similar to the subject property.
- 8. I have not used comparable sales that were the result of combining a land sale with the contract purchase price of a home that has been built or will be built on the land.
- 9. I have recorded adjustments to the comparable sales that reflect the market's reaction to the differences between the subject property and the comparable sales.
- 10. I verified, from a disinterested source, all information in this report that was provided by parties who have a financial interest in the sale or financing of the subject property.
- 11. I have knowledge and experience in appraising this type of property in this market area.
- 12. I am aware of, and have access to, the necessary and appropriate public and private data sources, such as multiple listing services, tax assessment records, public land records and other such data sources for the area in which the property is located.
- 13. I obtained the information, estimates, and opinions furnished by other parties and expressed in this appraisal report from reliable sources that I believe to be true and correct.
- 14. I have taken into consideration the factors that have an impact on value with respect to the subject neighborhood, subject property, and the proximity of the subject property to adverse influences in the development of my opinion of market value. I have noted in this appreisal report any adverse conditions (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) observed during the inspection of the subject property or that I became aware of during the research involved in performing this appraisal, I have considered these adverse conditions in my analysis of the property value, and have reported on the effect of the conditions on the value and marketability of the subject property.
- 15. I have not knowingly withheld any significant information from this appraisal report and, to the best of my knowledge, all statements and information in this appraisal report are true and correct.
- 16. I stated in this appraisal report my own personal, unbiased, and professional analysis, opinions, and conclusions, which are subject only to the assumptions and limiting conditions in this appraisal report.
- 17. I have no present or prospective interest in the property that is the subject of this report, and I have no present or prospective personal interest or bias with respect to the participants in the transaction. I did not base, either partially or completely, my analysis and/or opinion of market value in this appraisal report on the race, color, religion, sex, age, maritet status, handloap, familial status, or national origin of either the prospective owners or occupants of the subject property or of the present owners or occupants of the properties in the vicinity of the subject property or on any other basis prohibited by law.
- 18. My employment and/or compensation for performing this appraisal or any future or anticipated appraisals was not conditioned on any agreement or understanding, written or otherwise, that I would report (or present analysis supporting) a predetermined specific value, a predetermined minimum value, a range or direction in value, a value that favors the cause of any party, or the attainment of a specific result or occurrence of a specific subsequent event (such as approval of a pending mortgage loan application).
- 19. I personally prepared all conclusions and opinions about the real estate that were set forth in this appraisal report. If I relied on significant real property appraisal assistance from any individual or individuals in the performance of this appraisal or the preparation of this appraisal report, I have named such individual(s) and disclosed the specific tasks performed in this appraisal report. I certify that any individual so named is qualified to perform the tasks. I have not authorized anyone to make a change to any item in this appraisal report; therefore, any change made to this appraisal is unauthorized and I will take no responsibility for it.
- 20. I identified the lender/client in this appraisal report who is the individual, organization, or agent for the organization that ordered and will receive this appraisal report.

- 21. The lender/client may disclose or distribute this appraisal report to: the borrower; another lender at the request of the borrower; the mortgagee or its successors and assigns; mortgage insurers; government sponsored enterprises; other secondary market participants; data collection or reporting services; professional appraisal organizations; any department, agency, or instrumentality of the United States; and any state, the District of Columbia, or other jurisdictions; without having to obtain the appraiser's or supervisory appraiser's (if applicable) consent. Such consent must be obtained before this appraisal report may be disclosed or distributed to any other party (including, but not limited to, the public through advertising, public relations, news, sales, or other media).
- 22. I am aware that any disclosure or distribution of this appraisal report by me or the lender/client may be subject to certain laws and regulations. Further, I am also subject to the provisions of the Uniform Standards of Professional Appraisal Practice that pertain to disclosure or distribution by me.
- 23. The borrower, another lender at the request of the borrower, the mortgagee or its successors and assigns, mortgage insurers, government sponsored enterprises, and other secondary market participants may rely on this appraisal report as part of any mortgage finance transaction that involves any one or more of these parties.
- 24. If this appraisal report was transmitted as an "electronic record" containing my "electronic signature," as those terms are defined in applicable federal and/or state laws (excluding audio and video recordings), or a facsimile transmission of this appraisal report containing a copy or representation of my signature, the appraisal report shall be as effective, enforceable and valid as if a paper version of this appraisal report were delivered containing my original hand written signature.
- 25. Any intentional or negligent misrepresentation(s) contained in this appraisal report may result in civil liability and/or criminal penalties including, but not limited to, fine or imprisonment or both under the provisions of Title 18, United States Code, Section 1001, et seq., or similar state laws.

#### SUPERVISORY APPRAISER'S CERTIFICATION: The Supervisory Appreiser certifies and agrees that:

- 1. I directly supervised the appraiser for this appraisal assignment, have read the appraisal report, and agree with the appraiser's analysis, opinions, statements, conclusions, and the appraiser's certification.
- 2. I accept full responsibility for the contents of this appraisal report including, but not limited to, the appraiser's analysis, opinions, statements, conclusions, and the appraiser's certification.
- 3. The appraiser identified in this appraisal report is either a sub-contractor or an employee of the supervisory appraiser (or the appraisal firm), is qualified to perform this appraisal, and is acceptable to perform this appraisal under the applicable state law.
- 4. This appraisal report complies with the Uniform Standards of Professional Appraisal Practice that were adopted and promulgated by the Appraisal Standards Board of The Appraisal Foundation and that were in place at the time this appraisal report was prepared.
- 5. If this appraisal report was transmitted as an "electronic record" containing my "electronic signature," as those terms are defined in applicable federal and/or state laws (excluding audio and video recordings), or a facsimile transmission of this appraisal report containing a copy or representation of my signature, the appraisal report shall be as effective, enforceable and valid as if a paper version of this appraisal report were delivered containing my original hand written signature.

Market Conditions Addendum to the Appraisal Report File No. 52126 The purpose of this addendum is to provide the lenderictient with a clear and accurate understanding of the market trends and conditions prevelent in the subject neighborhood. This is a required addendum for all appraisal reports with an effective date on or after April 1, 2009. Property Address 540 Mohaye St. City Hoffman Estates State 1L ZIP Code 60169 Robert L Luerssen Rottower Instructions: The appraiser must use the information required on this form as the basis for his/her conclusions, and must provide support for those conclusions, regerting housing trends and overall market conditions as reported in the Neichborhood section of the appraisal report form. The appraisar must fill in all the information to the extent it is sveitable and reliable and must provide analysis as indicated below. If any required data is unavailable or is considered unreliable, the appraisar must provide an explanation, it is recognized that not all data sources will be able to provide data for the shaded areas below, if it is available, however, the appraiser must include the data In the analysis. If data sources provide the required information as an average instead of the median, the appraiser should report the available figure and identify it as an average. Sales and listings must be properties that compete with the subject property, determined by applying the criteria that would be used by a prospective buyer of the subject property. The appraiser must explain any anomalies in the data, such as seasonal markets, new construction, foreclosures, etc. Prior 7-12 Months Prior 4-6 Months Current - 3 Months Inventory Analysis Overall Trend 9 Stable Total # of Comparable Sales (Settled) Increasing 1.50 0.67 1.00 Increasing Stable X Declining Absorption Rate (Total Sales/Months) Declining Stable X Increasing Total # of Comparable Active Listings - 6 16 1.33 9.00 X Increasing Months of Housing Supply (Total Listings/Ab.Rate) 16.00 Stable Declining Prior 4-6 Months Median Sale & List Price, DOM, Sale/List % Prior 7-12 Months Current - 3 Months Overall Trend 182,000 190,000 X Stable Median Comparable Sale Price increasing Declining X Declining Median Comparable Sales Days on Market 63 29.5 34\_ Stable Increasing Median Comparable List Price 204,900 205,000 214,000 X Increasing Declining Stable X Declining Increasing Median Comparable Listings Days on Market 63 57 46 Stable 96.94 95.77 96.30 X Declining Median Sale Price as % of List Price Increasing Yes X No X Stable Increasing Seller-(developer, builder, etc.) paid financial assistance prevalent? Declining Explain in detail the seller concessions trends for the past 12 months (e.g., seller contributions increased from 3% to 5%, increasing use of buydowns, closing costs, condo toes. CONTINUE SUBJECTS MARKET THERE HAS NOT BEEN A SIGNIFICANT INCREASE IN SELLER CONCESSIONS IN THE PAST 12 MONTHS. CONVENTIONAL, VA AND FHA FINANCING ARE AVAILABLE AND ACCEPTED TO THE MARKET. CONVENTIONAL FINANCING CURRENTLY DOES NOT REQUIRE DISCOUNT <u>POINTS, BUYDOWNS OR OTHER CONCESSION. VA AND FHA TYPICALLY REQUIRE THE SELLER TO PAY</u> DISCOUNT POINTS. Are foreclosure sales (REO sales) a factor in the market? X Yes No If yes, explain (including the trends in listings and sales of foreclosed properties). FORECLOSURE AND REO SALES ARE A CONTRIBUTING FACTOR IN THE SUBJECTS MARKET. RESEARCH OF THE MRED WITHIN THE NEIGHBORHOOD AS DEFINED ON PAGE-1 REVEALED A TOTAL OF 58-SALES WITH <u>19-FORECLOSURES AND 11-SHORT SALES. IN THE DATA ABOVE SHORT SALES AND FORECLOSURES ARE</u> INCLUDED. Cite data sources for above information. MIDWEST REAL ESTATE DATA SERVICE Summarize the above information as support for your conclusions in the Neighborhood section of the appraisal report form. If you used any additional information, such as an analysis of pending sales and/or expired and withdrawn listings, to formulate your conclusions, provide both an explanation and support for your conclusions DUE TO THE LIMITED SIMILAR SALES IN THE SUBJECTS NEIGHBORHOOD, A MARKET TREND COULD NOT <u>BE DETERMINED, AS SUCH NO WEIGHT WAS GIVEN TO THIS FORM. A MARKET ANALYSIS WAS </u> CONDUCTED TO DETERMINE THE MARKET TREND (SEE NEIGHBORHOOD MARKET ANALYSIS PAGE-I), DUE TO CHANGES IN THE COMPARABLE SALES AND ACTIVE LISTINGS STATUS (CANCELLATIONS, CLOSINGS, EXPERATIONS, ETC..) DATA IN THE MC FORM MAY NOT MATCH DATA ON PAGE-2. If the subject is a unit in a condominium or cooperative project, complete the following: Project Name: Subject Project Data Prior 7-12 Months Prior 4-6 Months Current - 3 Months Overall Trend Stable Declining Total # of Comparable Sales (Settled) Increasing Absorption Rate (Total Sales/Months) Increasing Stable Declining Increasing Total # of Active Comparable Listings Declining Stable Months of Unit Supply (Total Listings/Ab. Rate) Declining Stable Are foreclosure seles (REO seles) a factor in the project? Yes No If yes, indicate the number of REO listings and exptein the trends in listings and seles of O O Summarize the above trends and address the impact on the subject unit and project. ŝ Signature Signatura Appraiser Name Vincent J. #### Requirements - Condition and Quality Ratings Usage

Appraisers must utilize the following standardized conditions and quality ratings within the appraisal report.

#### Condition Ratings and Definitions

C1 - The improvements have been very recently constructed and have not previously been occupied. The entire structure and all components are new and the dwelling features no physical depreciation.

"Note: Newly constructed improvements that feature recycled materials and/or components can be considered new dwellings provided that the dwelling is placed on a 100% new foundation and recycled materials and the recycled components have been metablitated/re-manufactured into like-new condition. Recently constructed improvements that have not been previously occupied are not considered "new" if they have significant physical depreciation (i.e., newly constructed dwellings that have been vacant for an extended period of time without adequate maintenance or upkeop).

C2 - The improvements feature no deferred maintenence, little or no physical depreciation, and require no repairs. Virtually all building components are new or have been recently repaired, refinished, or rehabilisated. All cutdated components and finished have been updated and/or replaced with components that meet current standards. Dwellings in this category either are almost new or have been recently completely renovated and are similar in condition to new construction.

"Note: The improvements represent a relatively new property that is well maintained with no deferred maintenance and little or no physical depreciation, or an older property that has been recently completely repoyated.

C3 - The improvements are well maintained and feature limited physical depreciation due to normal wear and tear, some components, but not every major building component, may be updated or recently rehabitisated. The structure has been well maintained.

\*Note: The improvement is in its first-cycle of replacing short-lived building components (appliances, floor coverings, HVAC, etc.) and is being well maintained. Its estimated effective age is less than its actual age. It also may reflect a property in which the majority of short-lived building components have been replaced but not to the level of a complete renovation.

C4 - The improvements feature some minor defended maintenance and physical deterioration due to normal wear and tear. The dwelling has been adequately maintained and requires only minimal repairs to building components/mechanical systems and cosmetic repairs. All major building components have been adequately maintained and are functionally adequate.

\*Note: The estimated effective age may be close to or equal to its actual age. It reflects a property in which some of the short-lived building components have been replaced, and some short-lived building components are at or near the end of their physical life expectancy; however, they still function adequately. Most minor repairs have been addressed on an ongoing basis resulting in an adequately maintained property

C5 - The improvements feature obvious deferred maintenence and are in need of some eignificant repairs. Some building components need repairs, rehabilitation, or updating. The functional utility and overall livesticity is somewhat diminished due to condition, but the dwelling remains useable and functional as a residence.

\*Note: Some significant repairs are needed to the improvements due to the lack of edequate maintenance, it reflects a property in which many of its short-lived building components are at the end of or have exceeded their physical life expectancy but remain functional.

C5 - The improvements have substantial damage or deferred maintenance with deficiencies or defects that are severe enough to affect the safety, soundness, or structural integrity of the improvements. The improvements are in need of substantial repairs and rehabilitation, including many or most major components.

"Note: Substantial repairs are needed to the improvements due to the tack of adequate maintenance or property damage. It reflects a property with conditions severe enough to affect the safety, soundness, or structural integrity of the improvements.

#### Quality Ratings and Definitions

- Q1 Dwellings with this quality rating are usually unique structures that are individually designed by an architect for a specified use. Such residences typically are constructed from detailed architectural plans and specifications and feeture an exceptionally high level of workmanship and exceptionally high-grande materials throughout the Interior and extention of the structure. The design features exceptionally high-quality extentor rafinements and ornamentation, and exceptionally high-quality interior refinements. The workmanship, materials, and finishes throughout the dwelling are exceptionally high-quality.
- Q2 Dwellings with this quality rating are often custom designed for construction on an individual property owner's site. However, dwellings in this quality grade are also found in high-quality tract developments featuring residences constructed from individual plans or from highly modified or upgraded plans. The design features detailed high-quality extentor ornamentation, high-quality interior refinements, and detail. The workmanship, materials, and finishes throughout the dwelling are of exceptionally high quality.
- Q3 Dwellings with this quality rating are residences of higher quality built from individual or readily available designer plans in above-standard residential tract developments or on an individual property owner's site. The design includes significant exterior ornamentation and interiors that are well finished. The workmanship exceeds acceptable standards and many metarials and finishes throughout the dwelling have been upgraded from "slock" standards.
- Q4 Dwellings with this quality rating meet or exceed the requirements of applicable building codes. Standard or modified standard building plans are utilized and the design Includes adequate fenestration and some exterior ornamentation and interior refinements. Meterials, workmenship, finish, and equipment are of stock or builder grade and may feature some upgrades.
- Q5 Dwellings with this quality rating feature economy of construction and basic functionality as main considerations. Such dwellings feature a plain design using readily available or basic floor plans featuring minimal fenestration and basic finishes with minimal extensiv commentation and limited Interior detail. These dwellings meet minimum building codes and are constructed with inexpensive, stock materials with limited refinements and upgrades.
- Q8 Dwellings with this questly rating are of basic quality and lower cost, some may not be suitable for year-mound occupancy. Such dwellings are often built or without plans, often utilizing the lowest quality building materials. Such dwellings are often built or expended by persons who are professionally unskilled or possess only infamile construction skills. Electrical, plumbling, and other machanical systems and equipment may be minimal or non-existent. Older dwellings may feature one or more substandard non-conforming additions to the original structure.

#### Definitions of Not Updated, Updated, and Remodeled

Not Updated ~ Little or no updating or modernization. This description includes, but is not limited to, new homes. Residential properties of fifteen years of age or less often reflect an original condition with no updating, if no major components have been replaced or updated. Those over fifteen years of age are also considered not updated if the appliances, inclures, and finishes are predominently dated. An area that is 'Not Updated' may still be well maintained and fully functional, and this rating does not necessarily imply defend maintained on physical/functional deterioration.

Updated - The area of the home has been modified to meet current market expectations. These modifications are limited in terms of both acope and cost. An updated area of the home should have an improved look and feel, or functional utility. Changes that constitute updates include refurbishment end/or reptacing components to meet existing market expectations. Updates do not include significant attentions to the existing structure.

Remodeled - Significant finish end/or structural changes have been made that increase utility and appeal through complete replacement and/or expension. A remodeled area reflects fundamental changes that include multiple alterations. These alterations may include some or all of the following: replacement of a major component (cabine(s), bethitd, or bethroom tite), relocation of plumbing/gas fixtures/appliances, significant structural alterations (relocating waits end/or the addition of square footage). This would include a controller guiting and rebuild.

#### Explanation of Bathroom Count

Three-quarter baths are counted as a full bath in all cases, Quarter baths (baths that feature only a toilet) are not included in the bathroom count. The number of full and half baths is reported by separating the two values using a period, where the full bath count is represented to the left of the period and the half bath count is represented to the right of the period.

Example; 3.2 indicates three full baths and two half baths.

Appraisal Management Specialists, LLC is an entity with no vested interest in the outcome of this real estate transaction. AMS Certifies that through its technology platform, policies, and procedures, the appraisal report represented was delivered in compliance with Appraiser Independence Laws. In the case of FHA appraisals, the requirement of US Dept of Housing & Urban Developments's HUD Mortgagee Letter 2009–28 have been adhered to.

- The appraiser was licensed or certified by the state in which the subject property is located;
- The appraiser was not presented with an anticipated, estimated, encouraged or desired value for the subject property or a suggested or target amount to be loaned to the borrower, other than a copy of the sales contract for purchase transaction may have been granted, if applicable;
- There was not a conditioning of the ordering of the appraisal report or the payment of the appraisal fee on the opinion, conclusion, or valuation to be reached, or on a preliminary value estimate;
- The appraiser was not petitioned to provide an estimated value or comparable sale at any time foregoing to the appraiser's conclusion of an appraisal report;
- There was not an endeavor by Appraisal Management Specialists, LLC to invalidate the appraiser's sovereignty, objectivity, or impartiality;
- There was not an endeavor by Appraisal Management Specialists, LLC to pressure the progress, reporting, conclusion, or review of the appraisal through coercion, extortion, collusion, compensation, inducement, intimidation, bribery, or any other endeavor;
- The restitution did not rely in any way upon, the value arrived at in the appraisal or upon the closing of the loan for which the appraisal was completed;
- All Appraisal Management Specialists, LLC personal involvement with the appraisal commitment, review and distribution of the appraisal assignment and report have been properly trained and qualified in the area of real estate appraisals.
- Appraisal Management Specialists, LLC has written policies and procedures including, but not limited to, training and disciplinary regulation on appraiser independence and has mechanisms in place to report and discipline anyone who defies these policies and procedures;
- Appraisal Management Specialists, LLC has an Appraisal Fraud Hotline. Appraisers, borrowers, and others that believe that they have been victims of appraisal fraud may contact Appraisal Management Services at 414–803–8936 or email us at dianna@appraisalmsllc.com.

#### Instructions

This GFE estimates your settlement charges. At your settlement, you will receive a HUD-1, a form that lists your actual costs. Compare the charges on the HUD-1 with the charges on this GFE. Charges can change if you select your own provider and do not use the companies we identify. (See below for details.)

Understanding which charges can change at settlement

These charges cannot increase at settlement:	The total of these charges can increase up to 10% at settlement:	These charges can change at settlement:
Our origination charge Your credit or charge (points) for the specific interest rate chosen (after you lock in your interest rate) Your adjusted origination charges (after you lock in your interest rate) Transfer taxes	Required services that we select  Title services and lender's title insurance (if we select them or you use companies we identify)  Owner's title insurance (if you use companies we identify)  Required services that you can shop for (if you use companies we identify)  Government recording charges	Required services that you can shop for (if you do not use companies we identify)  Title services and lender's title insurance (if you do not use companies we identify)  Owner's title insurance (if you do not use companies we identify)  Initial deposit for your escrow account  Daily interest charges  Homeowner's insurance

## Using the tradeoff table

In this GFE, we offered you this loan with a particular interest rate and estimated settlement charges. However:

- If you want to choose this same loan with lower settlement charges, then you will have a higher interest rate.
- If you want to choose this same loan with a lower interest rate, then you will have higher settlement charges.

If you would like to choose an available option, you must ask us for a new GFE.

Loan originators have the option to complete this table. Please ask for additional information if the table is not completed.

	The loan in this GFE	The same loan with lower settlement charges	The same loan with a lower interest rate
Your initial loan amount	\$ 163,000.00	s	s
Your initial interest rate 1	4.375 %	%	%
Your initial monthly amount owed	\$ 813.83	s	S
Change in the monthly amount owed from this GFE	No change	You will pay \$ more every month	You will pay \$ less every month
Change in the amount you will pay at settlement with this interest rate	No change	Your settlement charges will be reduced by	Your settlement charges will increase by
How much your total estimated settlement charges will be	\$ 5,463.55	S	s

<sup>&</sup>lt;sup>1</sup> For an adjustable rate loan, the comparisons above are for the initial interest rate before adjustments are made.

## Using the shopping chart

Use this chart to compare GFEs from different loan originators. Fill in the information by using a different column for each GFE you receive. By comparing loan offers, you can shop for the best loan.

	This Ioan	Loan 2	Loan 3	Loan 4
Loan originator name				
Initial loan amount	\$ 163,000.00			
Loan term	30 years 0 months			
Initial interest rate	4.375 %			
Initial monthly amount owed	\$ 813.83			
Rate lock period	N/A			
Can interest rate rise?	No			
Can loan balance rise?	No			
Can monthly amount owed rise?	No			
Prepayment penalty?	No			
Balloon payment?	No			
Total Estimated Settlement Charges	\$ 5,463.55			

If your loan is sold in the future

Some lenders may sell your loan after settlement. Any fees lenders receive in the future cannot change the loan you receive or the charges you paid at settlement.

#### Fidelity National Title Insurance Company

Commitment Number: 14-0379

#### **SCHEDULE B**

Schedule B of the policy or policies to be issued will contain exceptions to the following matters unless the same are disposed of to the satisfaction of the Company:

1. STANDARD EXCEPTIONS:

Defects, liens, encumbrances, adverse claims or other matters, if any, created, first appearing in the public records or attaching subsequent to the effective date hereof but prior to the date the proposed insured acquires for value of record the estate or interest or mortgage thereon covered by this Commitment.

- 2. Rights or claims of parties in possession not shown by the public records.
- 3. Easements, or claims of easements, not shown by the public records.
- 4. Encroachments, overlaps, boundary line disputes, or other matters which would be disclosed by an accurate survey and inspection of the premises.
- 5. Any lien, or right to a lien, for services, labor, or material heretofore or hereafter furnished, imposed by law and not shown by the public records.
- 6. Taxes or special assessments which are not shown as existing liens by the public records.
- 7. General taxes for the year 2014 and subsequent years.

Tax identification no.: 07-15-317-004-0000

Note for informational purposes 2013 taxes:

1st Installment in the amount of \$2,604.21 with a status of Paid. (Due Date 03/04/2014)

2nd Installment in the amount of \$1,138.47 with a status of Paid. (Due Date 08/01/2014)

The 2014 taxes are not yet due or payable.

Note: If applicable, an original tax bill must be presented if taxes are to be paid at time of closing.

- 8. Mortgage recorded October 29, 2009 as document 0930255023 made by Robert L. Luerssen to Bank of America, N.A., to secure a note in the originally stated principal amount of \$175,266.00, and to the terms and conditions thereof.
- 9. Mortgage recorded May 28, 2010 as document 1014855007 made by Robert L. Luerssen to North West Housing Partnership, to secure a note in the originally stated principal amount of \$13,860.00, and to the terms and conditions thereof.

Note: The aforesaid mortgage may secure a line of credit. Any payoff statement issued from the lending institution must indicate that the borrowers line of credit has been terminated, that the payoff is not subject to any further advances and that the lender will release the lien of record upon receipt of said payoff.

## SCHEDULE B (Continued)

10. The spouse of the party (parties) shown in Schedule A of this commitment should join in any conveyance for the purpose of releasing their homestead interest, if applicable

Note: We will require a waiver of homestead if the title holder/buyer/borrower is either married or a party to a civil union; the waiver must be executed by the non-titleholding spouse or by the non-titleholding party to the civil union

- 11. a. Covenants, conditions and restrictions (but omitting any such covenant or restriction based on race, color, religion, sex, handicap, familial status or national origin unless and only to the extent that said covenant (a) is exempt under Chapter 42, Section 3607 of the United States Code or (b) relates to handicap but does not discriminate against handicapped person(s), which do not contain a reversionary or forfeiture clause);
  - b. Easements, easement provisions and building lines as shown on plat of subdivision or otherwise appearing of record.
  - c. Any lease, grant, exception or reservation of minerals or mineral rights appearing in the public records.

The Insured Lender is insured that the same have not been violated, except that such affirmative assurance does not extend to covenants, conditions and restrictions relating to environmental protection unless a notice of violation thereof has been recorded or filed in the public records and is not referenced herein. Further, the Insured Lender is insured that any future violation of any covenants, conditions and restrictions appearing in the public records will not result in a forfeiture or reversion of title, and that there are no provisions therein under which the lien of the insured mortgage can be extinguished, subordinated or impaired.

The Insured Lender is insured that none of the improvements encroach upon the easements and that any use of the easements for purposes granted or reserved will not interfere with or damage the improvements, including lawns, shrubbery and trees.

12. Note: For informational purposes only and same to be omitted from the final policy, when issued:

The following are the vesting deed of and all of the deeds, if any, affecting the land described in Schedule A hereof recorded within 24 months preceding the effective date hereof:

Coordinating Planning & Code Efforts	This Month	This Quarter	Year to Date	Year Target	
Number of staff coordination meetings held	3	11	56	48	]

#### **GENERAL ACTIVITIES**

- Planning staff continues to work with the Transportation and Engineering Division on the Tollway widening, Barrington Road Tollway Interchange, Pace Park & Ride location, Greenspoint Parkway design, and the RTA Transit Study Project.
- Planning Division staff is working closely with Code Division staff on several commercial property maintenance issues.

#### Economic Development/Marketing/Promotional Items

Planning staff continues to create the graphics for events and perform all regular updates to the Village's <a href="https://www.visithoffman.com">www.visithoffman.com</a> tourism website, where detailed information can be found on events, dining, lodging, entertainment, and shopping opportunities.

Economic Development Information Items	This Month	This Quarter	Year to Date	Year Target
Number of visithoffman.com listings updated	6	16	62	100% updated within
				5 days
Average number of Village signs in rotation on	2	2	3	100% of time at least
electronic Tollway sign				2 signs in rotation
New digital signs produced for Tollway sign	2	7	20	6

#### COMPREHENSIVE PLAN www.hoffmanestates.com\compplan

- Preparatory work is beginning for an update to the Comprehensive Plan. Initial steps include review of the 2007 Comprehensive Plan and plans from comparable communities, as well as compilation of the latest census and economic data.
- Internal meetings have started to discuss the format and layout of the plan document.

Comprehensive Plan Update	This Month	This Quarter	Year to Date	Year Target
Number of meetings held by staff working group	1	4	10	6
Percentage of detailed draft outline completed	25%	25%	25%	100% completion of detailed draft outline

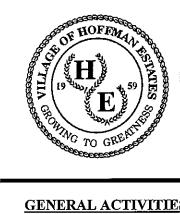

#### COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) www.hoffmanestates.org\cdbg

The current CDBG Program Year runs from October 1, 2014 through September 30, 2015. Therefore the information below are final performance measures for the first quarter of the current program year.

CDBG Expenditures and Reporting	This N	/lonth	This Qua	Date							
Ratio	\$0	1.74	\$171,257.48	1.74	\$171,257.48	1.74					
Percentage equals ratio of unspent funds to total allocated funds in program year. Permitted to hold of up to 1.5 of yearly allocation.											

Housing Program Goals	This Month	This Quarter	Year to Date	Year Target
Rehabilitation Projects completed	0	0	0	5
Property Files Completed	0	0	0	5
Housing & related issues education pieces released	1	2	2	5

- Began collaborating with the County on the five year 2015-2019 Consolidated Plan update which will take place throughout 2015. Held internal staff meetings to identify funding priorities for the five year plan.
- The Village received a notice that it held 1.64 times fund allocation at the HUD mandated timeliness check on August 1, 2014. The Village is required to hold no more than 1.5 on August 1 each year and is required to submit a response to HUD justifying these excess funds. Last summer, two single family rehabilitation loan recipients paid off their loans and Bedford Road was deemed ineligible using new HUD data. Once the program year was complete and the Volid Drive project was drawn on, the Village held 0.72 of its allocation, well below the 1.5 threshold.
- Staff prepared the Consolidated Annual Performance and Evaluation Report (CAPER) to summarize accomplishments during Program Year 8 and responded to public comments about the document. The report was submitted to HUD by the deadline.
- North West Housing Partnership (NWHP), acting as the Village's subrecipient, is actively seeking additional homeowners for the loan and construction application process for single family home rehabilitation projects. One of the Village's outstanding loans requested a subordination to refinance their home mortgage.
- Staff participated in a Fair Housing workshop in Schaumburg on December 10 with other CDBG entitlement communities.

#### VILLAGE OF HOFFMAN ESTATES DEPARTMENT OF DEVELOPMENT SERVICES CODE ENFORCEMENT DIVISION MONTHLY REPORT

SUBMITTED TO: PLANNING, BUILDING & ZONING COMMITTEE

BY: Peter Gugliotta, Director of Planning, Building and Code Enforcement ()

January 2015

#### **GENERAL ACTIVITIES**

- On December 5, 2014, Jeff Mattes, Ray Norton, John Shogren and Kerin Browne attended the Northwest Building Officials & Code Administrators (NWBOCA) annual meeting and general election in Streamwood.
- On December 5, 2014, John Shogren passed and received his Plumbing Inspectors License certification.
- On December 10, 2014, David Banaszynski, Betty Melligan, Kathleen Kuffer, Tony Knuth and Susan Harold attended the IACE Quarterly Meeting in Elgin.
- On December 12, 2014, David Banaszynski inspected the BeerFest food trucks at the Sears Centre.
- On December 18, 2014, David Banaszynski attended his State Board of Health Meeting.
- On December 23, 2014, John Shogren attended the Illinois Plumbing Inspectors Association monthly meeting.

#### ADMINISTRATIVE ACTIVITIES

- Work is being done on a significant update to the building permit application form and other related documents in order to improve the permit process for external customers and to increase internal efficiencies.
- Exploratory discussions have been occurring to determine ways the Village can increase online permit options.
- Efforts are underway to identify and resolve older permits that are still "open" in the computer system in order to ensure Village records are as current and accurate as possible.

Enhance Customer Service at Front Counter	This Month	This Quarter	Year to Date	Year Target
Number of building permit process improvements	0	0	1	2
made				

#### RENTAL HOUSING LICENSE AND INSPECTION PROGRAM

- Rental license renewal applications were mailed to the roughly 1,800 registered rental owners. All licenses expired on December 31 and need to be renewed. The renewal deadline is January 16, 2015. Several hundred renewals have been received so far and are being processed.
- Roughly 250 violation letters have been sent to owners who clearly appear to have rental properties based on research of public records, but have not registered yet under the Village code, with a compliance date in mid-January. Staff is working to resolve these and will pursue further legal action after the deadline.
- Staff is working to gain compliance from several owners who have not yet resolved issues from failed inspections. A total of 16 citations have been written for a January hearing date for issues related to this new rental program.
- Code Officers are now performing roughly 15-20 rental inspections and re-inspection each day when fully available. During the winter months, inspections will focus on interior-only properties. Starting next month with January's summary, detailed monthly inspection numbers will be reported.
- Collection of any outstanding money owed by rental owners to the Village continues to occur as part of the rental housing process.

#### 2014 Construction Inspections

Inspection	Jan	Feb	Mar	Apr	May	Jun	Jül	Aug	Sep	Oct	Nov	Dec	YTO

Food establishments are divided into the risk categories of high, moderate or low risk. A high risk establishment presents a high relative risk of causing foodborne illness based on the large number of food handling operations typically implicated in foodborne outbreaks and/or the type of population served by the facility. There are approximately 690 total facilities subject to annual inspection (this number fluctuates based on businesses opening/closing).

Foreclosure activity has stabilized at a level more consistent with pre-recession numbers. During 2010-2012 the Village typically saw more than 50 new foreclosures filed per month, but starting with 2013, that number dropped significantly to be generally less than 20 per month. Over the past two full years of monitoring, it has become clear that the impact from the recession has greatly lessened. Because this activity has dropped off significantly, the graphic maps that plotted foreclosure activity are no longer being included in this monthly report. Staff will continue to monitor activity and report the numbers in the above format.

# **ECONOMIC DEVELOPMENT**& TOURISM MONTHLY REPORT

#### General

- Followed up with several brokers about possible industrial projects. Their sights focused on the Prairie Stone, Huntington 90, and Lakewood Boulevard areas, adjacent to the AT&T property.
- Continued to follow-up with meetings and conversations from the ICSC RECon show in May and October. Working with several potential entertainment and restaurant users for the Poplar Creek at 59/90 Entertainment District. Some users are in the concept plan stage while others have progressed further.
- Communicated with local brokers and property owners to answer questions and help fill vacant properties.
- Continued working with the Transportation Division and the owners of the former Myoda
  property to further the progress of the traffic signal and the development of the site. Now that
  approval has been given for the signal, staff is working to obtain the appropriate easement
  agreements from surrounding property owners.
- Updated the Village's available properties database through Location One Information System (LOIS). The properties are updated weekly.
- Attended several holiday gatherings to network with various brokers, developers, and others in the commercial real estate sector.
- Ongoing phone calls and emails with shopping center owners in town to receive updates on properties and assist in improving the properties. Attended grand opening and ribbon cuttings of various Hoffman Estates businesses.
- Attended the Hoffman Estates Chamber of Commerce New Members Reception event at the Hilton Garden Inn. Also attended the monthly new members meeting of the Chamber of Commerce and the new member reception which the Chamber held in early December.
- Continued working on a sign policy for digital gateway signs into the Poplar Creek at 59/90 Entertainment District.
- Watched several webinar presentation to broaden economic development horizons and understanding.
- Quarterly Division Statistics (4<sup>th</sup> Quarter, 2014):

0	Number of Net New Businesses:
	Service I of Proceedings for the graduation of the Service Company o

o Retail Shopping Center Vacancy Rate: 12.0%

Office Building Vacancy Rate: 20.1%

Number of Projects within a TIF District:

#### Office/Industrial

- LOCAL NEWS: CDK Global, formerly ADP, has leased two floors of 2800 W Higgins Rd to expand their company. They will continue to occupy their building on Hassell Road.
- Attended a quarterly GCAMP meeting to receive updates on the status of the organization.
- The department is working with GCAMP to promote the Maker movie showing and help start a Maker workshop in the area.
- Finished the year having met with 14 businesses the department felt the first year of the BRE visits were productive and beneficial to both the Village and the business community. The plan is to meet with twenty-four businesses in 2015.

#### Retail

- Began booth design preparations and travel arrangements for the Entertainment Evolution Experience conference in Los Angeles to promote the Village's 59/90 Entertainment District.
- Continued pursuit of a hardware store operator in the Village.
- Worked with the marketing team for Poplar Prairie Stone Crossing Shopping Center to promote their Black Friday and holiday events, like their letter writing to Santa campaign in support of our Shop with a Cop event.

#### **Tourism**

#### **FOOD TASTING FESTIVAL - November 2014**

Staff held a recap meeting with the Chamber of Commerce to discuss best practices and suggested that the event close out with presentation Certificates of Appreciation presented in person with photo op at each participating location. Another suggestion to switch things up for next year was to replace the cupcake challenge with a savory challenge but still involve Culinary Arts Students from ECC and Harper (perhaps Illinois Institute of Arts Culinary Students). Tate & Lyle representative was very pleased with their expanded role this year and will sponsor the event again in 2015. The event is moving back to an October date to accommodate a visit from Sister City Chef Guat and his students from Angouleme.

## ILLINOIS RECREATIONAL CHEERLEADING ASSOCIATION - DECEMBER 4-5, 2014 - SEARS CENTRE ARENA

Staff is currently collecting the actualized room night counts from participating hotels (Hilton Garden Inn, Hampton Inn, Hawthorne Suites. Hyatt Place. LaQuinta, and Marriott). Each property agreed to pay a \$10 rebate per actualized room night for those rooms that came in through the designated room block at the negotiated rate. Many rooms were booked through opaque sites or third party online portals. Those rooms came in at discounted rates and would not be subject to rebates. A room capture report to will follow at a later date.

### Tourism (Cont.)

#### BIG TEN WOMEN'S BASKETBALL TOURNAMENT - MARCH 4-8, 2015 - SEARS CENTRE ARENA

Attended field meetings with team lodging properties to ensure all understand each is
expected to utilize logoed key cards, cardboard standup signage, and door slicks to
present a consistent welcome at each team lodging property. Provided additional hotels
(Marriott, Hyatt Place, and Hilton Garden Inn received team and Big Ten staff room
blocks) to list on event website as adjacent to arena to attract university bands, boosters,
alumni, fans, and family. Provided a current restaurant/attraction list for the event
website which will be linked to the official Big Ten Tournament website.

#### **MEETINGS/ACTIVITIES**

- Jingle Mingle (December 11): Fundraiser for Shop with a Cop. Featured vendors, silent and live auction, and acoustic set by 7th Heaven. Raised almost \$3,000.
- Shop with a Cop (December 13): Event served 52 kids the day of and sent gifts and gift cards home to another 25 kids.
- Lakeview School Social Workers SOS: Received word from social workers at Lakeview School that 6 families would go without food during the holidays. Organized effort to have 6 families adopted and dropped off six 30 gallon bins of fresh fruits and vegetables, snacks, and hams for each.
- Chicago Mustangs Soccer Team: Provided contacts at senior centers and the hospital for the team to visit during holidays (spreading cheer and distributing small gifts). Provided contacts for Village non-profits to be a focus on game days.
- Pine Tree Commercial Realty: Letters to Santa Program. Worked with new owners of Poplar-Prairie Crossing Shopping Center to facilitate their "Letters to Santa" promotion that had mailboxes set up outside various merchants in the shopping center. Every letter written generated a \$1 donation to Shop with a Cop. Shop with a Cop received a check for \$250 from the promotion.
- Remington Hotels: Conference call to discuss their potential development of a full service hotel to flank the Stonegate.
- Boomers Baseball: Met to discuss youth baseball tournament opportunity with lodging in the Village.
- Shop Local: Assisted in organization/day of event for Mayor to pour coffee at Apple Villa, toss pizza and work the counter of Garibaldi's, and work out and serve healthful smoothies at Heroic Fitness to promote local businesses as gift options.

## Tourism (Cont.)

- Elgin/Fox Valley Convention Bureau: Ongoing discussions about bringing youth baseball tournaments to this area which would utilize undeveloped land to generate lodging from international teams that the tournaments would draw.
- Celtic Fest Commission: Assisting to secure Great Lakes Irish Wolf Hounds doing "Lure Routing" demonstrations. Secured KinderCare to run kids game activity area during Celtic Fest. Reached out to secure Medieval Times involvement and gage interest for St. Andrew Society to host a 5k the morning of Celtic Fest.
- BadAssDash: Attended initial organizational meetings with event organizers connecting them to area retailers/restaurants to maximize exposure for our businesses to their audience (3,000 expected in 2015).
- AAA: Construction of the full interchange at Barrington Road and declining gas prices opens a new market share for our hotels. Investigating benefits of additional advertising with AAA. 26% of all room nights booked in Illinois are AAA members, with an average length of stay during a driving vacation of 14 nights. Met with AAA representatives and arranging a meeting for them with our hotel sales leaders and ownership groups who might want to reposition their properties anticipating the full interchange bringing new guest potential.
- Ala Carte Entertainment (Moretti's and Whiskey River): Working with their corporate sales and marketing director to organize opening activities to include hospitality night (a designated event that will bring all front office personnel, shuttle drivers, sales leaders, and general managers to Moretti's for a tour and kick-off to their concierge referral program).

Kevin Kramer, Director of Economic Development
